The League fully supports the proposals to follow-up on the property assessment process, whether it be in the Finance Committee or the Human Relations Committee. Having a fair and accurate assessment process is critical. As the League has repeatedly pointed out, the current system has budget implications. Because of all the incorrect assessments, the Assessor and the Board of Review have been receiving more and more appeals each year and must staff to deal with these increases. We have recommended you obtain information on the number of appeals, the number of successful appeals, what changes, if any, in the assessment process are made as a result of those successful appeals, and whether there is any attempt to correct similarly-situated property assessments. While we understand that the letter the League sent Commissioners during the budget process was forwarded to the Assessor and Board of Review for responses, we do not believe that any were provided to the Commissioners. We hope you will seek them now.

Q6 ACCOMMODATIONS: If you require additional assistance or special accommodations in order to participate in a hearing (for example, need language assistance, are a person with a disability), please let us know here, call 312.603.6127 or email us at cookcounty.board@cookcountyil.gov Intérpretes de lengua española estarán disponibles para los residentes que necesiten asistencia. We cannot guarantee assistance for requests made less than 48 hours in advance of a meeting.
