Cook County Board President
President Toni Preckwinkle,

Suburban municipalities across Cook County have faced challenges in response to the COVID-19 pandemic and even with those challenges the Village of Posen has remained steadfast and dedicated to the safety of our communities.

Though the pandemic response, the operations of [the village of blank] did not cease or shutdown; our offices adapted to the challenges of serving our communities. In seeing the needs arise from our response, President Preckwinkle and her team put together a comprehensive and equitable process to distribute the Coronavirus Aid, Relief, and Economic Security (CARES) Act money to underlying municipalities from the federal government.

On behalf of the Village of Posen, I would like to thank President Preckwinkle and Cook County government for their diligent work in establishing a funding formula to provide the municipalities most effected by COVID-19.

The Village of Posen will receive \$516,665.00 which will allow for reimbursing of any direct COVID related costs like PPE purchases and other operational initiatives to facilitate return to work arrangements your communities. This will be a great relief to our Village and how we serve our residents.

We are thankful for the partnership with Cook County in fighting the impact of COVID-19 in our village.
