Severe Weather Preparedness

We extend our sincere appreciation to the Buildings and Grounds, Environmental Services, Health Information Services, Clinical Engineering, Safety, and Infection Control teams for their rapid, coordinated, and around-the-clock response to two recent floods and cold weather preparation.

Their professionalism, technical expertise, and commitment to safety were instrumental in mitigating damage, restoring operations, and ensuring a safe environment for patients, staff, and visitors. Some of those involved are listed below. Thank you!

Operating Engineers at Stroger

Keith Gutillo
Kwame Adu
Cruz Reyes
Mike Norton
Keith Gomillia
Roberto Ramos

Chicago Magazine's Top Docs

Congratulations to **Dr. Elizabeth A. Marcus** for getting named in Chicago Magazine's Top Docs list! She was named as one of the best under the Surgical Oncology (Breast Cancer) category.

This year's list focused on "Cancer Fighters" and included 543 area physicians, nominated by their peers as the best across various specialties.

Austin Health Center Community Advisory Council

This month Cook County Health hosted the first meeting of the **Austin Health Center Advisory Council**. With this launch, now all ACHN sites have community advisory councils.

The Austin Health Center Advisory Council is comprised of representatives from a dozen local community organization partners.

At the meeting, attendees received an overview on Cook County Health, the Austin Health Center, CountyCare and the Cook County Department of Public Health.

Thanks to the CCH community outreach team- Nick Shields, Marcelino Garcia, Alice Collins, and Kaelin Long- for leading these councils!

CCH held a Facebook Live discussion on February 25 to celebrate Black History Month and recognize the role access to healthy, culturally meaningful food plays in preventing illness and sustaining wellbeing.

The discussion included:

- Cook County Commissioner Michael Scott, 2nd District
- Barbara Deer, advocate & wife of Commissioner Dennis Deer
- Shannon Andrews, Chief Equity & Inclusion Officer, Cook County Health
- Dr. Arnold Turner, Chief Hospital Executive, Provident Hospital

The panelists discussed both the history and the ongoing work to advance health equity through nutrition.

Honoring Black History Month: The Power of Food and Community Health

During Black History Month, Cook County Health and local leaders come together for a discussion on the health system's Food as Medicine initiative, the clinical impact of food access gaps and how food insecurity can drive health disparities.

Wednesday, February 25th @ Noon
2026

This is an interactive discussion.
Send us questions before or
during the chat.

Community Relations

COOK COUNTY
HEALTH

Community Advisory Councils

Cook County Health Advisory Councils include patients, community and religious organizations and serve as a way to promote our services in the communities where our centers are located. The Councils provide feedback to our staff and help strengthen our health center's relationships in the community. The councils meet quarterly to provide current information on Cook County Health and as an avenue for members to share information about their organizations.

In Quarter 1 of 2026, the councils receive the following presentations:

- Transforming Care Together, Strategic Plan 2026-2028
- Cook County HIV Integrated Program (CCHIP), Marketing Campaign: “Getting Some?”
- CountyCare Update – Overview and Member Incentives and Supplemental Benefits
- CCDPH Update: General Overview and Healthy Beginnings Program

Community Advisory Councils

- 3rd Annual Southwest Job Fair at the Tinley Park Convention Center
- Home Visiting Collaboration of South Suburban Cook (SSC)
- Alderman Ronnie Mosley Monthly Town Hall at the Woodson Regional Library
- Worth Township Job and Resource Fair at the Worth Township Hall Gymnasium
- BUILD Chicago CEO Welcome Reception

Community Events

Virtual Panel: IL Hospitals Welcome All: Healthcare Sanctity and Privacy Law

On January 28, 2026, Cook County Health participated in the **Illinois Coalition of Immigrant & Refugees Rights' (ICIRR)** panel on the Healthcare Sanctity and Privacy law, which sets a new standard for hospitals in IL in which law enforcement for the purpose of immigration enforcement must follow the law before accessing any hospital private space, patient data, or patients. The goal of the law is for hospitals to continue providing quality patient care that all Illinoisans deserve without external interference. Marcelino Garcia, Director of Community Affairs, joined representatives from Sinai Chicago, Rush University Medical Center, Legal Council for Health Justice, the Southwest Suburban Immigrant Project, and Enlace Chicago in the virtual discussion. The event was attended by over 200 participants.

Southland Ministerial Health Network Presentations

On February 18, 2026, teams from Cook County Health presented at the monthly meeting of the Southland Ministerial Health Network which took place at the Posen Community Center located at 14401 Campbell Avenue in Posen, IL 60469. Apostle Carl White welcomed us to the meeting. Brianna Griggs, CCHIP Program Manager at SSHARC (South Suburban HIV/AIDS Regional Coalition) presented on the Cook County HIV Integrated Program (CCHIP), Marketing Campaign: “Getting Some?”. In addition, Danielle Fultz, Manager of the Justice Services, presented on Provident Hospital’s Clinical Triage Stabilization Center. Alice Collins, Community Outreach Worker, presented on general Cook County Health and CountyCare resources.

months.

Provident Hospital of Cook County Health operates a weekly food pantry where patients can access staples like black beans, eggs and oats. | Envia Malagon/Sun-Times

One at Provident Hospital is open weekly to patients and provides staples like eggs, beans, fruits and oats. The two pantries — the other is at the Belmont Cragin Health Center — about 600 patients, said Afeefah Khan, food security program manager for Cook County. Pantries also provide dietitians to help patients with specialized meal plans and weight management.

Legislative Updates

COOK COUNTY
HEALTH

CEO Report Legislative Updates

Local

The **week of February 2nd**, CCH leadership appeared before the following Cook County Board committees to provide testimony and respond to questions from Commissioners.

Finance Committee – Scott Spencer, Interim Chief Financial Officer addressed questions related to the County’s *Monthly Revenues and Expenses Report* as well as *CCH’s Monthly Report* which is a compilation of the metrics and presentations made to the CCH Board of Directors from the previous month.

Health & Hospitals Committee – Dr. Kiran Joshi, CCDPH COO provided testimony on Commissioner Tara Stamps (1st District) Chronic Traumatic Encephalopathy (CTE) Resolution. Aaron Galeener, CountyCare’s Chief Administrative Officer, presented to the committee with CountyCare updates.

The **Cook County Board of Commissioners met on February 5, 2026**. At the regularly scheduled Cook County Board Meeting the following items pertaining to CCH appeared on the agenda:

- a proposed grant award amendment to increase by \$176,555.00 a Population Centered Health Homes CDC-HIV Services grant award from CDPH was approved,
- CCDPH’s Q1 Quarterly Report on Data was referred to the Health & Hospitals Committee for consideration.

CEO Report Legislative Updates State

Cook County Health has been working with the legislative team in the President's Office on CCH's 2026 state legislative priorities, which include:

- Protecting and preserving Medicaid and other programs that provide comprehensive, affordable health coverage;
- Increasing state funding to local health departments; and
- Advocating for evidence-based behavioral health interventions and systemic changes that improve access to care to mental health and substance use disorder services.

In light of federal announcements, the HFS issued a notice that reaffirms pediatric immunizations covered by the Vaccine for Children (VFC) program and Illinois Medicaid are in line with vaccine recommendations from IDPH, which recently adopted the [American Academy of Pediatrics' \(AAP\) 2026 Child and Adolescent Immunization Schedule](#).

Illinois Attorney General Kwame Raoul joined with three other states (California, Minnesota, Colorado) to file a [lawsuit](#) against the Trump Administration's attempt to cut \$600M in public health grants, including \$170M+ to Illinois state agencies and locally based organizations. A federal judge has temporarily blocked the cuts for 14 days. IDPH and Chicago Department of Public Health would be most impacted if these cuts were to take effect; other impacted grantees include Lurie Children's Hospital, University of Chicago, Northwestern University, the American Academy of Pediatrics, and the American Medical Association.

CEO Report Legislative Updates

State

Starting February 1, 2026, the Illinois Department of Human Services will begin to administer work requirements for Able-Bodied Adults Without Dependents (ABAWDs) in the Supplemental Nutrition Assistance Program (SNAP). Populations that had previously been exempt prior to the passage of H.R.1, including Veterans, older adults 55-64 years of age, individuals experiencing homelessness, and ABAWDs with children 14 years or older, will be subject to work requirements. ABAWDs who do not meet work requirements or qualify for an exemption may only receive SNAP benefits for three months during a three-year period. Based on the new federal law, individuals who don't meet the new requirement could lose SNAP benefits starting May 1, 2026.

H.R.1 imposes a similar work requirement for non-disabled adults on Medicaid, which is scheduled to take effect 2027.

- It is important to remember that most adults with Medicaid who can work do work.
- Arkansas piloted work requirements in 2018. Over a 4-month period of implementation, 18,000 residents lost coverage before a federal judge halted the program. A 2019 study showed that 97% of those who lost coverage were already meeting the requirement or should have received an exemption.

CEO Report Legislative Updates State

1115 Medicaid Waiver

In July 2024, the Illinois Department of Healthcare and Family Services (HFS) received federal approval for its [Medicaid 1115 waiver](#). Federal CMS has approved the 1115 waiver contract, protocols, and plans necessary for implementation.

The 1115 waiver permits Illinois Medicaid to cover new health related social needs including food/nutrition, housing and housing supports, medical respite, violence prevention/intervention, non-emergency transportation, and supported employment. These new benefits will be administered through Medicaid Managed Care. Additionally, the waiver will allow individuals residing in state prisons or the Cook County Jail to be covered by Medicaid up to 90 days pre-release, to support these individuals in their re-entry efforts.

