COLLECTIVE BARGAINING AGREEMENT

This Collective Bargaining Agreement is made and entered into by and between Service Employees International Union, Local 20, CTW/CLC, hereinafter referred to as the "Union" and the County of Cook, hereinafter referred to as the "County".

ARTICLE I

RECOGNITION

Section 1. Representation.

The County recognizes the Union as the sole and exclusive representative for full-time generalist attending physicians ("Doctors") employed by the County of Cook who normally spend a majority of their clinical time providing direct patient care in internal medicine, family practice, and pediatrics current in the County's Ambulatory and Community Health Network ("ACHN") clinics and such regular part-time Doctors who normally work at least 20 hours per week at the County of Cook's ACHN clinics, and all regular full-time and regular part-time Doctors and dentists employed by the County of Cook who normally spend a majority of their work week at Oak Forest Health Center/Hospital, but excluding: all other full-time and part-time doctors employed by the County of Cook's Bureau of Health at ACHN clinics or other facilities; the chief medical officers, clinic lead physicians, all voluntary, visiting, and contract physicians; all supervisory, managerial, and confidential employees as defined by the Act; and all elected officials of the County of Cook.

Section 2. Dues and Committee on Political Education ("COPE") Check-off.

With respect to any employee in the bargaining unit from whom the County receives individual written authorization, signed by the employee, in a form agreed upon by the Union and the County, the County shall deduct from the wages of the employee the dues and initiation fee required as a condition of membership and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made. The amounts deducted shall be set by the Union. The County shall provide a voluntary payroll deduction to the Union's COPE upon receipt of a written authorization from employees. Such deduction shall be remitted in a separate check on a monthly basis to the Union or COPE, as specified in writing by the Union.

Section 3. Indemnification.

The Union shall indemnify and hold the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the county for the purpose of complying with any provision of this Agreement. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

ARTICLE II

DECLARATION OF RIGHTS

Section 1. County Authority and Rights.

The Union recognizes that the County has the full authority and responsibility for directing its operation and determining policy. The County reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by State and Federal statutes and Constitutions, and to adopt and apply all reasonable rules, regulations and policies as it may deem necessary to carry out its statutory and constitutional responsibilities. The County's rights shall be limited only by the specific and express terms of this Agreement. The County's rights include, but are not limited to:

- A. The exclusive right to determine its policies, standards of services and to operate and manage its affairs and to direct its work force in accordance with its responsibilities. The County has all the customary and usual rights, power and functions of management.
- B. The exclusive right to hire, transfer, and promote; and the exclusive right to discipline, suspend or discharge employees for just cause.
- C. The right to establish reasonable work rules, make work assignments, determine schedules of work, methods, processes and procedures by which work is to be performed, place, methods, means and number of personnel needed to carry out the County's responsibilities and duties; as well as the right to determine reasonable productivity, performance and evaluation standards.
- D. The right to change existing or introduce new methods, equipment or facilities and the right to contract for goods and services.
- E. The right to make, publish, enforce reasonable rules and regulations, and to revise same; and, the County has the right to reclassify existing positions based on assigned duties and responsibilities or make changes in assigned duties and responsibilities.
- F. The right to establish standards governing the standard of care to be rendered to patients.

ARTICLE III

HOURS OF WORK

Section 1. Normal Workweek.

The normal workweek will consist of up to fifty (50) hours per week, but as professionals in the health care industry, Doctors will work such hours as are necessary to fulfill their patient care responsibilities, as well as being on-call as needed, by rotation within their department.

When a Doctor is on-call, the Doctor is expected to be able to report within one hour of being called. Discipline for failing to do so will not be automatic, but will be based on all of the facts, including how late the Doctor is, the reason for the delay, and whether a pattern exists, and shall be subject to the disciplinary and grievance procedures.

Section 2. Breaks.

The work day normally will include a thirty (30) minute meal period and necessary breaks which Doctors may take at their discretion, consistent with their professional judgment and responsibility provided that there will not be a disruption in patient care.

Section 3. Flex-Time.

Flex time schedules may be granted by County, if there are legitimate and compelling personal reasons for the request and the flex time is consistent with the operational needs of the Clinic. Such requests for flex time shall not be unreasonably denied. Requests for flex time must be submitted by the employee at least two (2) weeks in advance. Flex time privileges may be cancelled or suspended by the County for legitimate operational reasons or due to misuse by the employee.

Section 4. Schedules.

