**Subject:** Proposed Ordinance- Paid Sick Pay

Commissioner Morrison & President Preckwinkle;

We ask that you not rush to vote for Commissioner Gainer's proposed Paid Sick Leave Ordinance tomorrow, September 14<sup>th</sup>. As a small business within Cook County, we offer many paid benefits to our full-time employees and the cost of many of these benefits, including health care is rising. Ordinances like this one that the City Of Chicago has passed does not help small business be competitive with area businesses outside Cook County. We would like to know that you support small business by opposing such an ordinance.

Respectfully,

*Jeff Jackson*
