MEMORY OF THE HONORABLE WILLIAM “NED” LAUTERBACH**

**WHEREAS**, William “Ned” Lauterbach, an extraordinary man and visionary leader who was dedicated to social justice, family and community died at the age of 92. He has left behind a devoted family, countless friends and a community profoundly enriched for having known him; and

**WHEREAS**, William “Ned” Lauterbach and his wife Alberta raised five (5) children, first in the Chicago neighborhood of Rogers Park and later in the City of Evanston where they became treasured community leaders and neighbors; and

**WHEREAS**, William “Ned” Lauterbach’s first job was with Armour Research Foundation. He worked there while completing his graduate studies in engineering at the Illinois Institute of Technology. **WHEREAS**, William “Ned” Lauterbach was first elected Alderman to represent the Third Ward in the Evanston City Council in 1975. As Alderman, William “Ned” Lauterbach helped create the City’s first Department of Human Services. **WHEREAS**, William “Ned” Lauterbach served in the Evanston City Council from 1975 to 1983. It was his role as Alderman of the Third Ward that gave him the opportunity for what he would later call the proudest achievement of his life. The City was about to sell off Noyes Elementary School to private developers; enrollment in the City had declined and the building was deemed beyond repair. Now, forty-five (45) years later, the Noyes Cultural Arts Center remains a vibrant hub of the arts in Evanston; and

**WHEREAS**, Alderman William “Ned” Lauterbach used his engineering and analytic skills to help the City tackle another of its enduring problems, flooding. He headed the Commission for all eight (8) years of his two (2) terms as Alderman and continued to serve for seventeen (17) more years as a citizen member. After almost thirty (30) years, when the commission was dissolved, the City of Evanston honored him with a commemorative plaque; and

**PROPOSED RESOLUTION**

**PROTECTING ACCESS TO COMPREHENSIVE REPRODUCTIVE HEALTH CARD AND SUPPORTING INCREASED FUNDING LEVELS**

**WHEREAS**, women need access to safe, affordable, and comprehensive reproductive health care throughout their lives, including screening for cancer and sexually transmitted infections, contraceptive services, abortion care, prenatal care and labor and delivery services; and

**WHEREAS**, reproductive health is a vital component of a woman's overall health, and reproductive freedom is vital to a woman's safety, well-being and ability to participate equally in society; and

**WHEREAS**, on January 22, 1973, the U.S. Supreme Court, in a historic and landmark decision, ruled in *Roe v. Wade* that the U.S. Constitution safeguards a woman's ability to make her own personal medical decisions about when or whether to have children; and

**WHEREAS**, that decision has allowed women to participate more fully in society, saved lives, and strengthened families and we must always guard against efforts to deliberately erode the availability and affordability of abortion and undermine the protections provided by *Roe v. Wade*; and

**WHEREAS**, the majority of Americans continue to support safe legal abortion; and

**WHEREAS**, Federal and State laws that place obstacles in the paths of women seeking abortion care take away the ability of those women to make decisions and threaten the health of families; and

**WHEREAS**, one (1) such restriction is the Hyde Amendment, passed by Congress on September 30, 1976, which for nearly thirty-nine (39) years has impeded access to abortion care for low-income women enrolled in Medicaid; and

**WHEREAS**, Medicaid coverage for abortion care has a significant effect on low-income women's ability to decide to end an unwanted pregnancy, and in the absence of such coverage many women are unable to obtain an abortion; and

**WHEREAS**, many women in Cook County, including State and Federal employees, obtain insurance coverage through other public insurance programs that also restrict coverage for abortion; and

**WHEREAS**, all women should have insurance coverage for comprehensive reproductive health care, including abortion care, to ensure that their economic status or the source of their insurance coverage does not affect important health care decisions or access; and

**WHEREAS**, millions of women nationally, and hundreds of thousands in Illinois and Cook County, are subject to these inequitable policies; and

**WHEREAS**, public health insurance should cover all of a woman's options when she is facing an unintended pregnancy, so that she is able to make a real decision about what is best for her and her family; and

**WHEREAS**, Cook County provides important support for many women to ensure that they have access to comprehensive reproductive health care, including abortion, but regardless of the resources dedicated by Cook County, bans on coverage for abortion continue to harm many women; and

**WHEREAS**, it is imperative that funding of comprehensive reproductive health care be increased and that abortion be covered as part of comprehensive reproductive health care in all public insurance programs to ensure that services are accessible for women who are enrolled in such programs.

**NOW, THEREFORE, BE IT RESOLVED**, that the President and members of the Board of Commissioners of Cook County call upon Federal and State elected officials to maintain the protections established by *Roe v. Wade* for access to comprehensive reproductive health care and undo restrictions that have been placed on those protections; and

**BE IT FURTHER RESOLVED**, that the President and members of the Board of Commissioners of Cook County call for increased Federal and State funding for comprehensive reproductive health care and to reinstate coverage for abortion services for women enrolled in public insurance programs.

