PROPOSED TRANSFER OF FUNDS

Department: Cook County Board of Commissioners, 5th District - Commissioner Monica Gordon

Request: Approval of Transfer of Funds

Reason: Funding of Professional Services and Office Supplies

From Account(s): 11000 1085 13920 501006 - Sal/Wag of Reg Employees, \$15,000.00

To Account(s): 11000 1085 13920 520830 - Professional Services, \$14,000.00; 11000 1085 13920 520600 - Office Supplies, \$1,000.00

Total Amount of Transfer: \$15,000.00

On what date did it become apparent that the receiving account would require an infusion of funds in order to meet current obligations? What was the balance in the account on that date, and what was the balance 30 days prior to that date?

On November 1, 2023 it became apparent that we would not be utilizing the salaries and would continue to need contracted support staff to finish the fiscal year. Balance on Professional Services will be \$0 after paying invoices due October 1, 2023. Office Supplies line has been depleted.

How was the account used for the source of transferred funds identified? List any other accounts that were also considered (but not used) as the source of the transferred funds.

There are only 2 employees drawing salaries and 2 support contractors. Other accounts have already been used to supplement professional services and office supplies.

Identify any projects, purchases, programs, contracts, or other obligations that will be deferred, delayed, or canceled as a result of the reduction in available spending authority that will result in the account that funds are transferred from.

None

If the answer to the above question is “none” then please explain why this account was originally budgeted in a manner that caused an unobligated surplus to develop at this point in the fiscal year.

Salaries were budgeted for 4 employees, only 2 employees are currently drawing salaries.

A motion was made by Commissioner Lowry, seconded by Commissioner Britton, that the Transfer of Funds be approved. The vote of the yeas and nays being as follows:

On what date did it become apparent that the receiving account would require an infusion of funds in order to meet current obligations? What was the balance in the account on that date, and what was the balance 30 days prior to that date?

October 31, 2023. The account balance was \$8,000.00 for both accounts 30 days prior to October 31, 2023.

How was the account used for the source of transferred funds identified? List any other accounts that were also considered (but not used) as the source of the transferred funds.

**URGING THE U.S. CONGRESS TO PASS H.R.984/S.106, THE COMMITMENT TO VETERAN
SUPPORT AND OUTREACH ACT**

WHEREAS, veterans are fixtures in our communities and the sacrifices that our veterans in uniform make and their families who support them and sacrifice so much for our great country cannot be overstated; and

WHEREAS, many veterans and their families experience hardships during life after service. Some experience physical and mental health challenges, while others face challenges going back to civilian life altogether including difficulty obtaining employment and housing; and

WHEREAS, the number of veteran suicides nationwide continues to rise, and approximately 14 of the 20 veterans who die by suicide each day are not under Department of Veterans Affairs (VA) care; and

WHEREAS, the Cook County Board of Commissioners passed an important amendment to the 2024 County Budget, that as Chair of the Veterans Committee, I was proud to sponsor and that the full board supported as co-sponsors to provide \$2 million in funding to the Veterans Assistance Commission of Cook County (VACCC) to provide increased direct benefits to qualified Cook County Veterans and their families; and

WHEREAS, Cook County is home to the 3rd largest population of veterans in the country and said amendment will assist qualified veterans in need, but the demand is great; and

WHEREAS, one of the goals of the VACCC is to increase the number of County Veteran Service Officers (CVSO's) to assist our veterans in need; and

WHEREAS, CVSOs are local county employees who are nationally accredited by the VA to prepare, present, and prosecute U.S. Department of Veterans Affairs (VA) claims, and often are veteran's first point of contact in the community for accessing services; and

WHEREAS, CVSOs assist veterans in accessing a range of benefits, including service-connected benefits, enrollment in VA health care, VA home loans, education benefits and available job placement assistance among others; and

WHEREAS, CVSOs also assist family members and caregivers as they navigate the complex intergovernmental chain of veterans services and resources; and

WHEREAS, although CVSOs' primary focus is helping veterans navigate the federal benefits system, these officers are currently funded almost entirely by counties, which creates challenges for areas with high demand such as in Cook County; and

WHEREAS, despite their integral role in assisting veterans and their families and caregivers navigate federal benefits, there is currently no federal funding directly available for CVSOs; and

WHEREAS, earlier this year, the Commitment to Veteran Support and Outreach (CVSO) Act (H.R. 984/S. 106) was re-introduced in the 118th Congress by Reps. Mike Levin (D-Calif.), Chris Pappas (D-N.H.), Brad Finstad (R-Minn.) and Cathy McMorris Rodgers (R-Wash.) and Sens. Tammy Baldwin (D-Wis.) and Dan Sullivan (R-Alaska) and enjoys broad bi-partisan support in both chambers; and

WHEREAS, this legislation would offer federal funding for CVSOs for the first time, authorizing annual award grants of \$50 million over five years to expand and support CVSOs or similar local entities to assist veterans in obtaining over \$50 billion in benefits annually by awarding competitive grants to CVSOs via the state, to create, expand or support CVSOs and prioritizing areas with high rates of veteran suicide, Veteran Crisis Line referrals or CVSO shortages; and

WHEREAS, currently the CVSO Act is supported by the National Association of Counties (NACo), the National Association of County Veteran Service Officers (NACVSO), the National Association of State Directors of Veterans Affairs (NASDVA), the American Legion, the Disabled American Veterans (DAV), the Wounded Warrior Project (WWP), the Military Officer's Association of America (MOAA), the America's Warrior Partnership (AWP), and the American Foundation for Suicide Prevention (AFSP).

NOW, THEREFORE, BE IT RESOLVED, that the Cook County Board of Commissioners does hereby urge the United States Congress to pass The Commitment to Veteran Support and Outreach Act, which will greatly increase access to the federal benefits our veterans deserve; and

BE IT FURTHER RESOLVED, that a suitable copy of this Resolution be tendered to the Illinois' Congressional delegation, the House Speaker and Minority Leader, the Senate Majority Leader and Minority Leader, and the White House.