Doctor schedules shall be posted for the upcoming month at least two weeks in advance of the beginning of the month, including the schedule for moonlighting, rounds, and holidays. Once posted, schedules shall not be changed unless two (2) weeks' notice is provided to the affected doctor, except when the change is necessitated by the immediate need to provide patient care or when Doctors voluntarily exchange days or agree to cover other hours in which case the agreement to the schedule change shall be placed in writing by the affected Doctors and a copy provided to the Department/ Division Chair and leadership at ACHN clinical area.

ARTICLE IV

GRIEVANCE PROCEDURE

Section 1. Definition.

A grievance is a difference between the Union and the County regarding the interpretation or application of provisions of this Agreement, but does not include decisions or actions regarding credentialing, appointment, reappointment or other discipline or other

decisions or actions issued or made pursuant to the processes set forth in the Medical Staff Bylaws. The Union will send copies of grievances appealed to or submitted at Steps Three or Four to the hospital COO/Designee.

Section 2. Grievance Procedure Steps.

The steps and times as provided in the County’s Grievance Procedure are as follows:

Step	Submission Time Limit This Step (Calendar Days)	Submitted	Time Limit Meeting	Response
1	30 days from the date the Grievant knew or should have known of the event(s) giving rise to the grievance	Immediate Supervisor	5 days	5 days
2	5 days	Hospital/CMO or Designee	5 days	10 days
3	10 days	Chief, Bureau of Human Resources/Hearing Officer	30 days (Status report to Union if exceeded)	30 days (Status report to Union if exceeded)
4	30 days	Impartial Third Party		30 days

When a grievance relates to all or a substantial number of employees, or the Union’s own interests, the grievance may be initiated by the Union at Step 2.

All grievances and associated responses must be submitted to Administrative Staff Services for date and time stamp, and log in procedures. The grievance and subsequent responses shall be distributed to the appropriate parties by Administrative Staff Services.

Section 3. Time Limits.

Time limits may be extended by mutual agreement in writing between the employee and/or the Union and the County. Neither the Union nor the County shall waive the established time limits unless by written, mutual agreement.

Section 4. Stewards.

The Union will advise the County in writing of the names of the stewards and shall notify the County promptly of any changes. Stewards will be permitted to handle and process grievances during their work hours provided that patient care will not be adversely affected. One steward will be released pursuant to this Section to handle any particular grievance. If there is a desire to train stewards or a grievance is of an unusual nature, the Union may request the release of one additional steward, and the Union’s request will not be unreasonably denied.

Up to two stewards shall be allowed to attend authorized meetings with Union representatives during normal hours without loss of pay, provided that at least 14 days’ advance notice of such meetings is given and that patient care will not be adversely impacted. Such

meetings shall be limited to a maximum of four per year per steward. Employees shall be allowed time off with pay to attend meetings agreed to by the Employer, required by the employer, or mandated by this Agreement.

Section 5. Union Representatives.

Duly authorized representatives of the Union will be permitted at reasonable times to enter the facilities for purposes of handling grievances or addressing other contract administration issues with Doctors or Hospital representatives. These representatives will be identified to the Hospital COO/Designee in a manner suitable to the County, and on each occasion will first secure the approval of the Hospital COO/Designee and CMO to enter the Hospital and conduct their business so as not to interfere with the operation of the facility. The Union will not abuse this privilege, and such right of entry shall at all times be subject to general Hospital rules that are applicable to non-employees.

Section 6. Impartial Arbitration.

If the Union is not satisfied with the Step 3 answer, within thirty (30) days after receipt of the Step 3 answer, it may submit in writing to the County notice that the Union is submitting the grievance to impartial arbitration. The Union and County will make arrangements with the arbitrator to hear and decide the grievance without unreasonable delay.

Expenses for the arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the County and the Union. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

The arbitrator shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. The issue or issues to be decided will be limited to those presented to the arbitrator in writing by the County and the Union. The arbitrator's decision must be based solely upon his interpretation of the meaning of this Agreement or application of the express relevant language of the Agreement. The decision of the arbitrator shall be final.

The arbitrator shall be selected on a rotating basis from the permanent panel agreed to by the parties regarding all of their mutual bargaining units. Either party shall have the authority to strike an arbitrator from the permanent panel at any time. The struck arbitrator will proceed on cases currently assigned, but will not receive any new case assignments. In the event that an arbitrator is struck from the panel, the parties shall meet as soon as possible to choose a mutually agreed upon replacement. Nothing herein shall prevent the parties, by mutual agreement, from selecting an arbitrator from outside the panel. Absent such mutual agreement, the arbitrator shall be selected from the panel in accordance with the above procedure.