**Summary:** Amend the authorized amount for the below contracts awarded for the Countywide Job Order Contract (JOC) Program. JOC is a quantity based procurement process that allows facility owners to complete a multitude of repair/maintenance and construction project with a single, competitively bid contract. The JOC process involved first selecting a vendor pool of potential contractors through a competitive procurement process, and identifying projects for such selected vendors. The contractors were found to be the lowest, responsive and responsible bidder through a competitive bid process in accordance with the Cook County Procurement Code.

On 3/20/2013, The Board of Commissioners approved contracts with the selected contractors listed below for the Countywide Job Order Contracting (JOC) Program. The contracts are a two (2) year base term with two (2) one-year renewal options from the date of execution, 3/20/2013 to 3/19/2015.

The Department of Capital Planning and Policy, the Department of Facilities Management, the Department of Transportation and Highways, and the Office of the Chief Procurement Officer request authorization to renew one (1) one-year renewal options from the date of execution; 3/19/2015 to 3/19/2016; and authorize an increase to the JOC Contractors contract authority by \$12,000,000.00.

The County is under no obligation to expend the amount requested, and is only obligated to pay JOC contractors when the construction work is procured through the JOC program. The amendment will allow the County to extend the utilization of JOC contracts to facilitate all departments’ upcoming projects through the base contract period with a one (1) one-year renewal option.

**WHEREAS**, the municipality states the Class 6b is necessary for development to occur on this specific real estate. The municipal Resolution cites the qualifications of this property to meet the definition of abandoned with special circumstances; and

**Summary:** On 2/5/2013, the Cook County Board of Commissioners authorized a contract for the Cook County Juvenile Detention Reduction Project (DRP) under the auspices of the Circuit Court of Cook County's Juvenile Probation and Court Services Department. The target population is court-involved minors who may be in jeopardy of an imminent referral to the Juvenile Temporary Detention Center due to non-compliance with court order/orders.

The DRP augments the court's nationally recognized Juvenile Detention Alternatives Initiative in expanding the continuum of community-based services used by judges and probation officers to keep at-risk minors in their communities and engaged in pro-social interventions in lieu of detention. The contract provides a wide range of respite care, including educational, therapeutic and recreational programming, emergency shelter beds and expedited access to clinical services, which respond to the needs of the juveniles who are referred to participate in this program. Since the beginning of the program, more than 2,500 minors have received DRP services. In addition, the contract has provided more than 1,000 bed-days of community housing as an alternative to detention.

This contract was extended with the approval of the Cook County Board in 2014; this increase and extension request represents the final extension option identified in the original contract.

**PROPOSED TRANSFER OF FUNDS**

**Department:** Clerk of the Circuit Court

**Request:** Transfer of Funds

**Reason:** The transfer of funds is needed to extend contract for Professional Services of three I.T. programmers for Mainframe and .Net programming to assist with electronic filing, imaging operations and the implementation of the Standard File Room Operating Procedures (SFROP) Project.

**From Account(s):** 335-240, \$83,200.00

**To Account(s):** 335-260, \$83,200.00

**Total Amount of Transfer:** \$83,200.00

**On what date did it become apparent that the receiving account would require an infusion of funds in order to meet current obligations? What was the balance in the account on that date, and what was the balance 30 days prior to that date?**

1/30/2015, \$0.00, \$0.00

**How was the account used for the source of transferred funds identified? List any other accounts that were also considered (but not used) as the source of the transferred funds.**

Account 335-240, Printing and Publishing, was identified as the source of transfer of funds for the purchase of Personal Issue Traffic Tickets for the City of Chicago and Suburban Traffic Tickets. The placement of a supplemental order of tickets in 2014 with FY 2014 funds while awaiting the bid and award of a new traffic ticket contract, reduced the need for a larger order of tickets in 2015. Therefore, as a result of the supplemental order of tickets, we anticipate purchasing a reduced quantity of additional tickets in FY 2015.

**Identify any projects, purchases, programs, contracts, or other obligations that will be deferred, delayed, or canceled as a result of the reduction in available spending authority that will result in the account that funds are transferred from.**

None

**If the answer to the above question is “none” then please explain why this account was originally budgeted in a manner that caused an unobligated surplus to develop at this point in the fiscal year.**

As a result of supplemental tickets ordered in 2014, we anticipate that an additional FY 2015 order for traffic tickets will be less than previously anticipated, hence the availability of funds in Account 335-240 for a transfer.