The Village of Hillside has agreed to restructure the access from Butterfield Road, and **Deterioration** - Hillside Lumber will pave its lot with asphalt. WORKFORCE, HOUSING AND COMMUNITY DEVELOPMENT COMMITTEE
MEETING OF NOVEMBER 14, 2023

Presented by: SUSAN CAMPBELL, Director, Department of Planning and Development, JOSINA MORITA, County Commissioner

PROPOSED HOME INVESTMENT PARTNERSHIPS PROGRAM

Department: Planning and Development

Other Part(ies): McGaw YMCA, Evanston,

Request: Respectfully requesting the Board consider approval of HOME Investment Partnership Program Funds in the amount of \$4,500,000.00 (30-year term, 0% interest rate, 1st position HOME loan) that will be used for the renovation of the 156-unit Single Room Occupancy YMCA residence located at 100 Grove, Evanston, IL.

Total Development Cost: \$17,636,000.00

Project Loan Amount: \$4,500,000.00

Fiscal Impact: \$4,500,000.00

Account(s): 11900-1013-53638-580170

Summary: McGaw YMCA has requested \$4,500,000 in Home Investment Partnership (HOME) funds for the rehabilitation of the existing historic YMCA residential facility in Evanston, IL. The loan has a thirty-year term, 0% permanent loan rate and is fully deferred until maturity. The rehabilitation funding will help update mechanical systems, create social spaces, renovate and privatize bath facilities and update residential units and furnishings, extending the life of 156 units for men transitioning to housing stability.

The renovation of the Men's residences will include upgrading the bathing facilities to include privatizing bathing areas, inclusion of social rooms at the residence levels, upgrade to the mechanical systems, remodeling and refurnishing the single room occupancy units, and introducing a new entry for the residences separate from the YMCA recreational facility.

The McGaw YMCA facility dates to 1929. YMCA consolidated operations at the subject location, 1000 Grove Street, in 1968 and began expanding services to support the long term needs of men transitioning through the YMCA. Generally, the YMCA became a transitional facility supporting Men who were transitioning to permanent housing opportunities versus long-term stay at the YMCA. Achieving permanent residency requires the men to identify personal obstacles and goals, set a plan and undertake a supportive services plan to gain economic, mental, and physical health to support. The McGaw YMCA has a unique operating philosophy under which the Men who reside there, pay for the domiciling, making the operations self-sufficient, limiting the need for housing vouchers or subsidies for the operations. McGaw initially leases each unit on a week-to-week basis. The McGaw Residence Program Team works with the residents to achieve employment by supporting resume development, wardrobe resources and interview preparation, while also working to achieve health resource, wellness programs, financial literacy, and access to public benefits where eligible. This comprehensive rebuilding and support of their

residents are key to the success and independence of the residents both while living at McGaw and upon transition to their permanent housing choices.

The subject request finances the renovation of the YMCA residential facility only and represents the first major renovation in the 95-year history of the residential building. The renovation is projected to start in Spring 2024, with a 14-month completion.

McGaw YMCA has completed a rehabilitation scope and construction drawings outlining \$14.1 million in Capital improvements, Resident and Program Space renovations, Furnishings and introduction of new lobby and circulation to the Residences.

McGaw has undertaken a Capital Campaign for a significant portion of the rehabilitation that will be finalized upon receipt of commitments including the subject that meet the investment floor requirement of its major donors. Other capital has been committed by the Federal Government, the City of Evanston, and initial donors to complete the capital requirements of the renovation. The County is only contributing approximately 24% of the development costs obtaining a 3:1 ratio on use of funds. Overall renovation is less than \$125K per residence which is considerably less than the cost to build new which comes in near \$300K per residence in like facilities, say PSH or affordable rental units.

A motion was made by Commissioner Gainer, seconded by Commissioner Miller, that the Home Investments Partnership Program be approved. The vote of the yeas and nays being as follows:

CONTRACT NEGOTIATIONS AND STRIKE**

WHEREAS, On the 15th of September 2023, the United Auto Workers (UAW) union began a historic workers' strike against the Big Three automobile companies in the United States - Ford, General Motors, and Stellantis; and

WHEREAS, The UAW is demanding that the Big Three eliminate the two-tier system for wages and benefits between newer and veteran employees, increase wages, restore the cost of living adjustment (COLA) metric, defined benefit pension for all workers, re-establish retiree medical benefits, right to strike over plant closures and a working family protection program that supports UAW members and their families in the event of one, end the abuse and over-reliance of temporary workers, more paid time off, and a significant increase in retiree pay; and

WHEREAS, The UAW stated that this labor strike is part of a larger effort for economic justice against the upper echelon of society, who have seen major financial gains the past couple of decades while working-class wages have stagnated; and

WHEREAS, The UAW is demanding a fairer share of the profits that auto workers generate, as executive pay has increased 40% during the life of the previous contract while worker pay has only increased by 6%; and

WHEREAS, UAW workers made large concessions during the 2007-2008 economic recession, which included the surrender of the COLA metric that left their wages vulnerable to inflation, to support the companies employing their members, and the current demands represent a long-overdue redressal of said concessions; and

WHEREAS, 4,600 workers with UAW Local 551 at the Chicago Ford Assembly plant at 12600 S. Torrence Avenue on the South Side of the City of Chicago in Cook County recently joined the strike. The plant produces the Ford Explorer, Lincoln Aviator SUV, and the Police Interceptor SUV - the nation's top-selling police vehicle; and

WHEREAS, according to the Chicago UAW Local 551, many workers have taken on second and third jobs to make a livable wage, negatively affecting the whole community. The community relies on the workers, and everything they do is fed back to the local community; since they do not get paid a living wage, they find it difficult to support their small businesses.

NOW, THEREFORE, BE IT RESOLVED, That we, the President of the Cook County Board of Commissioners and members of the Board of Commissioners, do hereby stand in solidarity with United Auto Workers in Cook County and across the country in their strike for a fair contract; and

BE IT FURTHER RESOLVED, That a suitable copy of this resolution be sent to the UAW International Headquarters and to UAW Local 551.

Approved and adopted this 16th of November 2023.

Sec. 42-3. Earned sick—Paid leave.

(a) ~~General Provisions. Purpose.~~

~~(1) Any Covered Employee who works at least 80 hours for an Employer within any 120 day period shall be eligible for Earned Sick Leave as provided under this Section. It is in the public policy interest of Cook County to have some paid leave from work to maintain their health and well-being, care for their families, or use for any other reason of their choosing.~~

~~(2) Unless an applicable collective bargaining agreement provides otherwise, upon a Covered Employee's termination, resignation, retirement or other separating from employment, his or her Employer is not~~

It is the intent of the Cook County Board of Commissioners by enacting this Division:

(a) To establish a minimum paid leave standard for all workers in Cook County.