CCH has been actively engaged in several HFS workgroups and planning discussions. The first phase of waiver services will include food/nutrition, medical respite, housing, and re-entry. Internal waiver readiness meetings have also been taking place at CCH since early 2023, and stakeholders include leaders from strategy, finance, operations, clinical, and managed care.

HFS hosted a [virtual public forum on the 1115 waiver on October 3, 11am-1pm](#). The forum provided an update on progress of the waiver and solicited comments. Cook County Health and CountyCare submitted public comments that expressed support for efforts to implement the waiver.

CEO Report Legislative Updates State

The Illinois Senate and House of Representatives are scheduled for session through May 31.

Governor Pritzker delivered the State of the State and [FY27 budget address](#) on February 18. The new state fiscal year starts July 1. The proposed budget is considered by many to be a “maintenance” budget with no significant spending increases or cuts. Of note:

- The Illinois Department of Healthcare and Family Services (HFS) budget preserves Medicaid eligibility, covered benefits, and provider rates. The Health Benefits for Immigrant Seniors (HBIS) program is funded in the FY27 budget, but new enrollment remains frozen as it has been since November 2023. The HFS budget also includes \$85M for a new “Distressed Hospital Loan Program” for non-profit hospitals at risk of closure due to financial distress.
- The Illinois Department of Human Services (DHS) budget includes \$50M to fund 450 new positions and technology upgrades to comply with new SNAP and Medicaid requirement as a result of H.R. 1.
- The Illinois Department of Public Health (IDPH) budget flat funds local health departments at the same amount as FY26 and includes \$22M to support reproductive health care.

Federal

Fiscal Year (FY) 2026 Funding State-of-Play

- **11 out of 12 FY26 appropriations bills are now law including Labor-HHS**
- **There is a Department of Homeland Security (DHS)-specific shutdown after Congress failed to enact an FY26 DHS funding bill**
 - DHS bill funds TSA, Coast Guard, FEMA, Secret Service, ICE and CBP.
 - ICE and CBP were given massive new funding under H.R. 1 so their operations are not impacted by this DHS-specific shutdown
- **At present, Democrats are united in demanding reforms to ICE and CBP including limiting immigration enforcement at or near sensitive locations such as hospitals and schools, among other policies**
- **Both the House and Senate are in recess this week so the DHS-specific shutdown will continue into next week at a minimum**
 - The State of the Union is still scheduled to occur on February 24th

Medicaid Impact Working Group Updates

In September 2025, Cook County Health hosted a cross-sector convening of 60+ health care providers, payers, foundations, academia, advocates, community organizations, business to mitigate harms from H.R.1 eligibility changes. Short- and long-term action items identified include:

- Create and disseminate communications and training resources
- Identify best practices from restart of Medicaid redetermination following end of the Public Health Emergency
- Leverage technology platforms including electronic medical records, provider/patient portals, AI, etc.
- Prioritize exempting eligible individuals
- Strengthen and coordinate health care for the uninsured

Three sub-groups have been established and include: coalition building, communicate/educate, innovate/create. The full group will be reconvened in early March.

- Complete this survey to join a sub-group: <https://forms.office.com/r/vKFDQ5aq6C>

CCH is working closely with HFS. Detailed federal guidance on implementation has not yet been issued, which limits communication and mobilization efforts.

CCH is also working with the National Association of Counties (NACo) to scale best practices, learn from other counties, and leverage collective advocacy opportunities.

President Preckwinkle, Dr. Mikaitis along with Cook County and CCH leaders attended the NACo Annual Legislative Conference in Washington D.C.

NACo's Health Policy Steering Committee approved the following interim policy resolutions:

- ***Supporting Relief for Counties in the Administration of H.R.1 Medicaid and SNAP Provisions*** sponsored by President Preckwinkle;
- ***Supporting the Healthcare Workforce*** sponsored by President Preckwinkle;
- ***Supporting the 340B Program*** sponsored by President Preckwinkle;
- ***Requesting Congress and the Administration to Fund Research on CTE and the Impact on Students' Mental Health*** sponsored by Commissioner Tara Stamps (1st District);
- ***Advancing Mental Health Equity and Access for Underserved Youth*** sponsored by Commissioner Tara Stamps (1st District);
- ***Preserving Medicaid Eligibility for People with Disabilities*** sponsored by Commissioner Alma Anaya (7th District)

Cook County and CCH led the **National County Hospital System Consortium Convening** to discuss the impacts of H.R.1 and strategizing on collective advocacy efforts to mitigate

Senator Dick Durbin and Senator Tammy Duckworth met with Cook County leaders and discussed H.R.1 and the impact on Medicaid to Cook County Health.

CCH participated in a County Executives meeting with **Dr. Mehmet Oz, Centers for Medicare and Medicaid Services (CMS) Administrator**. The discussion was far ranging and covered a number of issues including H.R.1 guidance and implementation as well as the healthcare ecosystem.

Dr. Mikaitis along with CCH leaders, including CCH's AEH Fellows, attended AEH's Federal Policy Assembly in Washington D.C.

Topics covered during the Assembly included the following:

- policy and advocacy updates,
- **Congressional priorities ahead of the Midterm Elections and health care implications,**
- Health Policy Through an Administrative Lens

CCH met with Congressman Davis and Congresswoman Schakowsky's Health Policy Staff to share concerns with H.R. 1 implementation, CCH's Medicaid Impact Workgroup as well as concerns with proposed changes to the 340B program and the healthcare workforce.

CCH Leadership and AEH Leadership met to discuss H.R.1, CCH's Medicaid Impact Workgroup and opportunities for advocacy and collaboration with AEH members nationally as well as pending bi-partisan legislation creating an "Essential Hospital" designation.

- The Office of Behavioral Health completed spending acceleration plans with 35 sub-recipients
- Improved turnaround of payments achieved; focus now on maintaining

Stroger Update

COOK COUNTY
HEALTH

Quality, Safety and Experience

Ensuring patients have access to the highest quality service and dignified care to support the patients' needs. Stroger operations are being aligned to support the 2026 quality goals related to patient experience, clinical outcomes, readmissions and throughput.

Upcoming priorities:

- Improve Inpatient HCAHPS Likelihood to Recommend the hospital from 75.49 top box to 77.57%.
- Improve CMS Star Rating by increasing overall scoring from 41.77% to 52.58%.
- Improve Emergency Department Patient Experience Likelihood to Recommend from 62.31% top box to 64.02%.
- Improve Surgical OAS CAHPS Recommend the facility from 78.56 top box to 80.72 by the end of 2026.
- Increase Stroger Patient Safety Events reported by 10% year over year by the end of 2026.

Board Update:

- From Sept. 2025 through Jan 2026, Likelihood to Recommend has increased month-over-month.
- Nursing trends reflect focus on communication, anticipating patient needs, and making meaningful connections with patients and families.
- Nurse leader rounding focusing on always behaviors, compassionate care model and rounding with a purpose. Also, a continued focus on quality, safety and experience is being engrained in our culture.
- Staff education and continued survey readiness.

Serve as the employer of choice by supporting and investing in our workforce, recruiting the best talent, and fostering robust teamwork to ensure we are able to meet the needs of our patients.

Stroger ended FY25 with a 10% vacancy rate and staff turnover rate of 7.94%.

Upcoming priorities:

- Reduce vacancies in Clinical areas, Nursing, Ancillary and Support Service areas
- Reduce reliance on agency personnel
- Reduce recruitment timelines and address onboarding delays
- Continue to increase Stroger overall employee engagement score; mean score 3.80 (2024)

Board update:

- Successful job fairs this month to hire and fill open nursing positions.
- Reduction in agency Nursing, Clinical and Operational Support areas.
- National Match Day – March 20th, 2026
- Workforce optimization is being prioritized before requesting net new positions.
- Department specific work on employee engagement and reviewing action plans.

Transformation & Growth

Transform the delivery of care to ensure care is accessible, standardized, reliable and effective by optimizing systems to advance growth for our patients.

Upcoming priorities:

- Optimization in Surgical Services to improve turnaround time and achieve volume targets.
- Leverage technologies and new equipment to support efficiency.
- Decreasing patient wait times and focusing on throughput optimization.

Board update:

- Surgery optimization work related to operating room utilization rate, OR first case on time starts, and OR turnaround time.
- Tele Sitter program has monitored over 80 patients across the Med-Surg Division with more than 9,572 total observation hours.
- Lab will have a major upgrade to the Core Laboratory automation system. This includes replacing aging equipment, complete required infrastructure upgrades and position the laboratory to safely support current and future testing volumes.
- Emergency Department focus on the ED door-to-discharge metric which includes several key initiatives that have strengthened our throughput and overall operations.
- Continued focus on the Radiology Capital Replacement plan.

Fiscal Resilience

Optimize revenue capture to continue expansion of services and advance the mission of access to care for all patients. Also, improved coordination between operations, finance, and revenue cycle to better align documentation, and reimbursement.

Upcoming priorities:

- Fiscal discipline remains essential to sustaining mission-driven access and growth.
- Exceed budgeted Stroger volume expectations in Patient Days, Observation Days, Emergency Department, Surgical volume and Deliveries.
- Advance revenue cycle documentation initiatives to improve reimbursement accuracy and timeliness.

Board update:

- Stroger ended December 2025 with a \$5.5 M favorable variance to budget and a favorable expense variance of \$8.3M.
- Surgical volume 7.4% above budget through Dec. 2025.
- Patient Days, ED volume and Deliveries slightly lower than budget through Dec. 2025.
- Updates to the charge master with the new CPT Codes to assist with revenue enhancement and accurate charge capture.
- Leveraging revenue cycle tools that integrate patient clinical data directly with billing processes.