**ORDINANCE AMENDING CHAPTER 46 OF THE COOK COUNTY CODE OF ORDINANCES  
CONCERNING "LAW ENFORCEMENT" BY ADDING A NEW SECTION 46-38  
PROHIBITING THE USE OF CHOKE HOLDS BY  
COOK COUNTY LAW ENFORCEMENT OFFICERS**

**WHEREAS**, the County of Cook is a Home Rule Unit of Government pursuant to the 1970 Illinois Constitution, Article VII, Section 6; and

**WHEREAS**, pursuant to its home rule power the County of Cook may exercise any power and perform any function relating to its government and affairs, including the power to regulate for the protection of the public health, safety, morals and welfare; and

**WHEREAS**, Cook County Police Officers and those public servants under the direction of the Cook County Sheriff strive to maintain a courteous and professional demeanor when dealing with the public, in addition to and including individuals detained in Cook County Jail and the Juvenile Temporary Detention Center; and

**WHEREAS**, the Cook County Sheriff trains his officers to select the appropriate level of force based on a subject's actions, and to modify their selection of options as the subject offers less or greater resistance; and

**WHEREAS**, choke holds are largely ineffective and create the potential for a subject to panic and react with greater resistance than he or she otherwise might deploy during an officer restraint; and

**WHEREAS**, the children in the Juvenile Temporary Detention Center, due to their ages, are not as likely to appreciate the consequences of impulsively resistant behavior in the same manner as an adult inmate; and

**WHEREAS**, the President and Board of Commissioners of Cook County intend to codify the Cook County Sheriff's commitment to a progressive and reasonable escalation and de-escalation of officer-applied force into the County Codes and Ordinances, and further intend to expressly prohibit the use of choke holds by Cook County police officers as well as any private security personnel employed by Cook County.

**NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF COMMISSIONERS OF COOK COUNTY:**

Section 1. The above recitals are expressly incorporated herein and made part hereof as though fully set forth herein.

Section 2. Chapter 46-38 of the Cook County Code of Ordinances concerning “Law Enforcement” is hereby enacted as follows:

**Sec. 46-38 Policy on Use of Force- choke holds prohibited**

(a) Members of the Cook County Sheriff’s Department and Cook County police officers as well as any private security personnel employed by Cook County shall use an amount of force reasonably necessary based on the totality of the circumstances to perform a lawful task, effect an arrest, overcome resistance, control a subject or protect themselves or others from injury. Circumstances that may govern the reasonableness of using a particular force option include but are not limited to: (1) whether the subject poses an immediate threat to the safety of officers or others; and (2) whether the subject is actively resisting arrest or attempting to evade arrest by flight.

(b) After gaining control of a subject, members of the Cook County Sheriff’s Department and Cook County police officers as well as any private security personnel employed by Cook County shall:

- (1) Avoid sitting, kneeling or standing on a subject’s chest which may result in chest compression, thereby reducing the subject’s ability to breathe;
- (2) Position the subject in a manner to allow free breathing and whenever feasible, avoid placing the subject on his or her stomach;
- (3) Monitor an arrestee until transported to a secure location; and
- (4) Seek medical attention for an arrestee who has injuries or illnesses consistent with Sheriff’s Department Policy Directives.

(c) No Cook County Sheriff’s Department, Cook County police officer or private security personnel employed by Cook County shall apply a choke hold in the performance of his or her duties unless faced with a situation in which the use of deadly force is justified under applicable law. A choke hold shall include but is not limited to, any pressure to the throat or windpipe, which may prevent or hinder breathing or reduce intake of air.

(d) For purposes of this Section the following terms shall have the following meaning:

“*Police Officer*” means any person who by virtue of his or her public employment is vested by law with a duty to maintain public order or make arrests for offenses, whether that duty extends to all offenses or is limited to specific offenses.

“*Private Security Personnel*” means a person or persons acting in the capacity of his or her employment by a private contractor who engages in the business of providing a private security officer, watchman, patrol, guard dog, canine odor detection or a similar service by any other title or name on a contractual basis for another person, firm, corporation, or other entity for a fee or other consideration and performing one (1) or more of the following functions:

- (1) The prevention or detection of intrusion, entry, theft, vandalism, abuse, fire or trespass on Cook County governmental property or private property within jurisdiction of Cook County law enforcement;
- (2) The prevention, observation or detection of any unauthorized activity on Cook County governmental property or private property within jurisdiction of Cook County law enforcement;
- (3) The protection of persons authorized to be on the premises of the person, firm, or other entity for which the security contractor contractually provides security services;
- (4) The prevention of the misappropriation of the concealment of goods, money, stocks, bonds, notes, documents or papers;
- (5) The control, regulation, or direction of the movement of the public for the time specifically required for the protection of the property owned or controlled by the client; and
- (6) The protection of individuals from bodily harm or death (body guard functions).

**Effective date:** This Ordinance shall be in effect immediately upon adoption.