(b) To provide employment security and economic security for employees who need to use paid time off from work for any reason.

(c) To safeguard the welfare, health, safety, and prosperity of the people of Cook County.

(d) To ensure that an Employee not be denied use of leave for noncompliance with leave notification policies if the Employer has not provided a written copy of its notification policy to the Employee.

In order to effectuate this intent, the provisions of this Division shall be liberally construed in favor of providing workers with the greatest amount of paid time off from work and employment security.

(3) Nothing in this Division shall be construed to discourage Employers from adopting or retaining paid sick leave, paid vacation, paid holidays, or any other paid time off or paid leave policy more generous than policies that comply with the requirements of this Division. Nothing in this Division shall be construed to discourage or prohibit an Employer from allowing the use of paid leave at an earlier date than this Division requires. Unless otherwise provided in a collective bargaining agreement, nothing in this Division shall be construed to waive or otherwise limit an Employee's right to final compensation for any type of leave promised to be paid under a contract of employment or employment policy and earned by the Employee pursuant to the Illinois Wage Payment and Collection Act.

(b) ~~Accrual of Earned Sick Leave. Provisions of Paid Leave.~~

~~(1) Earned Sick Leave shall begin to accrue either on the first calendar day after the commencement of a Covered Employee's employment or on the effective date of this Division, whichever is later.~~

~~(2) For every 40 hours worked after a Covered Employee's Earned Sick Leave begins to accrue, he or she shall accrue one hour of Earned Sick Leave. Earned Sick Leave shall accrue only in hourly increments; there shall be no fractional accruals.~~

- ~~(3) — A Covered Employee who is exempt from overtime requirements shall be assumed to work 40 hours in each workweek for purposes of Earned Sick Leave accrual, unless his or her normal work week is less than 40 hours, in which case Earned Sick Leave shall accrue based upon that normal work week.~~
- ~~(4) — For each Covered Employee, there shall be a cap of 40 hours Earned Sick Leave accrued per 12-month period, unless his or her Employer sets a higher limit. The 12-month period for a Covered Employee shall be calculated from the date he or she began to accrue Earned Sick Leave.~~
- ~~(5) — At the end of a Covered Employee's 12-month accrual period, he or she shall be allowed to carry over to the following 12-month period half of his or her unused accrued Earned Sick Leave, up to a maximum of 20 hours.~~
- ~~(6) — If an Employer is subject to the Family and Medical Leave Act, each of the Employer's Covered Employees shall be allowed, at the end of his or her 12-month Earned Sick Leave accrual period, to carry over up to 40 hours of his or her unused accrued Earned Sick Leave, in addition to the carryover allowed under subsection 42-3(b)(5), to use exclusively for Family and Medical Leave Act eligible purposes.~~
- ~~(7) — If an Employer has a policy that grants Covered Employees paid time off in an amount and a manner that meets the requirements for Earned Sick Leave under this Section, the Employer is not required to provide additional paid leave. If such Employer's policy awards the full complement of paid time off immediately upon date of eligibility, rather than using an accrual model, the Employer must award each Covered Employee 40 hours paid time off within one~~

~~calendar year of his or her date of eligibility.~~

~~(e) Use of Earned Sick Leave.~~

- ~~(1) — An Employer shall allow a Covered Employee to begin using Earned Sick Leave no later than on the 180th calendar day following the commencement of his or her employment. A Covered Employee is entitled to use no more than 40 hours of Earned Sick Leave per 12-month period, unless his or her Employer sets a higher limit. The 12-month period for a Covered Employee shall be calculated from the date he or she began to accrue Earned Sick Leave. If a Covered Employee carries over 40 hours of Family and Medical Leave Act leave pursuant to subsection 42-3(b)(6) and uses that leave, he or she is entitled to use no more than an additional 20 hours of accrued Earned Sick Leave in the same 12-month period, unless the Employer sets a higher limit. A Covered Employee shall be allowed to determine how much accrued Earned Sick Leave he or she needs to use, provided that his or her Employer may set a reasonable minimum increment requirement not to exceed four hours per day.~~
- ~~(2) — A Covered Employee may use Earned Sick Leave when:~~

- a. ~~He or she is ill or injured, or for the purpose of receiving medical care, treatment, diagnosis or preventative medical care;~~
 - b. ~~A member of his or her family is ill or injured, or to care for a family member receiving medical care, treatment, diagnosis or preventative medical care;~~
 - c. ~~He or she, or a member of his or her family, is the victim of domestic violence, as defined in Section 103 of the Illinois Domestic Violence Act of 1986, or is the victim of sexual violence or stalking as defined in Article 11, 12-7.3, 12-7.4, and 12-7.5 of the Illinois Criminal Code of 2012; or~~
 - d. ~~His or her place of business is closed by order of a public official due to a public health emergency, or he or she needs to care for a child whose school or place of care has been closed by order of a public official due to a public health emergency. For the purposes of this section, "public health emergency" is an event that is defined as such by a Federal, State or Local government, including a school district.~~
- (3) ~~An Employer shall not require, as a condition of a Covered Employee taking Earned Sick Leave that he or she search for or find a replacement worker to cover the hours during which he or she is on Earned Sick Leave.~~
- (4) ~~If a Covered Employee's need for Earned Sick Leave is reasonably foreseeable, an Employer may require up to seven days' notice before leave is taken. If the need for Earned Sick Leave is not reasonably foreseeable, an Employer may require a Covered Employee to give notice as soon as is practicable on the day the Covered Employee intends to take Earned Sick Leave by notifying the Employer via phone, e-mail, or text message. The Employer may set notification policy if the Employer has notified Covered Employee in writing of such policy and that policy shall not be unreasonably burdensome. For purposes of this subsection, needs that are "reasonably foreseeable" include, but are not limited to prescheduled appointments with health care providers for the Covered Employee or for a family member, and court dates in domestic violence cases. Any notice requirement imposed by an Employer pursuant to this subsection shall be waived in the event a Covered Employee is unable to give notice because he or she is unconscious, or otherwise medically incapacitated. If the leave is one that is covered under the Family and Medical Leave Act, notice shall be in accordance with the Family and Medical Leave Act.~~
- (5) ~~Where a Covered Employee is absent for more than three consecutive work days, his or her Employer may require certification that the use of Earned Sick Leave was authorized under subsection 42-3(c)(2). For time used pursuant to subsections (c)(2)(a) or (b), documentation signed by a licensed health care provider shall satisfy this requirement. An Employer shall not require that such documentation specify the nature of the Covered Employee's or the Covered Employee's family member's injury, illness, or condition, except as required by law. For Earned Sick Leave used pursuant to subsection (c)(2)(c) a police report, court document, a signed statement from an attorney, a member of the clergy, or a victim services advocate, or any other evidence that supports the Covered Employee's claim, including a written statement from him-~~