COOK COUNTY
HEALTH

Executive Summary: Statement of Financial Condition - December 31, 2025

- On an accrual basis, interim financials show that CCH ended December on target to budget. County's preliminary cash report on revenues and expenses, which is cash-based accounting, shows that CCH is **favorable** to budget by **\$3.8M**.
 - Revenue Commentary:
 - NPSR 1% **favorable** to budget
 - **Favorable** capitation variance to Budget due to higher than budgeted CountyCare membership
 - Expenditures:
 - CountyCare claims **unfavorable** variance to budget due to higher than budgeted membership
 - CountyCare:
 - CountyCare financials \$15M **unfavorable** to budget
 - Medical Loss Ratio 2.2% higher than expected
 - Membership is 395,145 which is 4.7% greater than budgeted

Financial Results – December 31, 2025

*NOTE: FY26 (Only 1 month Dec)

Revenue Cycle KPI

Commentary:

Our cash collections and DNFB/DNSP metrics are slightly off target for December. The cash collections performance dropped below the target due to the increase in payer claim processing times and a system processing issue with HFS. We expect the claims processing delays and system issue to be resolved by February. The DNFB/DNSP performance drop is a seasonality event due to the holidays and drop in production. We expect the performance to improve and align with our targets by February.

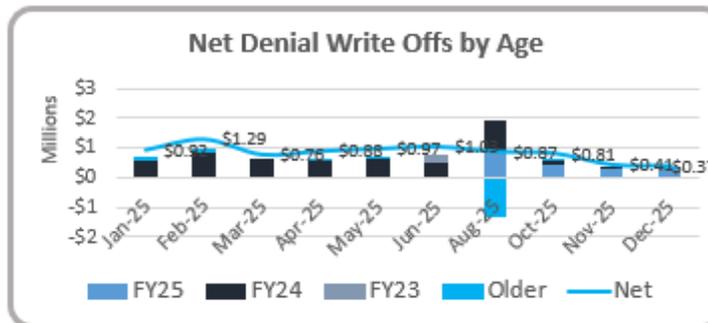

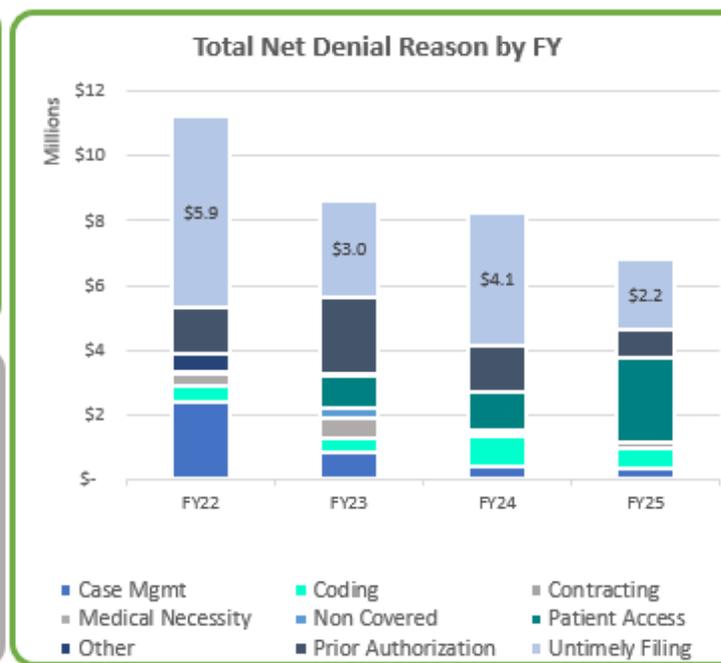

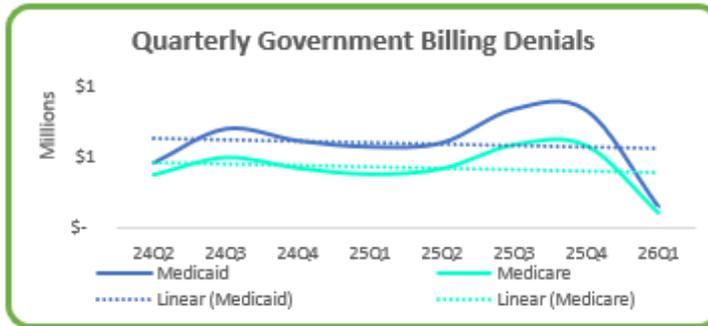

Definitions:

DNSP: Discharged Not Submitted to Payer - Gross dollars from initial 837 claims held by edits in claims processing tool that have not been sent to payer.

DNFB: Discharged Not Final Billed - Gross dollars in A/R for all patient accounts (inpatient and outpatient accounts) discharged but not yet final billed for the reporting month. Refers to accounts in suspense (within bill hold days) and pending final billed status in the patient accounting system.

CMI: Case Mix Index - Represents the average diagnosis-related group (DRG) relative weight for that hospital. It is calculated by summing the DRG weights for all Medicare discharges and dividing by the number of discharges.

Commentary

- Total YTD member months are exceeding budget by 17,691 members.
- Revenue and claims expense are higher than budget due to higher than budgeted membership.
- CountyCare’s reimbursement to CCH for domestic spend is exceeding budget.
- Most expenses are estimates, as minimal claims have been received thus far.
- Operating Loss of \$14M
- Operating loss is driven by increased utilization of services, particularly in the ACA and Immigrant populations beginning in 2nd Half 2025

CountyCare Membership

Notes:

- (1) Medical Loss Ratio is a measure of the percentage of premium that a health plan spends on medical claims.

Talent Acquisition

Overview:

The Talent Acquisition team at Cook County Health leads a strategic, system-wide approach to attracting and retaining top talent.

Current State

- Leverages applicant tracking systems to track and report progress.
- Leads outreach through career fairs, university partnerships, and DEI pipelines.
- Embeds equity, compliance, and consistency across all hiring activities in accordance with the Employment Plan.

Future State

- Engaging ideal candidates through targeted sourcing, recruitment marketing, and strategic partnerships with universities, professional associations, and community-based organizations.
- Executes the full recruitment lifecycle—from strategic sourcing and employer branding to screening, interviews, and offer prep.
- Leverages workforce analytics to identify hiring gaps, forecast needs, and track retention patterns system-wide.
- Enhances candidate experience through timely communication, process transparency, and digital engagement tools

Talent Acquisition

Key Projects and Initiatives:

- Agency conversion project led to converting 200+ contractors into permanent CCH roles, reducing vacancies and agency spend.
- Incorporation of the 'Accelerated Hiring Process' permanently into the employment plan to increase hiring velocity and reduce time to fill for key roles, especially where agency is heavily utilized. (Nursing, Clerks, Medical Assistants, etc.).
- Leveraging LinkedIn to enhance sourcing capabilities, employer branding and targeting ideal candidates for critical roles.
- Collaboration with Quality/Process Improvement to identify opportunities for increased efficiency and reduce time-to-fill
- Building a 2026 Career Fair Calendar – including external and CCH-hosted events
- Full adoption of LinkedIn Recruiter across all recruiters
- Career Fair Calendar executed around priority vacancies and strategic hiring goals
- Talent Attraction Strategy: Experienced Nurses
- Digitized the Onboarding Experience
- Taleo Enhancements
- TA Holistic Improvement Plan

FY26 Hiring Events

Hiring Fair Success:

- CCH January 22nd Nursing Focus
 - Emergency Department fill all 8 vacancies and created a CRL of 30 candidates
 - Perioperative Department filled 1 of 16 vacancies

Upcoming Fairs:

- CCH Sponsored February 18th Nursing Focus
 - 36 Medical / Surgical Vacancies
 - 13 Main Operating Room Vacancies
- 38th National Black Nurses Day Celebration February 24th
- Malcolm X College, March 4th
- CCH Sponsored March 13th
- Chicago Diversity Employment Day Career Fair, April 23
- CCH Sponsored April 16th
- Malcolm X College: RN Recruitment Event, May 8th
- Chamberlain University: RN Graduation Event, TBD

Talent Attraction Strategy: Experienced Nurses

Experienced nurses are increasingly seeking roles that align with their **professional goals, personal values, and well-being**. Engaging this audience requires moving beyond traditional job postings and job fairs. It requires a coordinated strategy that elevates our nursing voice - to more authentic, experience-driven messaging.

In partnership with Nursing, we aim to leverage authentic employee stories, testimonials, and real-world experiences – complementing LinkedIn Life Tabs and marketing assets – to clearly articulate culture, clinical experience, and commitment to nurses at every stage.

By intentionally bringing experienced nurses onto our campus through a **relationship- and networking-focused approach**, we can build trust, foster connection, and position our organization as a long-term career destination.

Strategies Currently Being Explored

Hosting industry-focused events

- Guest speakers on trending clinical topics, leadership development, or healthcare innovation
- Panel discussions featuring internal nurse leaders and subject matter experts

Partnering with continuing education vendors

- On-site or virtual continuing education (CE) opportunities
- Specialty-specific learning sessions that also showcase our clinical environment and leadership

Digitizing the Onboarding Experience

COOK COUNTY
HEALTH

Before: Printed

- Candidates printed a 26-page packet
- Onboarding appointments would take upwards of 90 minutes to complete
 - Incomplete information
 - Hard to read
 - Missing pages

After: Docusign

- Candidates are digitally completing onboarding paperwork
- Streamlined onboarding appointments
 - Paperwork is completed and reviewed before their appointment date
 - On average, an appointment is now 10-15 minutes long
- Impact on House Staff – 22 residents have completed onboarding paperwork

START YOUR JOURNEY WITH US

We are pleased that you have chosen to move forward to the next step in the pre-employment process

We understand that a seamless onboarding experience sets the foundation for your success within this organization.

