**The Cook County Board of Ethics responded to my complaint with the following letter. According to their own rules, they did not respond as the timeline allows. Hypocrites when it comes to following rules.**

**As you will see in my evidence presented after the CCBOE response, it doesn't appear that any investigative effort was put forth by the Board of Ethics.**

**Board of Ethics Board Member Marcus Salone is a long-time contributor to the election coffers of Cook County Board of Review Commissioner Larry Rogers, Jr. As a former Cook County judge, he should know to recuse himself from any matters involving the Board of Review, including employee matters.**

**Mr. Allen Manuel has gathered 1,000's petition signatures for current Cook County Board Commissioners, Board of Review Commissioners, and others over thr years. Any Cook County Board Commissioner that has utilized Mr. Manuel as a signature gatherer should recuse themselves from any matters that pertain to the Board of Review.**

RE: **Administrative Concerns with Cook County Board of Review ("CCBR")**

Dear Mr. Thielmann:

Thank you for contacting the Cook County Board of Ethics ("Board"). This letter is sent in response to your December 20, 2023, email in which you alleged Cook County Board of Review Clerk, Allan Manual failed to disclose his political consulting income on his 2022 SEI Form.

Based on the information available we do not have reasonable cause to initiate an investigation at this time.

No further action is required, and Board staff considers this matter closed. We thank you for your conscientiousness in reporting. Please do not hesitate to contact us should you receive additional information.

Sincerely,

Jennifer King  
Director  
Cook County Board of Ethics

**Allen Manuel has collected over \$230,000 as a political consultant with many instances of collecting fees from the Commissioner of the Board of Review, his supervisor, Larry Roger, Jr.**

**He lied on his Statement of Economic Interest that was filed in 2023 covering 2022. I doubt he was truthful on previous SEI's as well. Mr. Manuel has used County property as his address of record for his outside work which is concerning.**