Section 7. Right to Union Representation.

An employee shall be entitled to the presence of a Union representative at an investigatory interview if he/she requests one and if the employee has reasonable grounds to believe that the information obtained in the interview may be used to support disciplinary action against him/her.

ARTICLE V

CONTINUITY OF OPERATION

Section 1. No Strike.

The Union will not cause, and will not sanction in any way, any work stoppage, strike, picketing or slowdown of any kind or for any reason, or the honoring of any picket line or other curtailment, restriction or interference with any of the County's functions or operations; and no Doctor will cause or participate in any such activities during the term of this Agreement or any extension thereof.

Section 2. Union Responsibility.

Should any activity proscribed in Section 1 of this Article occur, which the Union has not sanctioned, the Union shall immediately:

- A. Publicly disavow such action by the Doctors or other persons involved;
- B. Advise the County in writing that such action has not been caused or sanctioned by the Union;
- C. Notify the Doctors stating that it disapproved of such action and instructing all Doctors to cease such action and return to work immediately; and
- D. Take such other steps as are reasonably appropriate to bring about observance of the provisions of this Article, including compliance with reasonable requests of the County to accomplish this end.

Section 3. Discharge of Violators.

The County shall have the right to discharge or otherwise discipline any or all Doctors who violate any of the provisions of this Article. In such event, the Doctor or Doctors, or the Union on their behalf, shall have no recourse to the grievance procedure, except for the sole purpose of determining whether a Doctor or Doctors participated in the action prohibited by this Article. If it is determined that a Doctor did so participate, the disciplinary action taken by the County may not be disturbed.

Section 4. No Lock-Out.

The County agrees that it will not lock out its Doctors during the term of this Agreement or any extension thereof.

ARTICLE VI
SENIORITY

Section 1. Probationary Period.

A Doctor's probationary period shall be six (6) months from his/her most recent date of hire at ACHN or at Oak Forest Health Center/Hospital. The Hospital may extend this probationary period for up to an additional six (6) months by written notice to the Doctor and to the Union. The Hospital shall meet with the Doctor to provide the reason for the extension, and the Doctor shall have the right to have a Union steward or representative present for that meeting. During the probationary period, a Doctor shall have no seniority, may be discharged for any lawful reason, and shall have no recall rights or recourse to the grievance procedure regarding any layoff, discipline or discharge. Upon completion of the probationary period, a Doctor's seniority shall be computed as the most recent date of hire. Any Doctor who has completed his or her probationary period as provided for in this section, and who then is transferred out of the bargaining unit to another position within Cook County Health and Hospitals System Board ("System") shall not serve an additional probationary period if he or she later transfers back into the unit.

If a Doctor who has completed his/her probationary period at another System Doctor bargaining unit is involuntarily transferred by the System to this Hospital, said Doctor will not have to go through the above probationary period. This exception shall not apply to a Doctor who joined this Hospital's staff as a result of applying for a vacant position that has arisen.

Section 2. Definition of Seniority.

Seniority is an employee's length of most recent continuous employment as a Doctor at the Bureau of Health since his/her last hiring date, with pro-rata adjustments based on hours worked for part-time employees.

Section 3. Return to Former Job.

An employee who has been promoted, transferred or recalled to another job within the represented unit or in accordance with the provisions of this Article, may be returned by County to the former job within a reasonable period, but not to exceed thirty (30) calendar days, without loss of seniority, if the employee does not demonstrate the ability to satisfactorily perform the job to which he/she was promoted, transferred, or recalled. An employee who has accepted another position within the Cook County Bureau of Health, whether or not within the bargaining unit, in accordance with the provisions of this Article, may ask to return to the former job within thirty (30) calendar days after commencing work in the new position without loss of seniority.

Section 4. Return to Represented Unit.

An employee who has been promoted or transferred out of the bargaining unit to another position within the Cook County Bureau of Health, and who is later transferred back to the unit, shall upon return to the unit be granted the seniority he/she would have had the employee continued to work in the bargaining unit.

Section 5. Discipline.

