Dear Ms. Roque,

Congratulations!

I am writing to inform you of recent Adult Redeploy Illinois (ARI) Oversight Board action concerning SFY27 ARI funding in response to Notice of Funding Opportunity (NOFO) #2115-0326. At its June 10, 2026, meeting, the Oversight Board designated up to **\$766,649** for Circuit Court of Cook County (Grant #192740) to implement the Adult Redeploy Illinois (ARI) program, subject to fiscal and legal review for allowability, necessity, and reasonableness. The period of performance for SFY27 grants is July 1, 2026, through June 30, 2027.

We are currently processing the materials submitted earlier to execute the SFY27 grant agreement. Additional information may be required during the review process. The award of funds for this program is contingent upon the completion of all required documents and execution of the grant agreement.

If you have any questions regarding this designation, please feel free to email me at Cortisa.Evans@Illinois.gov. We look forward to working with you on this program.

Sincerely,

Cortisa Evans
