Summary: Through this contract, the Department of Revenue is implementing discovery programs to assist with the processing of Individual Use Tax and to help identify potential taxpayers not currently registered and remitting taxes to the County. This amendment will allow us to exercise one of five one-year renewal options with the Vendor with no additional dollars. With the second release of our Integrated Home Rule Tax Processing System going live earlier this year, more time is needed to design the discovery programs and ensure they are properly implemented. pass