Doctors may only be disciplined for just cause and are entitled to Union representation in any disciplinary proceeding. A pre-disciplinary meeting for suspensions and discharges shall be held and the County shall make reasonable effort to accommodate the Union when scheduling such meetings. The County shall notify the Union and the employees of its intent to conduct a pre-disciplinary meeting, the reason for the meeting and the nature of the charge(s). During the pre-disciplinary meeting, the employee and/or the Union representative shall be given an opportunity to respond to the applicable charge(s). If the employee and/or the Union representative do not appear at the meeting, the County may proceed with the discipline, which shall be subject to the grievance procedure. Any verbal or written discipline less severe than a suspension shall not be used as the basis for the next step in progressive discipline if more than a year passes without the employee receiving additional discipline.

Section 6. Seniority List.

By the tenth calendar day of each month, the County will furnish the Union a seniority list showing the following information for each Doctor in the bargaining unit: First and Last Name; Date of Birth; Gender; Home Address; Home Phone Number; Work Phone Number; Work Email Address; Bargaining Unit; Department & Division (and Codes); Job Title (and Code); Classification; Work Site(s); Yearly Salary; Hourly Rate; Employment Status (*e.g.*, full-time, part-time, hourly per diem, per session, and etc.); Date of Hire; Union Membership Status (is the Doctor a member of the Union and paying union dues).

The list shall be on an Excel spreadsheet and delivered electronically. The County will furnish the Union with reports of new hires and terminations within thirty (30) days of the event.

Section 7. Termination of Seniority.

An employee's seniority and employment relationship with the County shall terminate upon occurrence of any of the following:

- A. Resignation or retirement;
- B. Discharge for just cause;
- C. Loss of clinical privileges at the Hospital or loss of appointment or reappointment to the Hospital Medical Staff pursuant to the procedures set forth in the Medical Staff Bylaws (not subject to the grievance and arbitration procedure);
- D. Absence for three consecutive work days without the employee notifying either his/her immediate supervisor or the Medical Director, unless the employee has an explanation that is satisfactory to the County which shall not act arbitrarily in applying this paragraph;

- E. Failure to report to work upon the termination of a leave of absence or vacation unless the employee has an explanation that is satisfactory to the County which shall not act arbitrarily in applying this paragraph;
- F. Absence from work because of layoff for twelve (12) months or for disability or approved leave of absence for twelve (12) months in the case of all non-probationary employees;
- G. Failure to notify the County within nine (9) calendar days of the employee's intent to report to work upon recall from layoff, or failure to report for work within fourteen (14) calendar days after notice to report for work is sent by certified mail to the employee's last address on file with County; or
- H. Engaging in gainful employment while on an authorized leave of absence, unless written permission to engage in such employment was granted in advance by the County.

ARTICLE VII

HOLIDAYS

Section 1. Regular Holidays.

All full-time Doctors shall receive eight (8) hours pay at their regular hourly rate for the holidays listed below. These holidays are not to be counted as part of an employee's vacation time. (Part-time Doctors regularly working at least twenty (20) hours per week shall receive holiday pay on a pro rata basis.)

New Year's Day	Columbus Day
Martin Luther King's Birthday	Labor Day
Lincoln's Birthday	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day (Fourth of July)	Christmas Day
President's Day	

Section 2. Working On Holidays.

Doctors who work on any of the holidays identified in Section 1 of Article VI shall receive a day off (with eight (8) hours of pay at their regular hourly rate) before the end of the fiscal year in which the Doctor worked the holiday.

Section 3. Floating Holiday.

In addition to the paid holidays in Section 1, Doctors also shall accrue one (1) floating holiday on December 1 of each year. The Doctor may request to use the floating holiday at any time and requests shall not be unreasonably denied. Any floating holiday that a Doctor has not used during the fiscal year shall be lost and not carried over. A Doctor required to work on a previously scheduled floating holiday shall receive another day off as described in Section 2.

ARTICLE VIII

VACATIONS

Section 1. Eligibility.

Vacation credit shall be earned for each month during which the employee is in an active pay status for eighty (80) hours. The amount of annual paid vacation is based upon the following schedule:

<u>Service</u>	<u>Vacation</u>	<u>Maximum Accrual</u>
1 Year	15 Days/120 hours	30 Days/240 hours
5 Years	20 Days/160 hours	40 Days/320 hours
10 Years	25 Days/200 hours	50 Days/400 hours

Doctors may use only such vacation leave as has been earned and accrued.

Section 2. Maximum Accrual.

