Data Views:

- **Race alone** – those declaring more than one race occupy the Pop XX column
- **Combo** – those declaring more than one race occupy all of the declared categories Therefore the sum across columns will be more than 100%.
- **OMB** – The federal Office of Management and Budget established a procedure whereby people declaring more than one race are listed by the largest minority group for a given jurisdiction (i.e., Cook County). The result is that the sum of percentages across columns may be less than 100%.
- All displayed tables pull out Latinos/Hispanics from individual races. Staff data sets not displayed in this briefing book also include tabulations that do not separate Latinos/Hispanics from any of the race groups. For purposes of redistricting, Latinos/Hispanics constitute a protected minority and therefore we use only data that separate Latinos/Hispanics from race groups.