Please carefully review this document for a detailed outline of how to prepare ahead of your appointment and what will occur on the day of your appointment.

How do we improve our candidate engagement and visibility?

Candidate Experience

- Communication Templates: build it into the Taleo
- Onboarding Process
 - Implement DocuSign
- Built Talent Network Community
- Process and Timeline Transparency (FAQs)

Recruitment Event Strategy

- Build a Recruitment Event Calendar
- Expand University / College Partnerships:
 - Nursing Programs
 - City Colleges of Chicago
 - Early Career (pipeline talent)
- Establish Partnerships with Professional Groups:
 - Nursing
 - Physician
 - Miscellaneous

Recruitment Marketing Strategy

- Career Site Optimization
- LinkedIn Company Page
 - Life Tabs Buildout and Optimization
 - Optimize Targeted Advertisement Campaigns
- Explore Niche Job Post Sites
- Explore DEI focused Groups and Sites
- Create Employee Testimonials and Day-in-the-Life Materials
- Highlight Career Growth Stories
- Establish Social Media Recruitment Strategy
- Transform Employees into Brand Ambassadors

Trainings

- How to Complete DTH Submissions
- How to Complete ARP Packets
- Creating a Great Onboarding Experience
- How to Share LinkedIn Job Postings
- Candidate Engagement

Enhanced Communication & Collaboration

- Create a Hiring Manager Toolkit
 - FAQs, timelines, best practices, etc.
- Regular sync-up meetings
- Establish Continuous Feedback Loops
 - Post-hire Surveys
- Partner on marketing initiatives (future LinkedIn Collaboration)

Resources

- Update Hiring Central
 - Centralize JDs
 - Centralize Training Materials and Process Docs
 - Create Templates for Candidate Engagement
 - Onboarding Templates
 - Candidate Communications
 - Interview Resources
 - Conducting Effective Interviews
- Improve Reporting
 - More data-driven approach

Proactive Workforce Planning

- Improve Partnership with PCA and TA Team on future hiring needs and initiatives

Taleo Enhancements

Short-term Initiatives

(within 6 – 12 months)

- Automated Email Communication
- eQuest Job Board
- Career Site Branding
- Improving Candidate Transparency – Application status changes
- Automated Dispositioning of Candidate
- Pipeline Management (Talent Network)
- Resume Parsing

Long-term Initiatives

(within 12 - 18 months)

- Interview Evaluations
- Advanced eOffer
- Pre-Hire Document Checklist
- Dynamic Approval
- Auto Progression of Candidates
- Dashboards & Reports

Future Initiatives

(18+ months)

- Scheduling Candidate Interviews
- Onboarding Process
- Scheduling Center

Recruitment Process Improvement

Strategic HR Transformation

OVERVIEW

Process Optimization for Hiring, Recruiting, Employees and Recruiting Support

OBJECTIVE

The goal is to make HR work more consistent, more efficient, and easier for employees, managers, and HR teams to navigate.

KEY OUTCOMES

Consistent HR Processes

Compliance and Audit Readiness

HR Service Link Modernized

Clear Roles and Accountability

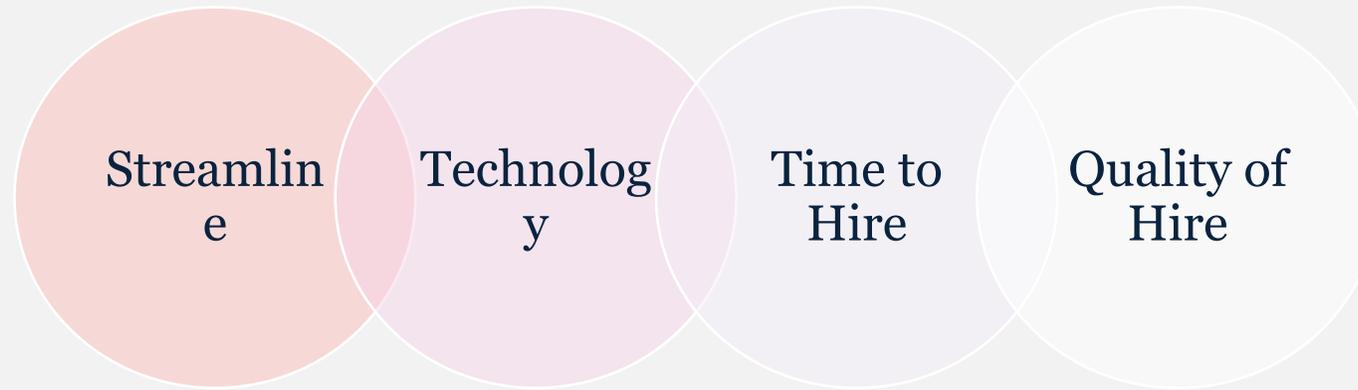

Sustainable workforce development and leadership practices.

User-Friendly

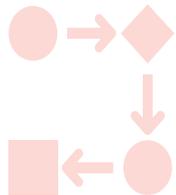

Strategic HR Transformation

WORKSTREAM 1 – RECRUITMENT & SELECTIONS

Modify the tools and practices HR utilize to attract, evaluate, select, and onboard candidates and manage applicant data and status.

OBJECTIVE

Create a more consistent, accountable recruitment process that supports timely hiring and clear expectations for everyone involved.

KEY OUTCOMES

Standardized Workflows

Updated Recruitment business process maps

Standard Operating Procedure documents

Job Aid documents

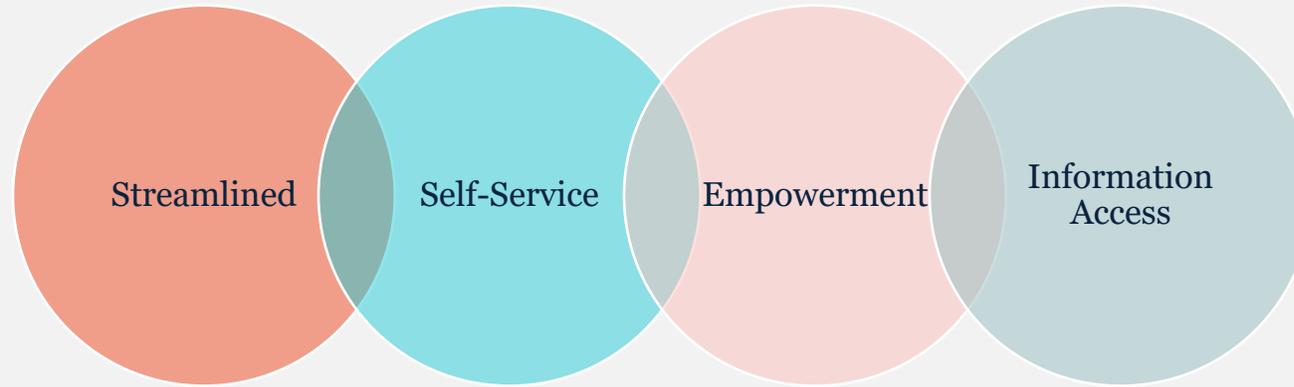

Performance Measures

Service Level Agreement

Strategic HR Transformation

WORKSTREAM 2 – HR Information Systems

Enhance the HR Service Link application to enhance the tool's capabilities and user experience.

OBJECTIVE

Improve HR Service Link so it works better for employees, managers, and HR—reducing manual work and increasing self-service.

KEY OUTCOMES

Roadmap

Process Automation

Artificial Intelligence (AI)

Tuition Reimbursement

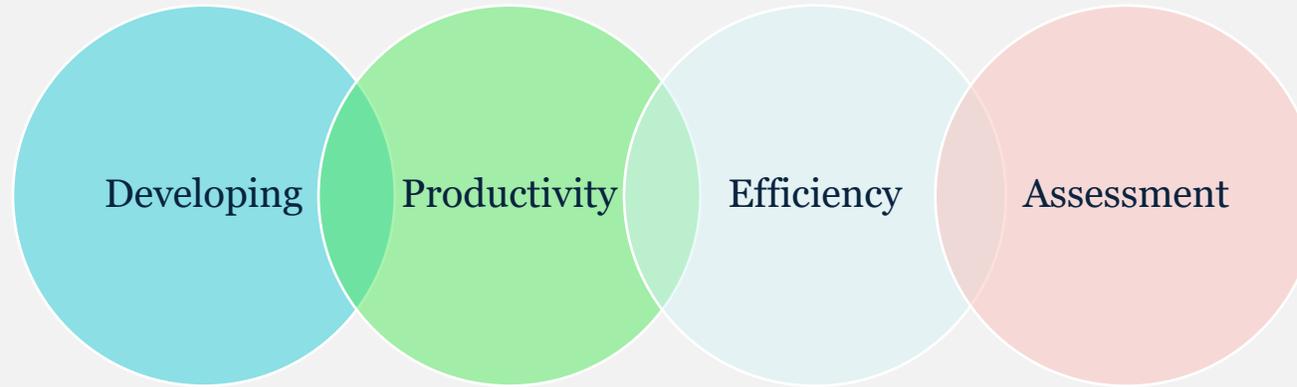

Revamped Separation/Exit Process

Standard Operating Procedure documents

Strategic HR Transformation

WORKSTREAM 3 – WORKFORCE DEVELOPMENT & PERFORMANCE MANAGEMENT

Design and develop learning modules to assist with effective workplace relationships.

OBJECTIVE

Strengthen leadership capability and create clearer pathways for growth and career movement across the organization.