Doctors may accumulate up to the maximum accrual amounts set forth in Section 1 based upon the Doctor's years of service.

Section 3. Vacation Preference and Scheduling.

In order to ensure the orderly operation of the Hospital and in the interests of patient care, the County reserves the right to limit the number of Doctors within a department or team who will be permitted to be on vacation at any one time. The County, through the Department Chair in consultation with the Medical Director, further reserves the right to limit the number of consecutive vacation days, if it determines that patient care will be adversely affected by the Doctor's continued absence despite any alternative coverage which has been arranged. The County will consider the Doctor's personal circumstances when considering vacation requests. Doctors are to request routine vacation or conference time off at least 60 days in advance.

If more Doctors wish to be off at one time than may be allowed, the Doctors within the department or team first will be given an opportunity to resolve the issue. If they cannot do so, the Department Chair shall consult with the Doctors within the department or team to attempt to obtain a resolution. If they cannot resolve the matter, the Department Chair shall decide the issue based upon seniority and the fair distribution of prime vacation times among the Doctors. Emergency vacation requests will be granted if the County determines that patient care will not be adversely affected.

The County agrees that its determinations under the above two paragraphs will not be arbitrary or capricious.

Section 4. Accrued Benefits at Separation.

Upon termination of employment, the Doctor shall be paid for all accrued but unused vacation days through the last day worked and for any compensating day that the employee has

not taken for having worked a holiday that occurred before the termination of the employee's employment.

ARTICLE IX

REDUCTION IN WORKFORCE, LAYOFF, AND RECALL

Should the County find it necessary to decrease the number of Doctors working within a specialty, the County shall give written notice to the Union at least sixty (60) days prior to the effective date of the layoff of the Doctors. During that interim period, if, within five (5) business days after receiving written notice of a layoff, the Union provides the Employer with dates to meet, the County shall meet with the Union to discuss any alternatives to the layoff of any Doctor(s) but shall have no duty to bargain regarding its decision to lay off Doctors nor the impact of that decision on the bargaining unit or members of the bargaining unit. In determining the identity of Doctors who shall be laid off or recalled, the County shall base its decision on the Doctors' education, training, experience, skill, qualifications, credentials, productivity, and seniority. When all of these factors are equal the least senior Doctor shall be laid off, but will be allowed to interview for vacant positions for which he or she is qualified anywhere in the CCHHS system. Non-probationary employees who are laid off shall be subject to recall for twelve months. No vacancy should be filled by an external hire if there is a Doctor with recall rights who is qualified to fill that position. Doctors may refuse recall to a specialty other than that from which they were laid off.

Doctors on layoff status shall retain health and dental insurance coverage for a period of two (2) months following the month in which the effective date of the layoff occurs with the Employer paying the full premium, single or family as appropriate.

ARTICLE X

FILLING VACANCIES

Vacant positions shall be posted on the Cook County computerized application system (currently: Taleo). In determining who should fill a vacancy, the County shall consider the Doctor's education, training, experience, knowledge, skill, ability, qualifications, credentials, productivity, and seniority. The County agrees to interview all qualified applicants from the bargaining unit and to provide a written response to an applicant within 30 days after the application process closes.

ARTICLE XI

COMPENSATION

Section 1. Pay Increase.

Effective upon ratification of this Agreement by both parties, all bargaining unit employees shall receive a \$1200 one-time lump sum bonus.

The salary grades and steps applicable to the above listed bargaining unit shall be increased as follows during the terms of this Agreement:

- Effective the first full pay period on or after 9/1/2019: 2.00%
- Effective the first full pay period on or after 9/1/2020: 2.00%

Section 2. New Classification.

If the County establishes new classifications, it will notify the Union and offer the Union an opportunity to discuss the new classification and pay rate. After the County has provided this opportunity, it may assign a pay rate. If the Union believes that the rate is unreasonable, it may grieve the reasonableness of the rate.

Section 3. Promotion, Reclassification and Demotion.

Promotions — Doctors promoted to a higher labor grade will proceed to the lowest step of the new grade that provides them with a pay rate increase.

Reclassifications — A Doctor whose position is reclassified to a higher labor grade shall be placed on the step that is closest to, but at least as high as, the Doctor's current pay rate. A Doctor whose position is reclassified to a lower labor grade shall not receive a pay rate cut, but will be placed in the step that is closest to the Doctor's pay rate prior to the reclassification. If the Doctor's pay rate is above the top step of the new labor grade, the Doctor shall not receive pay increases until the top step of the new labor grade exceeds that pay rate.

