REVISED NOTICE AND AGENDA

There will be a meeting of the Committee or Subcommittee of the Board of Commissioners of Cook County at the date, time and location listed above to consider the following:

PUBLIC TESTIMONY

Authorization as a virtual public speaker shall only be granted to those individuals who have submitted in writing, their name, email address, phone number, subject matter, and organization (if any) to the Secretary 24 hours in advance of the meeting. Duly authorized virtual public speakers shall be sent a link to virtually attend the meeting and will be called upon to deliver testimony at a time specified in the meeting agenda. Authorized public speakers who are not present during the specified time for public testimony will forfeit their allotted time to speak at the meeting. Public testimony must not exceed three minutes; the Secretary will keep track of the time and advise when the time for public testimony has expired. After each speaker has completed their statement, they will be removed from the meeting. Once removed, you will still be able to follow the proceedings for that day at:

<https://www.cookcountyil.gov/service/watch-live-board-proceedings> or in a viewing area at 69 W.Washington Street, 22nd Floor Conference Room C, Chicago, IL. Persons authorized to provide public testimony shall not use vulgar, abusive, or otherwise inappropriate language when addressing the Board; failure to act appropriately; failure to speak to an item that is germane to the meeting, or failure to adhere to the time requirements may result in expulsion from the meeting and/or disqualify the person from providing future testimony. Written comments will not be read aloud at the meeting, but will be posted on the meeting page and made a part of the meeting record.

Summary: The Department of Transportation and Highways respectfully requests that this Change in Plans and Extra Work for work being done on Roberts Road be referred to Committee for further discussion. The proposed improvement consisted of milling and asphalt grinding, pavement patching, asphalt overlay, removal and replacement of curb and gutter, new pavement markings, sidewalk with ADA improvements, traffic signal modernizations, and collateral and auxiliary work as needed to complete the project under the supervision and the satisfaction of the Superintendent.

The quantities as shown on the contract documents were estimated for bidding purposes only. This change represents the difference between the estimated quantities and actual field quantities of work performed with additional quantities required for mixture for crack joints and flangeways, HMA binder course, patching items, sidewalk items, HMA removal items, catch basins to be adjusted, concrete curb and gutter items, and pavement marking items.

New items were added for junction chamber grate, potholing/sidewalk removal for 5' watermain

clearance, median cap removal items, 8" pipe repair at 101st Street, placing barrier curb, PCC base course items, HMA driveway removal items, crack cleanup for mixture for joints and flangeways, saw cut and remove CLC patches, installation of steel plate, remove sign foundation, pipe and structure repair, saw cuts, exploratory for traffic signal foundation, winterization, and pedestrian traffic signal items.