~~or her, or any other person who has knowledge of the circumstances, shall satisfy this requirement. The Covered Employee may choose which document to submit, and no more than one document shall be required if the Earned Sick Leave is related to the same incident of violence or the same perpetrator. The Employer shall not delay the commencement of Earned Sick Leave taken for one of the purposes in subsection 42-3(e)(2) nor delay payment of wages, on the basis that the Employer has not yet received the required certification.~~

~~(6) Nothing in this Section shall be construed to prohibit an Employer from taking disciplinary action, up to and including termination, against a Covered Employee who uses Earned Sick Leave for purposes other than those described in this Section.~~

~~(7) This Section provides minimum Earned Sick Leave requirements; it shall not be construed to affect the applicability of any other law, regulation, requirement, policy, or standard that provides for greater Earned Sick Leave benefits.~~

(a) An Employee who works in Cook County is entitled to earn and use up to a minimum of 40 hours of paid leave during a 12-month period or a pro rata number of hours of paid leave under the provisions of subsection (b) of this section. The paid leave may be used by the Employee for any purpose as long as the paid leave is taken in accordance with the provisions of this Division.

(b) Paid leave under this Division shall accrue at the rate of one hour of paid leave for every 40 hours worked up to a minimum of 40 hours of paid leave or such greater amount if the Employer provides more than 40 hours. Employees who are exempt from the overtime requirements of the

federal Fair Labor Standards Act (29 U.S.C. 213(a)(1)) shall be deemed to work 40 hours in each workweek for purposes of paid leave accrual unless their regular workweek is less than 40 hours, in which case paid leave accrues based on that regular workweek. Employees shall determine how much paid leave they need to use; however, Employers may set a reasonable minimum increment for the use of paid leave not to exceed 2 hours per day. If an Employee's scheduled workday is less than 2 hours day, the Employee's scheduled workday shall be used to determine the amount of paid leave.

(c) An Employer may make available the minimum number of hours of paid leave, subject to pro rata requirements provided in subsection (b), to an Employee on the first day of employment or the first day of the 12-month period. Employers that provide the minimum number of hours of paid leave to an Employee on the first day of employment or the first day of the 12-month period are not required to carryover paid leave from 12-month period to 12-month period and may require Employees to use all paid leave prior to the end of the benefit period or forfeit the unused paid leave. However, under no circumstances shall an Employee be credited with paid leave that is less than what the Employee would have accrued under subsections (a) and (g) of this Section.

(d) The 12-month period may be any consecutive 12-month period designated by the Employer in writing at the time of hire. Changes to the 12-month period may be made by the Employer if notice is given to Employees in writing prior to the change and the change does not reduce the eligible accrual rate and paid leave available to the Employee. If the Employer changes the designated 12-month

period, the Employer shall provide the Employee with documentation of the balance of hours worked, paid leave accrued and taken, and the remaining paid leave balance.

(e) Paid leave under this Act may be taken by an Employee for any reason of the Employee's choosing. An Employee is not required to provide an Employer a reason for the leave and may not be required to provide documentation or certification as proof or in support of the leave. An Employee may choose whether to use paid leave provided under this Division prior to using any other leave provided by the Employer or State law.

(f) Employees shall be paid their hourly rate of pay for paid leave. However, Employees engaged in an occupation in which gratuities or commissions have customarily and usually constituted and have been recognized as part of the remuneration for hire purposes shall be paid by their Employer at least the full minimum wage in the jurisdiction in which they are employed when paid leave is taken. This wage shall be treated as the Employee's regular rate of pay for purposes of this Division.

(g) Paid leave under this Division shall begin to accrue at the commencement of employment or on the effective date of this Act, whichever is later. Employees shall be entitled to begin using paid leave 90 days following commencement of their employment or 90 days following the effective date of this Division, whichever is later.

(h) Paid leave under this Division shall be provided upon the oral or written request of an Employee in accordance with the Employer's reasonable paid leave policy notification requirements which may include the following:

(1) If use of paid leave under this Division is foreseeable, the Employer may require the Employee to provide 7 calendar days' notice before the date the leave is to begin.

(2) If paid leave under this Division is not foreseeable, the Employee shall provide such notice as soon as is practicable after the Employee is aware of the necessity of the leave. An Employer that requires notice of paid leave under this Division when the leave is not foreseeable shall provide a written policy that contains procedures for the Employee to provide notice.

(3) Employers shall provide Employees with written notice of the paid leave policy notification requirements in this Section in the manner provided in Section 20 for notice and posting and within 5 calendar days of any change to the Employer's reasonable paid leave policy notification requirements.

(4) An Employer may not require, as a condition of providing paid leave under this Division, that the Employee search for or find a replacement worker to cover the hours during which the Employee takes paid leave.

(i) Except as provided in subsection (c) of this Section, paid leave under this Division shall carry over annually to the extent not used by the Employee, provided that nothing in this Division shall be construed to require an Employer to provide more than 40 hours of paid leave for an Employee in the 12-month period unless the Employer agrees to do so.

(j) Nothing in this Section shall be construed as requiring financial or other payment to an Employee from an Employer upon the Employee's termination, resignation, retirement, or other separation from employment for paid leave accrued under this Division that has not been used. Nothing in this Section shall be construed as requiring financial or other reimbursements to an Employee from an Employer for unused paid leave under this Division at the end of the benefit year or any other time.

