I am a member of Evanston VFW Post 7186 and am the Post delegate to the VACCC. As a delegate I have become aware that veterans in Cook County are eligible for benefits that would help both the veteran and Cook County. For me it is a win-win situation to get those dollars into veterans hands and into circulation in the county. I very much favor the Cook County Veterans Committee meeting with both the VACCC and the CCVA. Funding additional veteran's service officers in the county will help get those benefits.

In case Cook County Treasurer office is subject to any oversight and is accountable for unscrupulous practice, then I would suggest the board take a look at how they hold on to mailed-in property tax payments and then charge the constituents like me the statutory interest by claiming the payment being past due. And when I asked them to present the envelope with the USPS postmark in which I had mailed the payment from Evanston main post office to verify the exact date they claim they have discarded the envelope. Instead they asked me to provide proof of on time mailing in form of certified mail or registered mail receipt which is clearly not required for mailed-in payments as instructions for using this option indicates. Please at least warn the constituents that their payments might be considered late at the sole discretion of Cook County Treasurer for choosing this option. Here is my property PIN in case you are interested to check on it. 11-30-123-033-1003.

Thank you, Farrokh Yassan
