PROPOSED RESOLUTION

Sponsored by: JESÚS G. GARCÍA, and JOHN P. DALEY, JOHN A. FRITCHEY AND JOAN PATRICIA MURPHY County Commissioners

New Item Agenda, Page 1, 13-1795:

Summary: This amendment ~~will provide~~ is a Solution that is an ongoing an automated system ~~solution~~ that will help the Assessor's Office identify individuals that are defrauding the system. The Solution makes it easy to submit batches of data with minimal basic input information. These batches are run against a vast collection of public and proprietary databases; over 585 million unique identities and over 40,000 disparate sources of public records data, giving the County visibility across jurisdictions, for up to 20 years of historic information, with nationwide visibility.

As part of the Office's Solution, LexisNexis provides access to the premier online investigative research solution, Accurant for Government, to assist with locating individuals and detecting potential fraud.

Unlimited use of the Accurant tool for 30 users.

Estimated fiscal impact for 2014 should not exceed \$1,300,000.00 for one (1) year and three optional one (1) year renewals.
