

Michael V. Sullivan  
For Consideration as Trustee of the Weller Creek Drainage District  
June 7, 2016

Thank you for your consideration of my appointment to the Weller Creek Drainage District Board of Trustees.

I grew up in Mt. Prospect, not far from the banks of the mighty Weller, and have raised my own family there as well. I was asked by a current trustee, whom I have known for many years, to consider filling an opening on the small Drainage District so its business can go forward, and I am happy to perform my civic duty in this way.

I have no previous civic or political experience beyond voting, which is important, and taxpaying, which is considerable. I have been a self-employed executive search consultant for 25 years and was previously a recruiter for major employers in Chicago. I also occasionally fill in as a substitute high school teacher in the northwest suburbs, usually in Social Studies, English, and Physical Education.

I appreciate your consideration of my appointment to the Weller Creek Drainage District. With your concurrence, I look forward to carrying out the duties of a trustee.
