**Goods or Services:** This proposed FY 2018 IGA, already approved by the Pension Fund, reflects the undertaking made by the County Board and the County Board President when the decision was made to increase the County's sale tax by 1%, relative to the contribution of a portion of sales tax revenues to the Pension Fund as appropriated by the County Board of Commissioners.

**Summary:** This proposed FY 2018 IGA, already approved by the Pension Fund, reflects the undertaking made by the County Board and the County Board President when the decision was made to increase the County's sale tax by 1%, relative to the contribution of a portion of sales tax revenues to the Pension Fund as appropriated by the County Board of Commissioners. This proposed FY 2018 IGA will terminate, by its terms, on 11/30/2018. Except for revisions associated with the total amount of the additional contribution and the payment schedule, this proposed FY 2018 is substantively identical to the FY 2017 IGA. For example, under Section Six, the additional contribution in FY 2018 will be limited in use to reduce the Pension Fund's unfunded liabilities. In addition, during FY 2018 the Pension Fund will provide relevant information to the Board of Commissioners, including information associated with its actuarial status and its relative investment performance.