KEY OUTCOMES

Workplace relationship micro-learning modules

Learning Pathways

Professional Competency Frameworks and Assessments

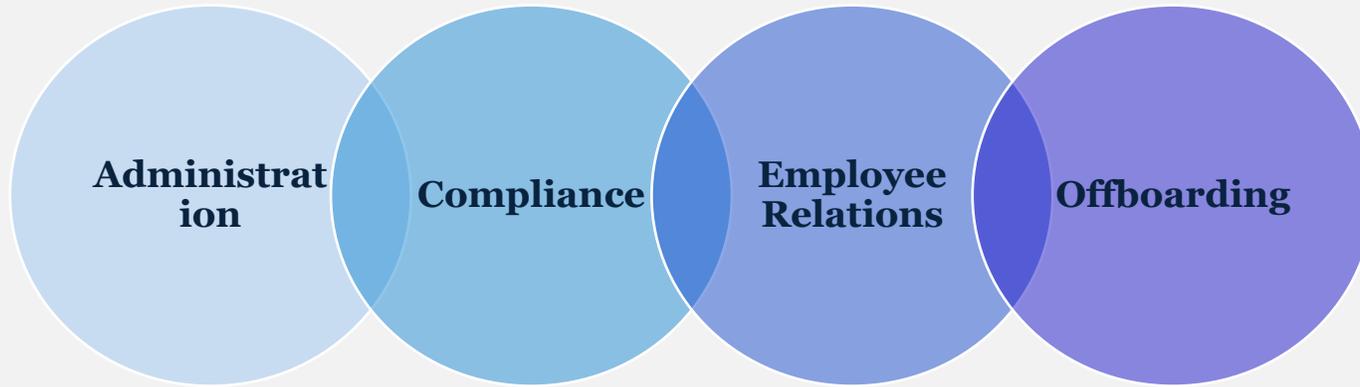

Integrated Learning Institute Program

Leadership Development

CCH Learning Institute Governance

WORKSTREAM 4 – HR OPERATIONS

Enhance both proactive and reactive compliance procedures to support audit readiness.

OBJECTIVE

Bring more consistency, clarity, and sustainability to core HR operational processes.

KEY OUTCOMES

Standard Operating
Procedure
documents

Compliance Audit
Process
Improvements

Standardized
Templates

Records

Quality & Patient Safety

COOK COUNTY
HEALTH

CountyCare received a 4-Star NCQA Health Plan Rating for a second year!

COOK COUNTY
HEALTH

CountyCare is proud to have achieved a 4-star overall plan rating in the 2025 NCQA Health Plan Ratings.

CountyCare was the only Illinois Medicaid MCO to receive a 4-star overall plan rating in 2025. Only 22% of Medicaid health plans achieved a 4-star rating or higher in rating year 2025.

Cook County Health & Hospitals System's CountyCare Health Plan	★★★★★
Blue Cross and Blue Shield of Illinois, a Division of Health Care Service Corporation a Mutual Legal Reserve Company.	★★★★★
Molina Healthcare of Illinois, Inc.	★★★★★
Meridian Health Plan of Illinois, Inc.	★★★★★
Aetna Better Health of Illinois Inc.	★★★★★

2025 Wins Summary

Member Safety, Clinical Excellence, and Quality

- ✓ **4-star health plan from NCQA and highest quality health plan in Cook County**
- ✓ Consistent 69% health risk screening rating since February 2025
- ✓ **Launched new outbound call center team with over 40K completed interactions**

Health Equity, Community Health, and Integration

- ✓ **Won 2 NACo Awards for HBIA/HBIS implementation and water filter program**
- ✓ Received 100% across all populations for State Transportation Performance Improvement Plan
- ✓ 3 Health Fairs and 2 Community Baby Showers

Member Experience

- ✓ **5 stars in CAHPS Rating of Health Plan measure**
- ✓ **Launch of “Health Plan Built Around You” Campaign with over 180M total impressions (+237% above 2024)**
- ✓ **>230 redetermination and outreach events**

Growth, Innovation, and Transformation

- ✓ **Submitted HealthChoice RFP**
- ✓ Highest market share - increase in market share (34.8%) and high choice enrollment (32% 12-month average)
- ✓ **4 Aster Awards for “Bring on the Benefits” (1 Gold and 3 Silver)**

Workforce: Talent and Teams

- ✓ Staff Engagement activities – including Field Day, Midday Mingles
- ✓ Hired >30 staff
- ✓ Participation in Bud Billiken Parade and Pride Parade

Fiscal Resilience

- ✓ 57% spend in value-based care (2024)
- ✓ **Kicked off Fiscal Resilience Project**

Optimization and Systemization

- ✓ Onboarding of Advocate and Loyola
- ✓ Ongoing Strategic Partnership Reviews with providers
- ✓ **Enhanced digital experience – new website and member portal**

*Bolded items are expanded upon within this slide deck

Enhancing the CountyCare Member Experience

Member feedback motivated CountyCare to enhance the digital member experience:

- ✓ New provider directory - September 2024
- ✓ New outbound outreach team - February 2025
- ✓ New text message tool - April 2025
- ✓ New member portal - June 2025
- ✓ New member website - July 2025
- ✓ Ongoing: Outreach and Redetermination Events, new provider contracting to improve access, and focus on language access

In 2025, CountyCare earned 5-stars on the CAHPS “Rating of a Health Plan” measure

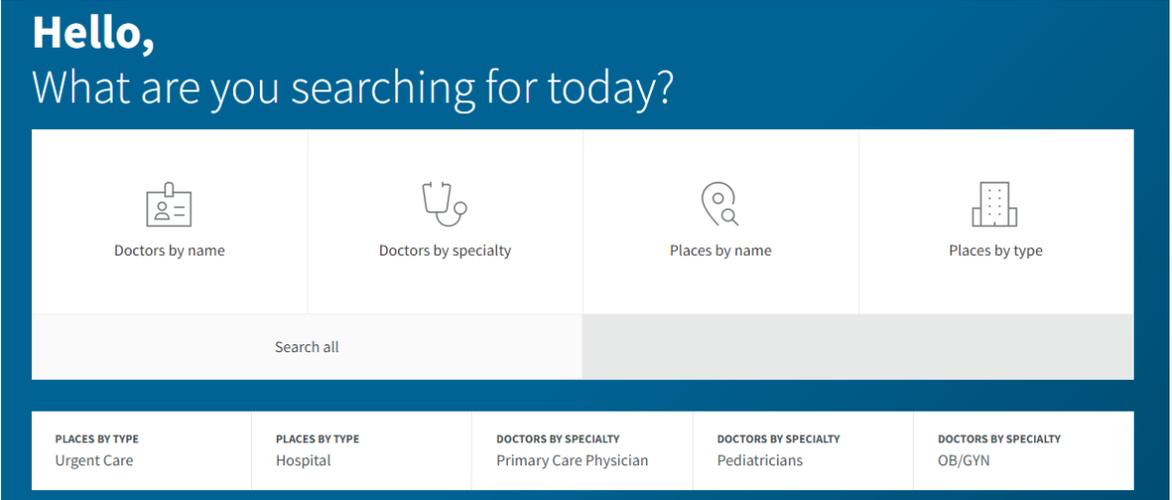

Provider Directory

CountyCare's new [provider directory](#) went live in September 2024

Work continues to improve the underlying data displayed in the provider directory.

Improved functionality, including the ability to search by "body part," symptom, provider type, and specialty.

Hello,
What are you searching for today?

 Doctors by name	 Doctors by specialty	 Places by name	 Places by type	
Search all				
PLACES BY TYPE Urgent Care	PLACES BY TYPE Hospital	DOCTORS BY SPECIALTY Primary Care Physician	DOCTORS BY SPECIALTY Pediatricians	DOCTORS BY SPECIALTY OB/GYN

Outbound Call Center

While not digital, CountyCare's outreach call campaigns improve member experience, close care gaps, increase appointment access, and support member retention through redetermination outreach.

Increase Member Engagement Rate

- Target call connection rate of at least 50%
- Quality interactions and responsiveness

Provide Exceptional Member Experience

- Estimated 11,000 new member welcome calls each month
- Provide bi-lingual support in Spanish and English on at least 90% of all calls

Close Care Gaps

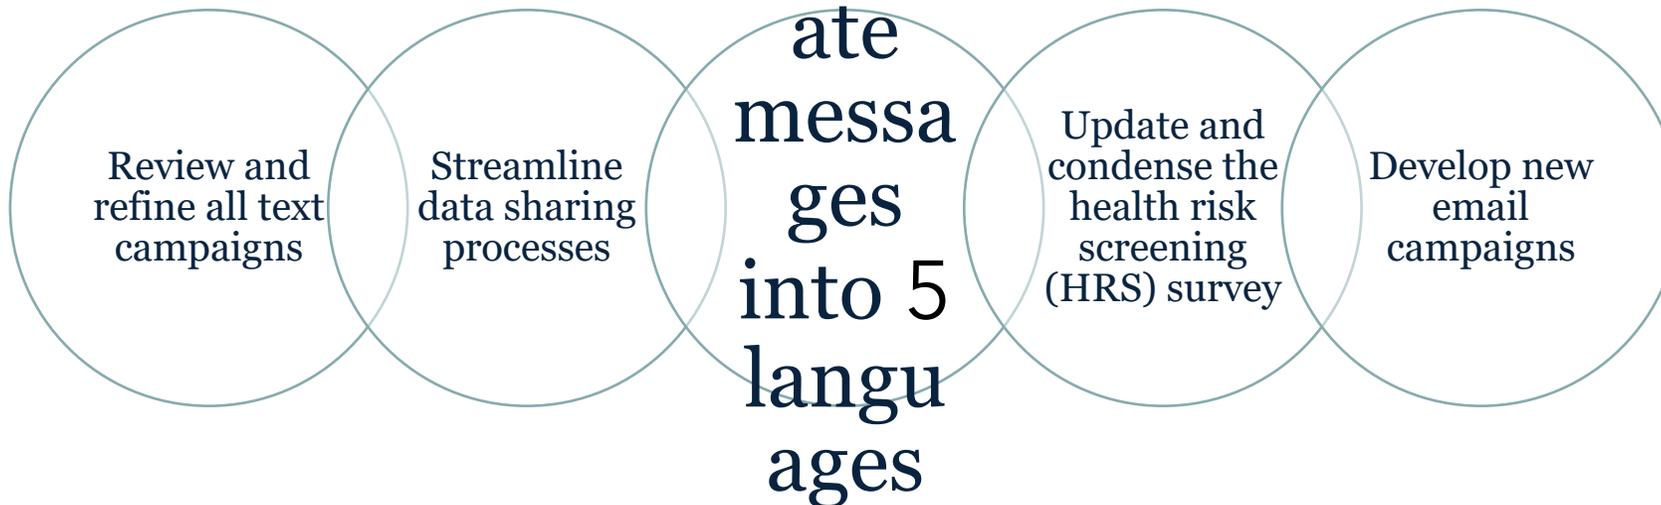

- Proactively engage
- Three call attempts within 30 days
- Aim to close a significant percentage of identified care gaps