Demotions — A Doctor who is demoted to a lower labor grade shall be placed in the same step in the lower grade.

In Promotions, Reclassifications and Demotions, the anniversary date for future step movement shall be the effective date of the Promotion, Reclassification or Demotion.

Section 4. Entry Rate.

The minimum salary rates shall be as follows:

- A. Attending Physicians: K6 or its equivalent K542
- B. Dentists: K4 or its equivalent K507
- C. Psychologists: K2 or its equivalent K442

Section 5. Part-Time Employees.

Part-time employees who are regularly employed for twenty (20) or more hours per week shall be entitled to vacations, sick pay, holidays, hospitalization insurance, life insurance, jury pay, and bereavement pay on a pro rata basis.

The extent to which part-time employees are entitled to disability and pension benefits is governed by the provisions of the Cook County Employees Pension Plan.

Section 6. Extra Duty Pay.

When Doctors work extra hours because they are approved to perform work outside of their normal responsibilities, they shall be paid the greater of what they are currently paid for extra duty pay or \$125 per hour.

The Employer will distribute extra duty pay work equitably among Doctors who volunteer for it and are qualified to perform the duties.

Section 7. Newly Certified Positions.

Upon notification from the Union to the Employer and the Cook County Bureau Chief of Human Resources and the Cook County Health and Hospitals System Chief of Human Resources in the event a new classification is placed in the bargaining unit for any reason, the County and the Union agree to meet and bargain the terms and conditions of employment for that new classification, including rates of pay, work rules, etc., within thirty (30) days of their inclusion in the bargaining unit. The County may put the new and changed job classifications or duties into effect after timely notice to the Union, and discuss and set terms and conditions of employment, including rates of pay with the Union, using the duties and responsibilities, qualifications, and grade levels of the existing classifications as a guide for determining the new rate. If the parties are unable to agree on the rate of pay, the County may put a rate into effect, and the Union, thereafter, may submit any dispute to the grievance procedure.

Section 8. Additional Step Added to Schedule VI/Grade K04.

Section 8. Retention of Benefits.

An employee on any unpaid leave of absence other than FMLA will be required to pay the cost of the insurance benefits in order to keep these benefits in full force and effect during the period of leave. Section 7. Physician's Statement.

An employee who has been off duty for five (5) consecutive days or more for any health reason will be required to provide a physician's statement as proof of illness, and may be required to undergo examination by the County's physician before returning to work.

For health-related absences of less than five (5) consecutive days, a physician's statement or proof of illness will not be required except when the County has a reasonable basis to suspect that the individual did not have a valid health reason for the absence. If indicated by the nature of a health-related absence, examination by the County's physician may be required to make sure that the employee is physically fit for return to work.

The County will advise the Union in writing at least five (5) months in advance when such changes are contemplated and will discuss such contemplated changes with the Union, pursuant to the Illinois Public Labor Relations Act of 1984. The County will work with the union in making every reasonable effort to place adversely affected employees into other bargaining unit positions.

Section 13. Recording/GPS/AVL Devices.

SIDE LETTER

The parties agree that the changes that were made to the Recognition Language of any Doctors Council SEIU Collective Bargaining Agreements in the recently concluded negotiations were only to clarify which unit employees shall be within and not to exclude any bargaining unit employee or position from any of the bargaining units.

Side Letter

The Employer and the Union agree to explore the possibility of developing a new pay schedule for all bargaining units represented by the Union through negotiation and by mutual agreement.

The development and implementation of a new pay schedule shall be contingent on a review and amendment of all job titles. The Employer will provide a quarterly report on its progress on the review and amendment of job titles. Upon receipt of the quarterly update, the Union has thirty (30) days to provide any comments, questions, or concerns in writing to the Employer. Those comments, questions, and concerns will be addressed by the Employer in the following quarterly update.

A single pay schedule for all bargaining unit employees is the shared goal of the Employer and the Union. Any final pay schedule shall be negotiated and mutually agreed upon by the Employer and the Union. Any final pay schedule shall not decrease the current salaries of any bargaining unit employees.

The Union reserves all legal rights. By entering this agreement, the Union does not withdraw its current equity adjustment proposals. By entering this agreement, the Union does waive its rights to negotiate wages and/or terms and conditions of employment in the administration of the existing collective bargaining agreement.
