## II. Demonstrable Risk.

The Cook County Department of Human Rights and Ethics (DHRE) was unable to discover or develop information on any denials of housing based upon demonstrable risk to personal safety/property of others pursuant to Cook County Ordinance 42-38(e)(2)(b) and 42-34(e)(9). DHRE received 27 Just Housing complaints during FYTD 2021 and 5 over FY2020.<sup>1</sup> These cases do not provide enough data to develop meaningful conclusions on this issue. This position is supported also by the Just Housing Initiative Coalition, which is a group of advocates, attorneys, and community members dedicated to the implementation and enforcement of the Cook County Just Housing Amendment (JHA). The Coalition and DHRE contributes the lack of complaints to an atypical slow housing market due to the pandemic, as well as a lack of community and education regarding the JHA. DHRE has disseminated a survey to housing community and real estate groups, among others, in an attempt to discover and develop information on demonstrable risk. The survey will close at the end of October 2021 and an analysis will be undertaken to establish any reportable information.

<sup>1</sup> The Just Housing Amendment did not go into effect until February 1, 2020.