Text Message Transition

April 2025, CountyCare went live with a new text message vendor

- **Texts sent in 2025: 9,582,608**
- **Total opt outs in 2025: 9,367**

The transition to a new text message vendor has allowed CountyCare to:

New Member Portal went live July 2025

22,792

Members registered
as of 12/31

Exciting features within the new member portal:

- Cook County Health ExpressCare (virtual care) link on the member portal
- Single Sign On for ModivCare (transportation) & Incomm (rewards) from portal

The screenshot shows the CountyCare member portal interface. At the top, there is a dark blue header with the CountyCare logo on the left, and navigation links for 'Español', 'Contact Support', 'Messages', and a personalized welcome message 'Welcome Erika'. Below the header, there are tabs for 'My Health Plan', 'My Resources', and 'My Preferences'. The main content area features a welcome message and a list of actions users can take, such as updating contact information, picking a doctor, and learning about benefits. A 'Quick Access' sidebar lists various services like 'Complete my Health Risk Screening', 'Find a Dental or Vision Provider', and 'Find a Pharmacy'. A large 'Find a Provider' banner with a family photo and a search button is also present. At the bottom, there are three cards for 'View Earned Rewards', 'View My Benefits', and 'View My ID Card', each with a corresponding icon and a 'VIEW' button.

Website Refresh of CountyCare.com

- In June 2025, launched a new website
- The new layout received positive feedback for being easier to navigate and for being more visually appealing
- The grey table below shows numbers comparing 2025 to 2024 website views and users

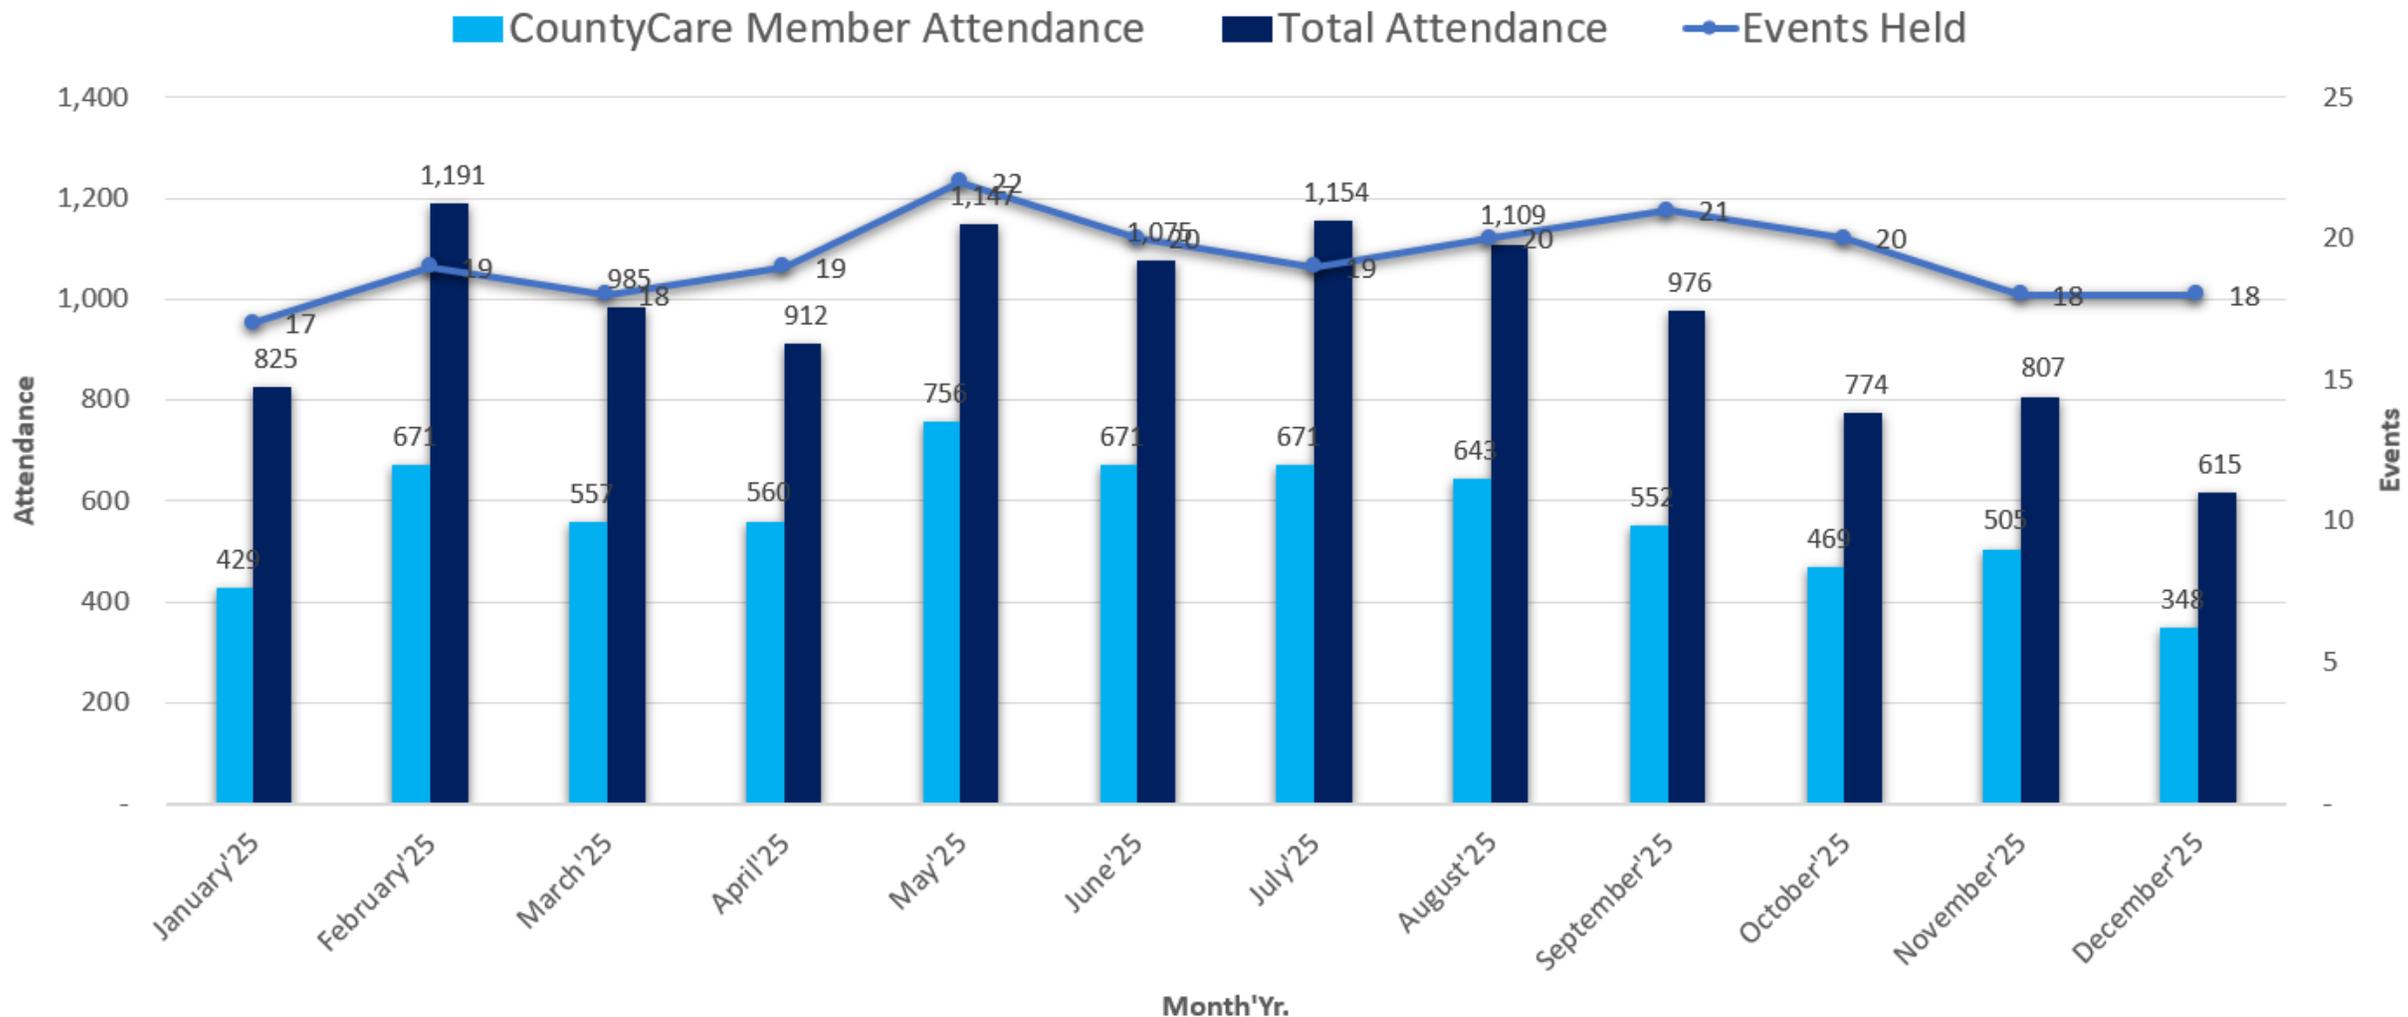

You're Covered With CountyCare

CountyCare is Cook County's largest Medicaid health plan, available exclusively to HealthChoice Illinois enrollees who live in Cook County. With access to more than 6,600 primary care providers, 26,000+ specialists, over 70 hospital locations, and 150+ urgent care sites throughout Cook County.