(k) If an Employee is transferred to a separate division, entity, or location, but remains employed by the same Employer, the Employee is entitled to all paid leave accrued at the prior division, entity, or location and is entitled to use all paid leave as provided in this Section. If there is a separation from employment and the Employee is rehired within 12 months of separation by the same Employer, previously accrued paid leave that had not been used by the Employee shall be reinstated. The Employee shall be entitled to use accrued paid leave at the commencement of employment following a separation from employment of 12 months or less.

(l) Paid leave under this Division shall not be charged or otherwise credited to an Employee's paid time off bank or Employee account unless the Employer's policy permits such a credit. If the paid leave under this Division is credited to an Employee's paid time off bank or Employee vacation account then any unused paid leave shall be paid to the Employee upon the Employee's termination, resignation, retirement, or other separation to the same extent as vacation time under existing Illinois

law or rule. Nothing in this Division shall be construed to waive or otherwise limit an Employee's right to final compensation for promised and earned, but unpaid vacation time or paid time off, as provided under the Illinois Wage Payment and Collection Act and rules. Employers shall provide Employees with written notice of changes to the Employer's vacation time, paid time off, or other paid leave policies that affect an Employee's right to final compensation for such leave.

(m) During any period an Employee takes leave under this Division, the Employer shall maintain coverage for the Employee and any family member under any group health plan for the duration of such leave at no less than the level and conditions of coverage that would have been provided if the Employee had not taken the leave. The Employer shall notify the Employee that the Employee is still responsible for paying the Employee's share of the cost of the health care coverage, if any.

(n) An agreement by an Employee to waive the Employee's rights under this Division is void as against public policy.

Sec. 42-5. Application to collective bargaining agreements.

~~Covered Employees~~ Employees to bargain collectively with their Employers through representatives of their own choosing in order to establish wages or other conditions of work in excess of the applicable minimum standards of the provisions of this Division. The requirements of this Division may be waived in a bona fide collective bargaining agreement, but only if the waiver is set forth explicitly in such agreement

For purposes of this Section, prohibited adverse actions include, but are not limited to, unjustified termination, unjustified denial of promotion, unjustified negative evaluations, punitive schedule changes, punitive decreases in the desirability of work assignments, and other acts of harassment shown to be linked to such exercise of rights. WHEREAS, the current federal border policy ignores and underestimates the impact of the Fentanyl epidemic on the front line; and

WHEREAS, the DEA says it seized enough deadly Fentanyl in 2022 to kill every American multiple times over; and

WHEREAS, the federal government must tighten the entry points at our borders and crack down on the external producers of this deadly drug; and

WHEREAS, many of Illinois' elected leaders reduced criminal charges for Fentanyl through the passage of the state's Safe-T Act; and

WHEREAS, current policies are failing as illustrated by the heartbreaking statistics and data. Opioid/Fentanyl death counts will tragically continue to grow without a new rational course of action; and

WHEREAS, if Illinois wants to save lives, then it must reverse course and strengthen its laws against the illegal distribution and sale of Fentanyl; and

WHEREAS, on the local level, we must expand access to comprehensive drug treatment to end this deadly cycle of abuse that is devastating our communities.

THEREFORE BE IT RESOLVED, the time to tackle this deadly epidemic head on is now. The Cook County Board of Commissioners calls for immediate action to be taken by the federal government to properly secure the border to stop the illegal flow of fentanyl into the United States of America.

BE IT FURTHER RESOLVED, copies of this resolution be distributed to Senator Richard Durbin, Senator Tammy Duckworth and the entire Illinois Congressional Delegation, and call upon them to demand President Biden and his administration seek an immediate securing of the U.S. border to stem the dangerous and tragic overflow of Fentanyl into the United States of America.

PROPOSED RESOLUTION

A RESOLUTION AGAINST BOOK BANS

WHEREAS, as John Milton laid out in his 1644 treatise, *Areopagitica*, “he who destroys a good book, kills reason itself”; and

WHEREAS, according to PEN America, from July 2022 through June 2023 there were over 3,400 instances of individual books banned, representing a 33 percent increase in bans compared to the prior year; and

WHEREAS, according to PEN American, of 1,648 unique book titles banned throughout the 2021-22 school year, 41 percent explicitly addressed LGBTQ+ themes or have protagonists or prominent secondary characters who are LGBTQ+, 40 percent contained protagonists or prominent secondary characters of color, and 21 percent directly addressed issues of race and racism; and

WHEREAS, of the overall 2,532 bans in the 2021-2022 school year, 96 percent of them were enacted without following the best practice guidelines for book challenges outlined by the American Library Association, the National Coalition Against Censorship, and the National Council of Teachers of English; and

WHEREAS, according to the Every Library Institute, over 75 percent of Americans oppose book banning, and more than 50 percent of voters are concerned about legislation being created to regulate Americans’ access to books; and

WHEREAS, according to the Public Religion Research Institute (PRRI) and Brookings Institution, nearly nine of 10 Americans oppose banning books that include depictions of slavery from being taught in public schools; and

WHEREAS, PRRI also reports over 80 percent of Americans oppose banning public high school courses like AP African American History because the topics of slavery and segregation are likely to make white students feel guilty or uncomfortable; and

WHEREAS, in 1969, the Supreme Court of the United States held in *Tinker v. Des Moines Independent Community School District*, 393 U.S. 503 (1969), that students do not “shed their constitutional rights to freedom of speech or expression at the schoolhouse gate”; and

WHEREAS, in 1982, a plurality of the Supreme Court of the United States wrote in *Board of Education, Island Trees Union Free School District No. 26 v. Pico*, 457 U.S. 853 (1982), that schools may not remove library books based on “narrowly partisan or political grounds”, as this kind of censorship will result in “official suppression of ideas”; and

WHEREAS, reading is a foundational skill, absolutely vital to learning and understanding the various and nuanced perspectives across our communities; and

WHEREAS, limiting people’s access to books does not protect them from our world's ever changing, complex, and challenging issues; and

WHEREAS, it is crucial that we protect access to books that offer teachable moments for readers of all ages and expand our understanding of people with different backgrounds, ideas, and beliefs; and

WHEREAS, the State of Illinois committed to that protection by passing HB2789, that adopts the American Library Association's Library Bill of Rights that indicates “materials should not be proscribed or removed because of partisan or doctrinal disapproval,” as well as adopts the policy that the State of Illinois is to “encourage and protect the freedom of libraries and library systems to acquire materials without external limitation and to be protected against attempts to ban, remove, or otherwise restrict access to books or other materials,”

NOW THEREFORE, BE IT RESOLVED, that the President and the Cook County Board of Commissioners hereby joins the State of Illinois in reaffirming its commitment to supporting the freedom expression as protected under the First Amendment and the freedom of all individuals in the United States to read books without government censorship; and

BE IT FURTHER RESOLVED, that suitable copies of this resolution be presented to the Governor of Illinois, the Illinois Senate President and Minority Leader, the Illinois House Speaker and Minority Leader, Senator Laura Murphy, and Representative Anne Stava-Murray.

