Report on the Financial Statements

We have audited the accompanying statement of changes in assets and liabilities of agency fund of the Office of the Clerk of the Circuit Court of Cook County, Illinois (the "Clerk of the Court") as of and for the year ended November 30, 2014, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position and changes in financial position of the agency fund of the Clerk of the Circuit Court of Cook County, Illinois as of and for the year ended November 30, 2014 in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

We draw attention to Note 1, which describes that the statement of changes in assets and liabilities of agency fund presents only the agency fund of the Clerk of the Court and does not purport to, and does not, present fairly the financial position of Cook County, Illinois as of November 30, 2014 and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis for the agency fund on pages 4 and 5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statement, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures, to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statement and other knowledge we obtained during our audit of the financial statement. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

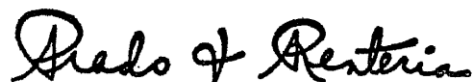

Our audit was conducted for the purpose of forming an opinion on the statement of changes in assets and liabilities of agency fund. Report J Annual Financial Report and the Supplemental Schedules (Exhibits A-D) are presented for the purposes of additional analysis and are not a required part of the financial statement. Report J Annual Financial Report provides relevant information that is not provided by the agency fund financial statement, and is not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. Report J Annual Financial Report is based on guidelines of the Administrative Office of the Illinois Courts.

Report J Annual Financial Report and the Supplemental Schedules (Exhibits A-D) are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statement. Report J Annual Financial

Report (excluding Part II covering operating funds that are already audited as part of the county audit) and the Supplemental Schedules (Exhibits A-D) have been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects, in relation to the statement of changes in assets and liabilities of agency fund as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 4, 2015 on our consideration of the Clerk of the Court's internal control over financial reporting of the agency fund and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters, which is included within. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clerk of the Court's internal control over financial reporting and compliance.

**Independent Auditors' Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed
in Accordance With *Government Auditing Standards***

To the Board of Commissioners
Cook County, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the statement of changes in assets and liabilities of agency fund of the Office of the Clerk of the Circuit Court of Cook County, Illinois (the "Clerk of the Court") as of and for the year ended November 30, 2014, and the related notes to the financial statement and have issued our report thereon dated May 4, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered the Clerk of the Court's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Clerk of the Court's internal control. Accordingly, we do not express an opinion on the effectiveness of the Clerk of the Court's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

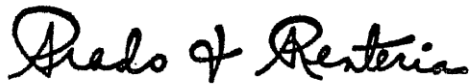

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Clerk of the Court's statement of changes in assets and liabilities of agency fund is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Clerk of the Court's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clerk of the Court's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Accountants' Report on Compliance and on Internal Control Over Compliance

To the Board of Commissioners
Cook County, Illinois

Compliance

We have examined the Office of the Clerk's of the Circuit Court of Cook County, Illinois (the "Clerk of the Court") compliance with the requirements listed below during the year ended November 30, 2014. The Clerk of the Court's management is responsible for compliance with these requirements. Our responsibility is to express an opinion on the Clerk of the Court's compliance based on our examination.

- A. The Clerk of the Court has properly assessed fines, fees, costs, penalties, and judgments in accordance with the purpose authorized by law.
- B. The Clerk of the Court has properly distributed fines, fees, costs, penalties, and judgments in accordance with the purpose authorized by law.
- C. The Clerk of the Court has timely assessed and distributed monies in accordance with the purpose authorized by law.
- D. The Clerk of the Court has complied, in all material respects, with applicable laws and regulations in its financial and fiscal operations.
- E. The Clerk of the Court has properly and legally administered money or negotiable securities or similar assets and the accounting and recordkeeping relating thereto has been proper, accurate, and in accordance with the law.

We conducted our examination in accordance with attestation standards established by the American Institute of Certified Public Accountants; the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the annual audit requirements included in the Clerks of Courts Act (Act); and the Circuit Clerk Audit Guidelines as noted by the Act; and, accordingly, included examining, on a test basis, evidence about the Clerk of the Court's compliance with those requirements listed in the first paragraph of this report and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Clerk of the Court's compliance with specified requirements.

In our opinion, the Clerk of the Court has complied, in all material respects, with the aforementioned requirements during the year ended November 30, 2014.

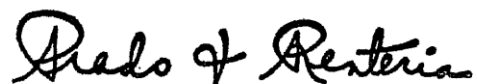

Internal Control

The management of the Clerk of the Court is responsible for establishing and maintaining effective internal control over compliance with the requirements listed in the first paragraph of this report. In planning and performing our examination, we considered the Clerk of the Court's internal control over compliance with the requirements listed in the first paragraph of this report in order to determine our examination procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the Circuit Clerk Audit Guidelines, but not for the purpose of expressing an opinion on the effectiveness of the Clerk of the Court's internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Clerk of the Court's internal control over compliance.

A *deficiency* in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with the requirements listed in the first paragraph of this report on a timely basis. A *material weakness* in an entity's internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a requirement listed in the first paragraph of this report will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, the County of Cook, the appropriate local governments within Cook County, Illinois, the pass through agencies of the State of Illinois, the Illinois General Assembly, and the Governor of the State of Illinois and is not intended and should not be used by anyone other than these specified parties.