A Health Plan Built Around You

CountyCare Choice Campaign 2025-2026

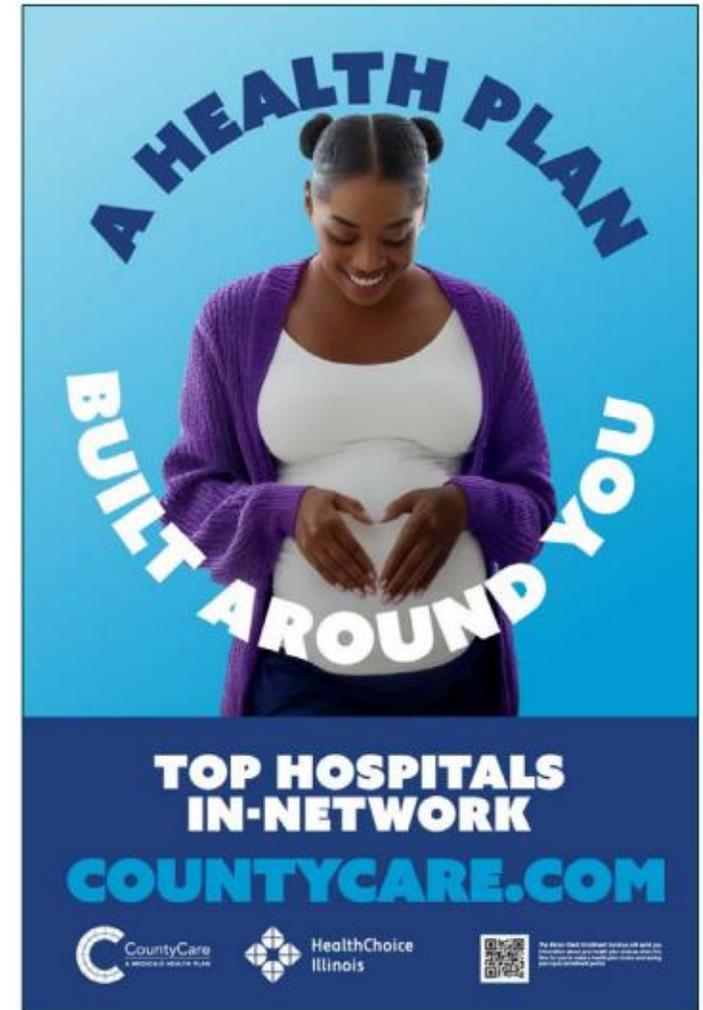

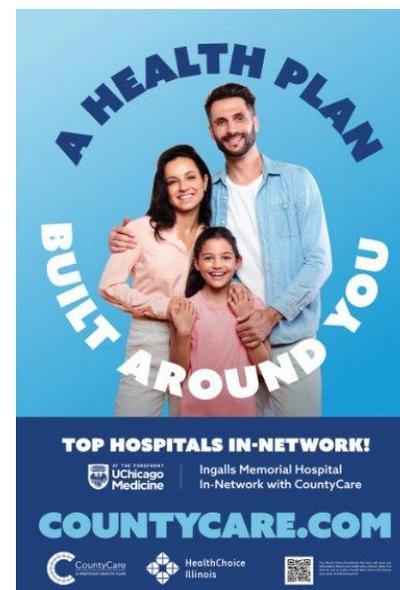

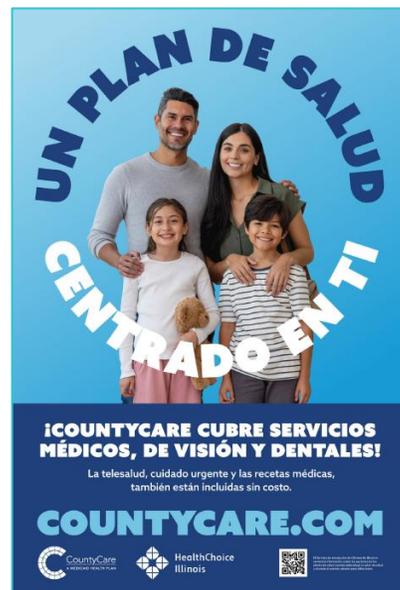

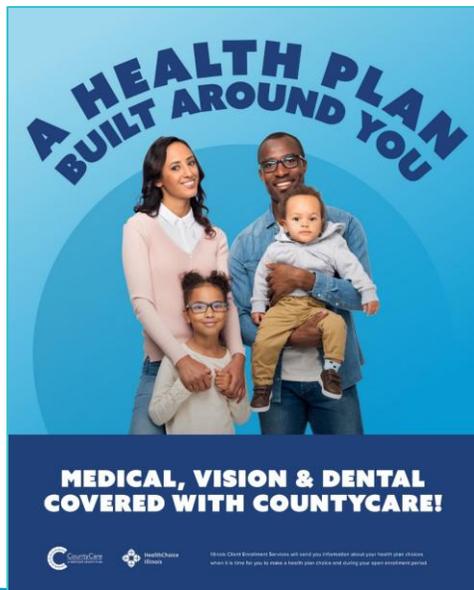

Research: Conducted six focus groups with a total of 38 participants representing the core target.

Media: Digital and Out-Of-Home

Goals: *Retention & acquisition*

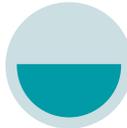

The CountyCare Choice Campaign is outperforming last year's results and benchmarks. Integrated media drove broad reach and frequency, while strong digital engagement signals high message relevance.

Target selection was based on the Membership Analysis 2025 conducted by Res Publica Group

The One Big Beautiful Bill (H.R. 1): Medicaid Snapshot

Provision	Description	Projected Impact	Implementation Timeline
<p>Mandatory Work Requirements</p>	<p>Requires states to implement work requirements for ACA expansion adults (able-bodied adults age 19-64) and parents of children age 14+.</p> <p>Several exemptions exist (e.g. pregnancy, disability).</p>	<ul style="list-style-type: none"> • CountyCare has ~105K ACA adults who will likely need to adhere to new reporting requirements • Increased administrative burden for the state, MCOs and enrollees • Need for additional education, outreach and navigation support to adhere to requirements 	<p>December 31, 2026</p>
<p>Six Month Redetermination</p>	<p>Requires ACA expansion adults to undergo eligibility checks every 6 months, instead of every 12 months.</p>		<p>December 31, 2026</p>
<p>Immigrant Restrictions</p>	<p>Includes changes to the definition of “qualified alien” which affects which immigrants are eligible for federal Medicaid.</p>	<ul style="list-style-type: none"> • Refugees, asylees and other immigrants will no longer be eligible for federal Medicaid coverage. • <i>CountyCare has an estimated ~2,270 members in this category.</i> 	<p>October 1, 2026</p>

CMS Information Bulletin - Work Requirements

On December 8, 2025, CMS issued an [informational bulletin](#) regarding the H.R. 1 work requirements provision. The bulletin mostly reiterates what was already in the statute and prior CMS communications.