Summary: The Justice Advisory Council's No Place To Stay (NPTS) housing program provides housing for individuals ordered onto the Sheriff's Office pre-trial electronic monitoring (EM) but who lack sufficient housing where EM could be implemented. These individuals, deemed "No Place To Stay," would otherwise have to wait in the jail for their pre-trial period to resolve or their electronic monitoring condition

of release to be removed. The JAC has retained providers to supply housing and other wraparound services as appropriate for these individuals, with operational support from the Sheriff's Office and Cook County Health, so they do not have to unnecessarily spend that time in the jail.

The JAC is seeking to exercise the first renewal of this set of contracts, pursuant to our RFQ 1205-2104, "Housing Services and Wraparound Supports" with a variety of providers each providing house placements, and some level of wraparound services including set periods of extended stay/aftercare for individuals whose cases resolve but would benefit for some additional days of housing to ensure continuation of helpful services and better re-integration into their communities.

This set of NPTS contracts expanded upon needed services, increased the total amount of beds for the NPTS program, and introduced improved reporting requirements. Renewal of these contracts will allow for continued services. All payments under these contracts are for placements and bed-nights that we utilize, i.e., no provider is paid for space that do not use.

Boys To Men provides housing as well as supportive services in the area of counseling and case management. Boys To Men provides housing for men. Boys To Men will provide us 6 placements at a rate of \$100.00 per day, with up to 2 of those placements being able to be used for up to 90 days of aftercare/extended stay.

These individuals deemed "No Place To Stay," would otherwise have to wait in the jail for their pre-trial period to resolve or their electronic monitoring condition of release to be removed. The JAC has retained providers to supply housing and other wraparound services as appropriate for these individuals, with operational support from the Sheriff's Office and Cook County Health, so they do not have to unnecessary spend that time in the jail.

The JAC is seeking to exercise the first renewal of this set of contracts, pursuant to our RFQ 1205-2104, "Housing Services and Wraparound Supports" with a variety of providers each providing house placements, and some level of wraparound services including set periods of extended stay/aftercare for individuals whose cases resolve but would benefit for some additional days of housing to ensure continuation of helpful services and better re-integration into their communities.

This set of NPTS contracts expanded upon needed services, increased the total amount of beds for the NPTS program, and introduced improved reporting requirements. Renewal of these contracts will allow for

continued services. All payments under these contracts are for placements and bed-nights that we actually utilize, i.e. no provider is paid for space that do not use.

CEP provides housing as well as supportive services in the area of counseling and case management, particularly as it comes to substance use. CEP provides housing for all genders. CEP will provide us 18 placements at a rate of \$75.00 per day, with up to 4 of those placements being able to be used for up to 90 days of aftercare/extended stay.

WHEREAS, in November 2021, the Cook County Board of Commissioners passed Resolution No. 21-5542 creating a special purpose fund for Equity and Inclusion (“Equity Fund”) dedicated to addressing historical disparities and disinvestment communities that are marginalized or have experienced other social and economic disparities; and

WHEREAS, through the Equity Fund, intentional investments from government resources are allocated to address historical and continued disparities and disinvestment, (as defined in the Equity Report) and to bring advocates, service providers, and other partners to the table as thought partners and decision-makers; and

WHEREAS, in May 2022, in conjunction with the release of the inaugural Equity Fund Report, Cook County brought forth and approved a resolution detailing the Equity Fund’s first installment spending plan for the initial \$50M which was allocated to the fund as part of the FY22 budget.

WHEREAS, at that time, Cook County (“County”) also committed to identifying a sustainable source of funding for the ongoing work supported by the Equity Fund. In its commitment to transparency, the County also committed to providing monthly financial reporting to the Board of Commissioners, hold an annual Equity Fund hearing for updates to the Commissioners and public and publish an Equity Fund progress report at the end of each year; and

WHEREAS, since the approval of the first installment spending plan of \$50M, the President’s Office, department leads and the Equity Fund Taskforce have worked diligently to design and implement the twenty-five Equity Fund systemic recommendations and two initiatives including the Cannabis Business Development Program and the Cook County Landbank Homeownership Initiative. Highlights of that work, along with a detailed expenditure report will be provided in this year’s Equity Fund progress report set to be released at the end of this year; and

WHEREAS, as part of the FY24 Budget, the President’s Office in partnership with the Chief Financial Officer and Budget Office, has worked to designate the Casino Tax as a sustainable revenue source to support the ongoing work of the Equity Fund Taskforce and for those equity specific ARPA initiatives that the County will maintain beyond 2026 when federal relief funds are expended; and

WHEREAS, as part of the FY24 Budget, the Equity Fund appropriation will be an additional \$70M for its Second Installment Equity Fund Spending Plan, bringing total investments to the Fund to \$120M; and

WHEREAS, the Board further amended the Bond Ordinance on the 13th day of November, 2013, pursuant to amending Ordinance Number 13-1961 (the “*Fourth Amending Ordinance*”) entitled, “An Ordinance amending Master Bond Ordinance Number 10-O-69 adopted on the 27th day of July, 2011, as previously amended, to name additional financing teams and authorize the issuance of certain refunding bonds;” and

WHEREAS, the Master Bond Ordinance authorizes the issuance of one or more series of general obligation bonds to finance Capital Projects (the “*Capital Project Bonds*”) in a not to exceed aggregate principal amount of \$295,000,000, for such Capital Projects as are expressly approved by the Board from time to time; and

WHEREAS, traditionally the County has financed its Capital Projects primarily through long-term borrowing; and

WHEREAS, the County previously has determined that tax-exempt, revolving lines of credit (each, a “*Revolver*”) issued by a bank or banks will provide a cost-efficient means to finance its Capital Projects on a tax-exempt basis and that such Revolvers may ultimately be refinanced with tax-exempt long-term bonds; and

