**STATEMENT OF INTEREST IN SERVING  
NORTH SHORE MOSQUITO ABATEMENT DISTRICT BOARD OF TRUSTEES**

I am a long time resident of Morton Grove, Illinois. When I came to this village, Daniel Scanlon was an outgoing and vigorous mayor. I remember his enthusiasm and commitment to our community. Some years ago both Mayor and Mrs. Scanlon contracted West Niles Virus. Mrs. Scanlon subsequently passed away and the wonderful mayor that we had was reduced to a wheel chair and forced, due to his medical condition, to leave the office of Mayor and has since passed away.

The problem of West Niles Virus and the mosquitos that carry the disease was very much reinforced for me at that time. As Administrator and Deputy Clerk at Niles Township Government, an active member of St. Martha's Parish and a concerned grandparent of triplets, I would very much like to be considered for the position of Trustee for the North Shore Mosquito Abatement Board to protect and assist our community in any way that I can.

I thank you for your consideration for the position of Trustee to the Abatement Board.

Yours truly,

Kathleen E. Kendrick
