PROPOSED ORDINANCE AMENDMENT

CLASS L INCENTIVE RENEWAL

BE IT ORDAINED, by the Cook County Board of Commissioners, that Chapter 74 Taxation, Article II Real Property Taxation, Section 74-63 (17) of the Cook County Code is hereby amended as Follows:

Sec. 74-63. Assessment classes.

(17) *Class L.* Real estate which is to be used for commercial or industrial purposes and which is designated as Class 3, Class 4, Class 5a or Class 5b pursuant to this Division; is a landmark or contributing building; and has undergone substantial rehabilitation. The substantial rehabilitation must constitute an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year

prior to the commencement of the substantial rehabilitation.

a. Generally, the incentive shall apply only to the building and will not apply to the land underneath the building. However, if the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall also be eligible for the incentive.

b. Prior to filing a Class L eligibility application with the Assessor, an applicant must obtain an Ordinance or Resolution from the unit of local government in which the real estate is located, which expressly states that the local government:

1. Has determined that the incentive provided by Class L is necessary for the substantial rehabilitation of the property;
2. Supports and consents to the granting of the incentive; and
3. Has reviewed and accepted its preservation commission's written recommendation of the project for the Class L incentive. This recommendation will specify the project's budget and proposed scope of work and will specify that the project will meet or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties.
4. In addition, the Ordinance or Resolution shall:
 - i. Describe the redevelopment objective of the municipality;
 - ii. State the applicant's intended use of the property; and
 - iii. State that an Economic Disclosure Statement, as defined in this Division, was received and filed by the municipality or County Board, as the case may be.

c. A certified copy of the Ordinance or Resolution need not be filed with the Assessor at the time the Class L eligibility application is filed but the Ordinance or Resolution must be filed with the Assessor no later than the date an assessment appeal is filed to request the class change to Class L.

d. If the Ordinance or Resolution is not filed at the time of the eligibility application is filed, the applicant shall instead, include the following items with the eligibility application:

1. A letter from the municipality or the County, as the case may be, confirming that a Resolution or Ordinance supporting the incentive has been requested; and
2. A copy of the preservation commission's recommendation of the project.

e. A copy of the Resolution or letter confirming that a Resolution has been requested, whichever is

filed with the application, will be forwarded by the Assessor's Office to the Secretary of the Board for distribution to the members of the County Board from the affected districts.

f. Additionally, to qualify a landmark building or contributing building for Class L classification, an eligibility application must be made to the Assessor within one year prior to the commencement of substantial rehabilitation. After the substantial rehabilitation has been completed, the preservation commission shall review the project to determine that it is eligible under Subsection (14) of this Section. The applicant must supplement the eligibility application with a copy of the determination of the preservation commission prior to classification of the real estate as Class L.

g. The initial Class L classification shall continue for a period of 12 years from the date such substantial rehabilitation was completed and initially assessed.

h. For properties classified as Class 3, 4, 5a and 5b, this incentive may be renewed as follows:

1. For property which was initially classified as Class 3, 4 or 5b, this incentive may be renewed during the last year a property is entitled to a ~~16-10-~~percent assessment level, if the following requirements are met:
 - ~~1-~~ i. The taxpayer notifies the Assessor's Office of the taxpayer's intent to request renewal of the incentive from the municipality, or the County Board if the real estate is located in an unincorporated area;
 - ~~2-~~ ii. The municipality in which the real estate is located or the County Board, if the real estate is located in an unincorporated area, adopts a resolution expressly stating that the municipality or County Board, as the case may be, has determined that the industrial use of the property is necessary and beneficial to the local economy, and supports and consents to renewal of the Class L; and
 - ~~3-~~ iii. A copy of that Resolution and a completed renewal application are filed with the Office of the Assessor before the expiration of the incentive period. The number of renewal periods is not limited as long as the property continues to apply and qualify for Class L. The notice of intent to request renewal which is filed with the Assessor's Office will be forwarded by the Assessor's Office to the Secretary of the County Board for distribution to members of the County Board from the affected districts.
2. Effective November 20, 2025, for property, which was initially classified as Class 5a, this incentive may be renewed during the last year a property is entitled to a 10 -percent assessment level, if the following requirements are met:
 - i. The taxpayer notifies the Assessor's Office of the taxpayer's intent to request renewal of the incentive from the municipality, or the County Board if the real estate is located in an unincorporated area;

ii. The municipality in which the real estate is located or the County Board, if the real estate is located in an unincorporated area, adopts a resolution expressly stating that the municipality or County Board, as the case may be, has determined that the commercial use of the property is necessary and beneficial to the local economy, that without such designation the property would not be economically viable causing the property to be in imminent risk of becoming vacant and unused, and supports and consents to renewal of the Class L; and

iii. A copy of that Resolution, completed renewal application and documentation from the taxpayer and/or commercial enterprise occupying said property supporting a determination that receipt of the Class L incentive is necessary for the commercial enterprise to continue operations at its current location and maintain its staff, and that without such designation the commercial enterprise would not be economically viable causing the property to be in imminent risk of becoming vacant and unused are filed with the Office of the Assessor before the expiration of the incentive period. The number of renewal periods is not limited as long as the property continues to apply and qualify for Class L. The notice of intent to request renewal which is filed with the Assessor's Office will be forwarded by the Assessor's Office to the Secretary of the County Board for distribution to members of the County Board from the affected districts.

i. If, as of November 23, 1999, a property is receiving Class L treatment, but the assessment level is higher than 16 percent, that taxpayer may apply for renewal as outlined above and receive a 16 -percent assessment level for the prescribed period beginning after the filing and approval of the Resolution and renewal application. However, if as of the effective date, the taxpayer's assessment is higher than 16 percent and the taxpayer is granted a renewal of the incentive for subsequent years, no reduction of the current assessment level based on renewal of the incentive will be granted. If no renewal is obtained, the incentive shall be phased out over the next two years, pursuant to Section 74-64. After expiration of the last incentive period, the real estate shall revert to the applicable classification under this Division.

j. For ~~commercial~~ properties receiving the Class L incentive, once the original 12-year incentive period has expired, the commercial Class L incentive will expire; however, -~~the incentive classification will~~ be subject to renewal subject to subsection (h).

k. The Assessor shall adopt rules consistent with the foregoing necessary to ensure proper review of all factors relevant to determine initial and continued eligibility for the benefits provided under Class L.

l. The Assessor shall provide by rule for the filing of triennial reassessment reports by all Class L recipients as to the continued landmark status of the property and the number of persons employed at the Class L site. Failure to file such reports within the time established by the Assessor's rules may result in loss of the incentive for the period relating to the non-filing.

m. The Assessor shall provide the Chairman of the Business and Economic Development Committee

of the Cook County Board, annually on or before December 1, a report of each Class L that was designated in the prior year. Such report shall consist of the address of the Class L designated

property, the date such designation was granted, the amount of property taxes that were not assessed each year during which the Class L incentive was in effect for such property, and if provided by the applicant, the aggregate amount of the investment in the project and the number of jobs generated in connection with such project.

Effective date: This ordinance shall be in effect immediately upon adoption.