WHEREAS, under the Master Bond Ordinance, any amounts drawn under a Revolver (“*Advances*”) are Variable Rate Bonds and are Direct Purchase Bonds purchased by the bank providing such Revolver; and

WHEREAS, the County previously has determined that Revolvers will assist the County in achieving its goals of eliminating negative arbitrage in project funds, minimizing costs associated with undrawn balances, achieving the lowest rate available in the current short-term market and mitigating structural, credit, liquidity and operational risk; and

WHEREAS, the County previously has determined to enter into an agreement with PNC Bank, National Association (“*PNC*”) pursuant to which PNC provides a Revolver to the County (the “*PNC Revolver*”) in an amount not to exceed \$175,000,000, which Revolver was extended for a one-year period in November, 2022 and is currently scheduled to mature on January 1, 2024; and

WHEREAS, Advances drawn pursuant to the PNC Revolver are secured by the Trust Indenture dated as of October 1, 2014 (as amended by the first and second amendments thereto, the “*2014D Indenture*”) between the County and Amalgamated Bank of Chicago, as trustee), securing the County’s \$125,000,000 General Obligation Bonds, Series 2014D (the “*2014D Bonds*”) and \$50,000,000 General Obligation Bonds, Series 2018 (the “*2018 Bonds*” and, together with the 2014D Bonds, the “*Bonds*”) in accord with such financial policies as are approved by the Board and contained within the annual budget resolutions; and

WHEREAS, the Board has determined that it is in the best interests of the County and its taxpayers and residents to extend the maturity of the Bonds for an additional term, not to exceed ten (10) years from

their current maturity date, at the current maximum authorized principal amount of \$175,000,000, and to extend the term of the PNC Revolver as described below; and

WHEREAS, the Board hereby expressly determines that it is advisable and necessary to (a) extend the maturity date of the Bonds to a date no later than January 1, 2034, (b) enter into the Third Amendment to Indenture (the “Third Amendment”), the form of which has been prepared and is present at this meeting to effect the maturity date extension and other provisions, (c) to enter into an agreement to extend with PNC for up to three years and execute any related documents (collectively, the “PNC Revolver Agreements”) in forms approved by the Chief Financial Officer of the County (the “Chief Financial Officer”) pursuant to which PNC will provide and extend the PNC Revolver to the County the \$175,000,000.00 principal amount contemplated by this Ordinance, and (d) after the term specified in (c) above, to the extent the Chief Financial Officer deems necessary and advisable at that time, to further extend the PNC Revolver Agreements with the County at the \$175,000,000 principal amount contemplated by this Ordinance up to the date of Bond maturity and in forms approved the Chief Financial Officer thereafter through the date of maturity.

NOW THEREFORE BE IT ORDAINED, by the Board of Commissioners of The County of Cook, Illinois, as follows:

Sec. 1. Amendment to Final Maturity Date for Revolver.

The first paragraph of Section 4 of the Fifth Amending Ordinance is hereby amended and restated as follows:

Sec. 2. Revolvers, Advances and the PNC Revolver Agreement.

The Chief Financial Officer is hereby authorized, on behalf of the County to approve the final provisions of the PNC Revolver Agreements consistent with this Ordinance which may include, but are not limited to provisions on fees, covenants, indemnification of PNC and its related entities and each of their respective directors, officers and employees, events of default, remedies, interest rates on Advances, repayment terms for Advances and conditions precedent to Advances, and the payment of the costs of issuance of the 2014D and 2018 Bonds from Advances. The PNC Revolver shall have a maximum principal stated amount of not to exceed \$175,000,000, shall be up to three years’ duration and shall have the terms as set forth in the PNC Revolver Agreements. The Chief Financial Officer is hereby authorized, on behalf of the County, to execute and deliver, and the County Clerk is hereby authorized, on behalf of the County, to attest and impress the official seal of the County upon, the PNC Revolver Agreements. The final maturity date for any Revolver including the term of any renewals thereof shall not be later than January 1, 2034, and the interest rate born on any Advance shall not be more than 10% per annum.

The President, the Chief Financial Officer, the Deputy Chief Financial Officer of the County, the Comptroller of the County and the Deputy Comptroller of the County (each, an “*Authorized Officer*”) are each, jointly or collectively as provided herein, authorized to execute on behalf of the County any documents relating to Advances, the PNC Revolver and the PNC Revolver Agreements; provided

however, that any requests for Advances and other documents relating to requests for Advances, as amended (including, but not limited to the forms as set forth as Exhibits B-D to the Indenture) must be signed by any two of the Authorized Officers. In addition, after the up to three year term specified above, to the extent the Chief Financial Officer deems necessary and advisable at that time, the Chief Financial Officer is authorized to further extend the PNC Revolver Agreements with the County at the \$175,000,000 principal amount contemplated by this Ordinance up to the date of Bond maturity and in forms approved by the Chief Financial Officer thereafter through the date of maturity.

Sec. 3. Indenture Amendment.

The Chief Financial Officer is hereby authorized, on behalf of the County to execute and deliver, and the County Clerk is hereby authorized, on behalf of the County, to attest and impress the official seal of the County upon, the Third Amendment. The Third Amendment shall be in substantially the form present at this meeting and attached as *Exhibit A* and hereby approved. The Chief Financial Officer's execution of the Third Amendment will constitute conclusive evidence that the executed Third Amendment is in substantially the form present at this meeting.

The Authorized Officers are each, jointly or collectively as provided herein, authorized to execute on behalf of the County any documents relating to the Indenture and the Third Amendment; provided however, that any requests for Advances and other documents relating to requests for Advances, as amended (including, but not limited to the forms as set forth as Exhibits B-D to the Indenture) must be signed by any two of the Authorized Officers.

Sec. 4. Declaration of Intent.

