Summary: The Department of Transportation and Highways respectfully requests the approval of the proposed Contract Amendment between Cook County and Acura, Inc., Bensenville, Illinois. On July 25, 2024, your honorable Body awarded a contract to Acura, Inc., Bensenville, Illinois for the aforesaid improvement to be completed in accordance with the plans and specifications.

The quantities as shown on the contract documents were estimated for bidding purposes only. This change represents the difference between the estimated quantities and actual field quantities of work performed. The amendment accounts for changes required to successfully complete the project including additional topsoil, longitudinal joint sealant, asphalt surface course, sidewalk, dowel bars and saw cutting for pavement patching, drainage structures to be adjusted, non-special waste disposal, electronic message boards, and storm sewer 8-inch. Additional work includes reflective pavement markers, manhole frames and frates, a 36-inch temporary storm sewer culvert on Wagner Road, a new storm sewer inlet on Wagner Road, exploration of unknown utilities on Wagner Road, corrugated median replacement on Plum

Grove Road, and an additional storm sewer crossing replacement on Wagner Road.

This contract was awarded pursuant to a publicly advertised Invitation for Bid (IFB) in accordance with the Cook County Procurement Code. Acura, Inc. was the lowest, responsive, and responsible bidder.

Summary: The Department of Transportation and Highways respectfully requests approval of the proposed Contract Amendment between Cook County and Hecker and Company, Inc., Wheeling, Illinois.

On September 21, 2023, your honorable Body awarded a contract to Hecker and Company, Inc., Wheeling, Illinois for the aforesaid improvement to be completed in accordance with the plans and specifications.

The quantities as shown on the contract documents were estimated for bidding purposes only. This change represents the difference between the estimated quantities and actual field quantities of work performed. The amendment accounts for changes in quantities of items to properly construct the project including those associated with excavation, placement of subbase, sidewalk, and curb and gutter for ADA upgrades to the sidewalk crossings, additional landscaping, and additional soil monitoring.

This amendment also accounts for work that was not included in the project but required to properly construct the project which includes exploratory excavation to locate underground utilities and obstructions, existing foundation removals, additional traffic signal equipment not anticipated that was required to avoid conflicts with existing infrastructure, and tree removal.

This contract was awarded pursuant to a publicly advertised Invitation for Bid (IFB) in accordance with the Cook County Procurement Code. Hecker and Company, Inc. was the lowest, responsive, and responsible bidder.

Contract Number(s): 2038-18304

Summary: The Department of Transportation and Highways respectfully requests approval of the Proposed Amendment between the County and Azteca Systems Inc., Sandy, Utah.

This contract with Azteca Systems for their Cityworks Asset Management Server (AMS) provides CCDOTH's Maintenance Bureau with an automated process to accommodate a streamlined response for citizen service requests, work order assignments, and maintenance activity tracking and performance reporting. AMS facilitates work order management that encompasses personnel allocation and equipment assignment, accounting of material usage and reporting functionality that provides accurate and timely budgeting and performance measurement.

The Department's Permit Division currently utilizes the Cityworks Permit, Land and Licensing (PLL) component to process right-of-way, construction, and haul permits. PLL supports the operations of the Department and provide key performance indicators and measures. Additionally, the PLL module will be expanded with a public portal in order to provide better customer service.

The proposed implementation is a strategic extension that leverages an existing CCDOTH investment and provides a uniform solution that satisfies multiple workflow requirements. Cityworks has been utilized in the Maintenance Bureau using work order to track man hours and maintenance since 2012. AMS currently provides an inventory of the Department's regulatory signs and is vital in managing the work orders necessary to ensure that signs continue to meet acceptable standards.

Azteca Systems is the sole provider of licensing for the Cityworks AMS and PLL products. Their professional services team is highly experienced and is knowledgeable in CCDOTH operations and workflows. The proposed Cityworks implementation leverages an existing investment, provides one platform to accommodate the needs of the Department and provides for future expansion.

The amendment accounts for continuation of service.

This contract was awarded through a Sole Source Procurement pursuant to Section 34-139 of the Cook County Procurement Code.
