

Cook County Commission A Vs B Report
A: Final Cook County Map 2021 (based on
2020 Census)
B: Existing Commissioner Districts (2011)

Note: A vs. B reports compare two sets of geographies. The following report is by the newly configured districts. The column "existing district" is the 2012 district. Therefore, using New Commissioner District 1 as an example, 258,693 people from existing District 1 comprise new District 1. They constitute 87.7 percent of the population of new District 1. By the same token, 88.7% of the people from old District 1 now comprise new District 1. This means that 11.3% of the population of old District 1 were allocated to some other district.

Carrying this example further, 8.8% of the total population of new District 1 come from District 8. At the same time, 8.4% of the population of old District 8 was moved to District 1.

New Commissioner District: 1

District Population: 294,922

| Existing District | Population of Component |
|-------------------|-------------------------|