The County has adopted its Resolution and Annual Appropriation Bill for the Fiscal Year 2024 (including, all Volumes of the FY2024 Cook County Annual Appropriation Bill related thereto, the "*2024 Budget Resolution*") on November 16, 2023 which is incorporated by reference herein. Previously, the County adopted its Resolution and Annual Appropriation Bill for the Fiscal Year 2023 (including all Volumes of the FY2023 Cook County Annual Appropriation Bill related thereto (the "*2023 Budget Resolution*") on November 17, 2022, which is incorporated by reference herein. The County expects to incur significant costs for the capital equipment, capital improvements and transportation and highway

capital equipment referenced specifically in the 2024 Budget Resolution, which are hereby incorporated by reference herein, and which conform to the definition of Capital Projects in the Master Bond Ordinance, and has incurred significant costs for the capital equipment, capital improvements and transportation and highway capital equipment referenced specifically in the 2023 Budget Resolution, which are hereby incorporated by reference herein and which conform to the definition of Capital Projects in the Master Bond Ordinance (collectively and in the aggregate, the "*Capital Improvements*"). The County has determined that it intends to finance all or a portion of the cost of the Capital Improvements with the proceeds of obligations the interest on which is excludable from gross income for federal income tax purposes ("tax-exempt bonds"). Except to the extent authorized under the federal tax regulations by the 2023 Budget Resolution or other official intent action of the County, no costs of the Capital Improvements to be so financed or reimbursed were paid more than 60 days prior to the date of this Ordinance, other

than preliminary expenditures (not exceeding 20% of the aggregate issue price of the tax-exempt bonds issued to finance the Capital Improvements), provided that such preliminary expenditures shall not include costs of land acquisition or site preparation or other costs of construction or acquisition of the Capital Improvements. The County hereby declares its intention and reasonable expectation to use proceeds of tax-exempt bonds (the “*Reimbursement Bonds*”) to reimburse itself for expenditures for costs of the Capital Improvements. The County intends that the Reimbursement Bonds are to be issued, and the reimbursements made, by the later of 18-months after the payment of the costs or after the Capital Improvements are placed in service, but in any event, no later than three years after the date the original expenditure was paid. The County anticipates that the maximum principal amount of Bonds issued to finance the Capital Improvements, including Reimbursement Bonds, will not exceed \$400,000,000.00. The

The costs of the Capital Improvements consist entirely of capital expenditures or costs of issuance of tax-exempt bonds, and no cost of the Capital Improvements to be reimbursed with the proceeds of the Reimbursement Bonds is a cost of working capital. The appropriate officers of the County are hereby authorized and directed to take or approve the taking of such actions as may be necessary or appropriate in order to preserve the ability of the County to finance the Capital Improvements in accordance with the federal tax regulations and this Ordinance. The County will not, at any time within one year after any allocation of proceeds of the Reimbursement Bonds to reimburse any expenditure, use the reimbursed funds to create a sinking fund for any issue of tax-exempt bonds to otherwise replace the proceeds of any issue of tax-exempt bonds.

The County recognizes that, following the expiration of the authority and official intent referenced in this Section 4, additional intent actions may need to be taken by the County in connection with the issuance of additional Reimbursement Bonds to reimburse itself for additional capital expenditures.

Sec. 5. Miscellaneous. The form of the 2014D Indenture, as amended by the Third Amendment, is hereby ratified and approved. Notwithstanding anything heretofore in the Master Bond Ordinance to the contrary, the Bonds shall be dated as provided in the 2014D Indenture, as amended by the Third Amendment.

Sec. 6. Prior Inconsistent Proceedings.

All ordinances, resolutions, motions or orders, or parts thereof, in conflict with the provisions of

this Ordinance, are to the extent of such conflict hereby repealed.

Effective date: This ordinance shall be in effect immediately upon adoption and upon the obtaining of any consents required by the Master Bond Ordinance, as amended hereby.

PROPOSED RESOLUTION

REQUESTING THE PRESIDENT AND CONGRESS OF THE UNITED STATES OF AMERICA TO PROVIDE PAROLE AND WORK AUTHORIZATION FOR THE UNDOCUMENTED IMMIGRANT COMMUNITY AND TO SUPPORT THE RETURN OF DEPORTED U.S. VETERANS TO OUR COUNTRY

WHEREAS, the federal government has failed to pass legislation to support the 11 million undocumented immigrants in the United States of America, including the estimated 257,000 Cook County residents, with a pathway to citizenship; and

WHEREAS, in 2021, the legislative strategy to expand immigration parole for undocumented immigrants that includes work authorization for 6.5 million members of the community was introduced during the budget reconciliation process of U.S. President Joe Biden’s Build Back Better legislative plan; and

WHEREAS, despite its popularity, the Senate parliamentarian ruled against the inclusion of the parole process in the plan, leaving further uncertainty for millions because of a procedural technicality; and

WHEREAS, Black and brown undocumented essential workers were on the front lines of their respective sectors as business and institutional operations were forced to pause during the COVID-19 pandemic and have experienced the highest rates of infection and death; and

WHEREAS, these eligible undocumented immigrants include members of our communities in Cook County, many of whom are finding ways to work and pay their taxes despite their legal barriers; and

WHEREAS, millions of immigrants have, and continue to be, deported, with a majority of them never committing a crime; and

WHEREAS, while the exact number of U.S. veterans is not known, as many as hundreds or thousands, including those with disabilities and severe PTSD, have been deported; and

WHEREAS, on July 21, 2023, Congressman Jesus “Chuy” Garcia, along with 38 other members of Congress, many of whom are members of the Congressional Hispanic Caucus, issued a letter to President Biden urging him to expand parole with work authorization to both new migrants and long-term contributing immigrant workers including those who are DACA-eligible, farm workers, and essential workers.

NOW, THEREFORE, LET IT BE RESOLVED, that the Cook County President and the Board of Commissioners do hereby request President Joe Biden and members of the Illinois Congressional delegation strongly advocate for a legislative strategy to grant parole with work authorization for eligible undocumented immigrants; and

BE IT FURTHER RESOLVED, that this honorable body does hereby request for the Office of the President of the United States of America to work with the families and advocates of the deported U.S. veterans for a strategy to provide them pardons for their safe return home to the U.S.; and

BE IT FURTHER RESOLVED, that this honorable body recognizes that this strategy is one of the legislative remedies possible to provide temporary relief for the undocumented immigrant community, and that comprehensive immigration reform that provides a pathway to citizenship for them should continue to be, to a great extent, a priority for the federal government; and

BE IT FURTHER RESOLVED, that a suitable copy of this resolution be sent to the Illinois Congressional Delegation representing our Cook County residents and the Office of the President of the United States.