New Information Shared:

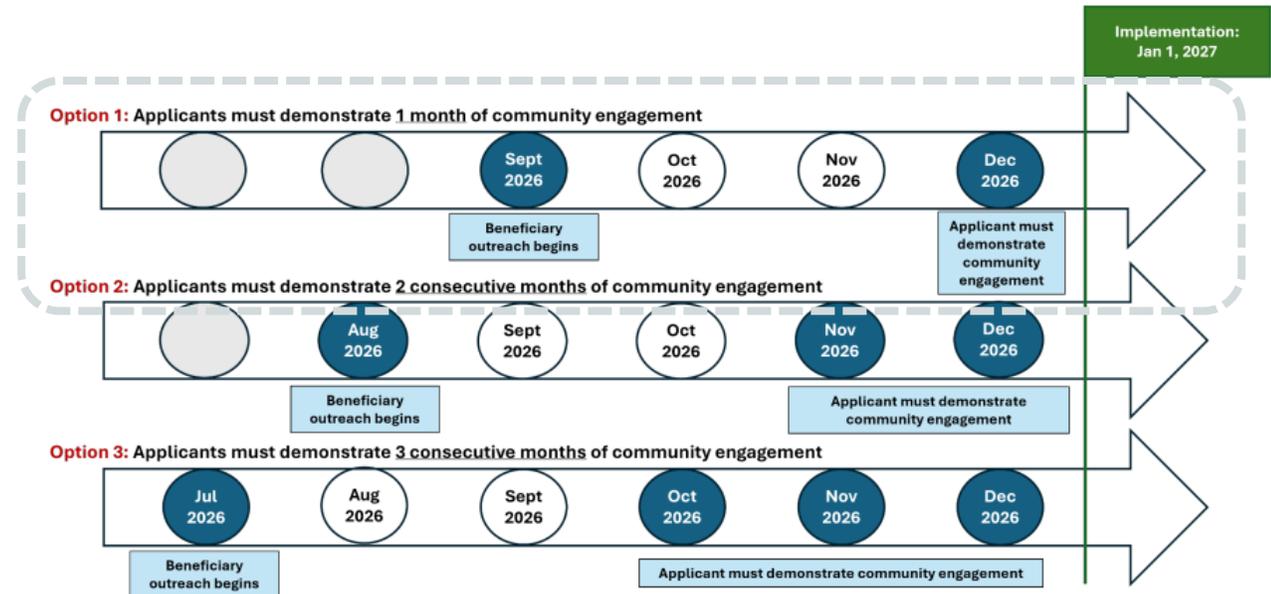

- This guidance includes more a detailed explanation of the required timeline for state outreach to affected beneficiaries.
- Indicates that waivers for delayed implementation will be limited to states making meaningful efforts toward implementation that face severe and/or unexpected challenges.
- Indicates additional guidance is forthcoming on acceptable documentation and **the role of managed care plans.**

“CMS expects to issue further guidance on the potential role that managed care plans can appropriately play in activities that are not related to determining beneficiary compliance.”

It is expected that Illinois will implement Option 1.

Appendix: State Options for Initial Community Engagement Beneficiary Outreach and Compliance Review Periods at Application

Based on the statutory implementation date of January 1, 2027, the following graphic depicts state options for timelines accounting for the required three months of initial outreach to existing beneficiaries and the state’s “review period” – how many months an applicable individual must demonstrate community engagement to qualify for Medicaid at application (one to three months, at state option).

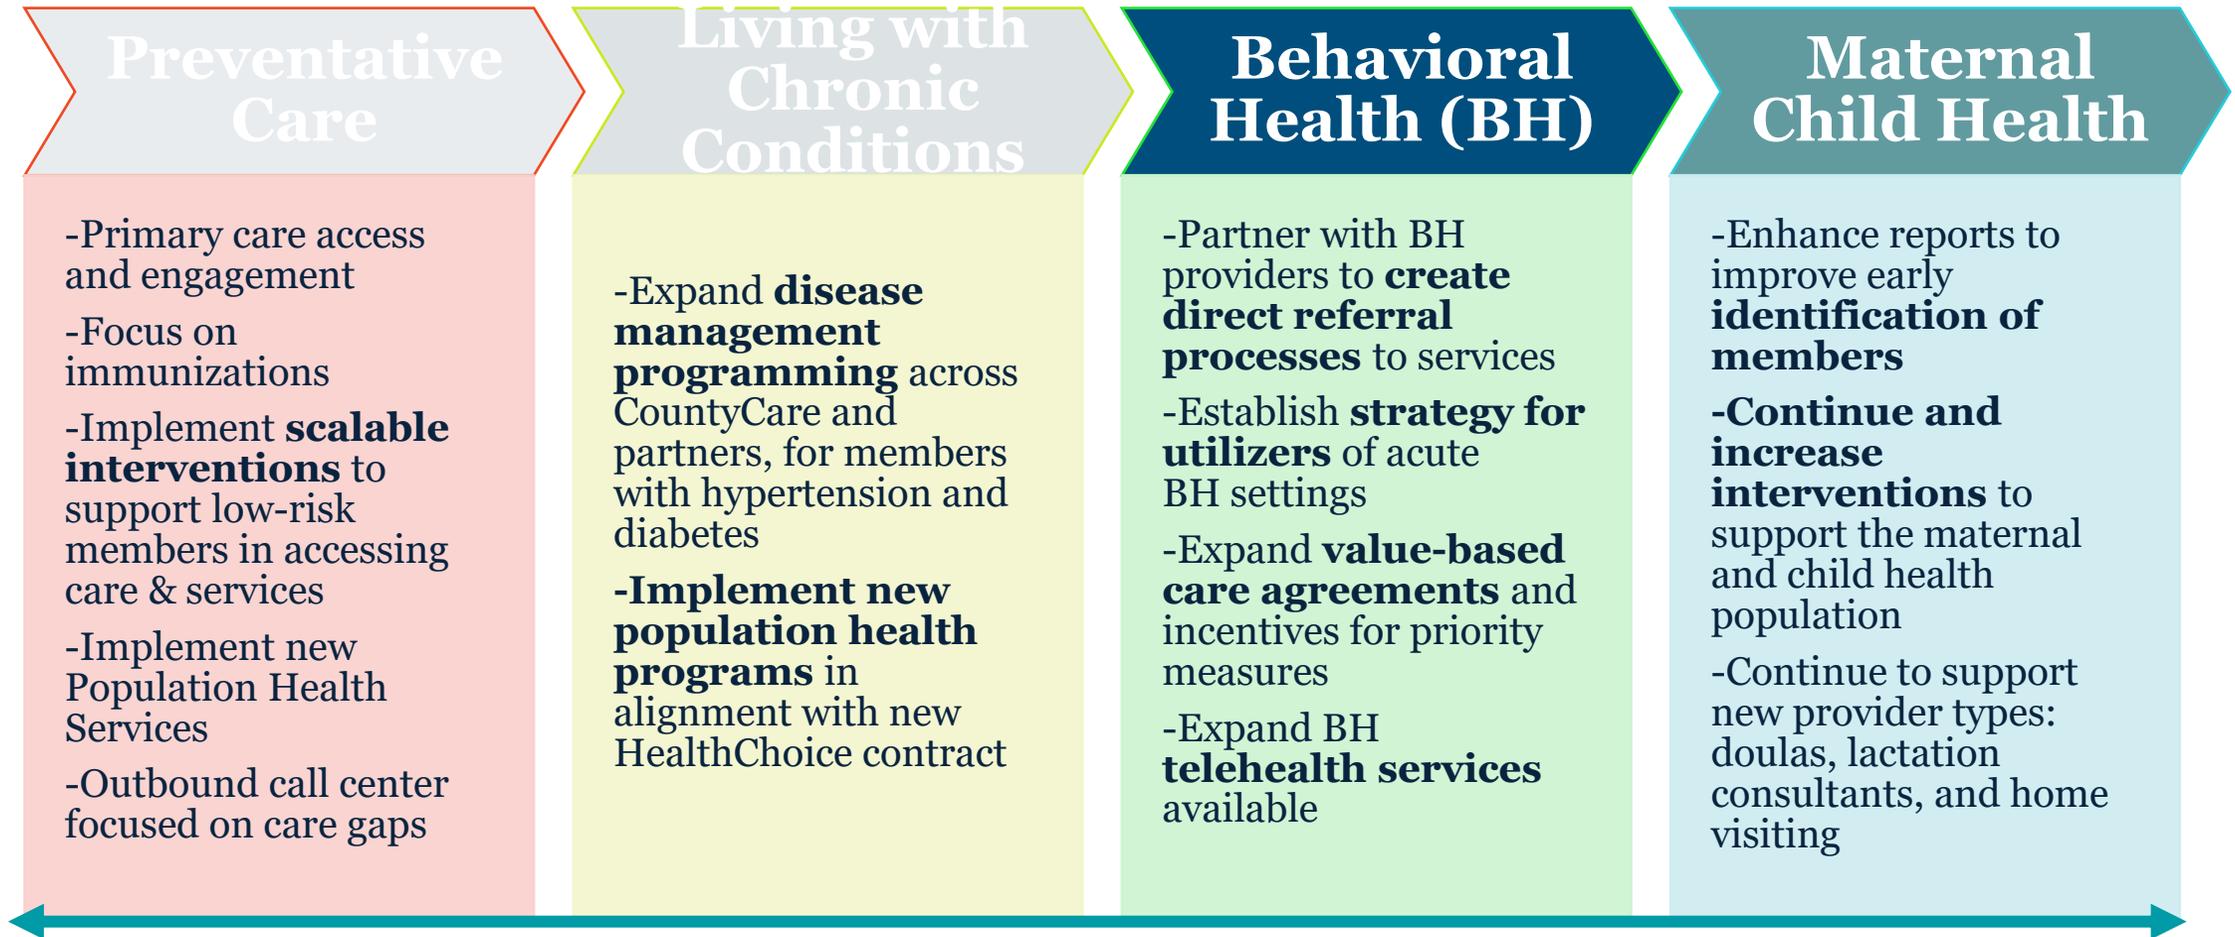

CountyCare Objectives and Key Results (OKR) 2026-2028

Strategic Pillar	Objective
Quality, Safety, and Experience	<p>Objective: Reduce health inequities through the creation of opportunities for our members to access quality care in their communities and meet their health-related social needs.</p> <p>Key Result: Obtain a 5-star rating from the National Committee for Quality Assurance by 2028.</p>
Workforce	<p>Objective: Retain and support teams by fostering an inclusive culture and opportunities for professional development that lead to an engaged, compassionate and productive team.</p> <p>Key Result: Achieve the 95th percentile of engaged employees on the employee engagement survey by 2028.</p>
Fiscal Resilience	<p>Objective: Sustain strong financial performance in Health Plan Services, in support of Cook County Health.</p> <p>Key Result: Achieve a \$2 million annual margin by 2028.</p>
Growth and Transformation	<p>Objective: Through innovation, transformation, and product expansion, become the health plan of choice in Cook County.</p> <p>Key Result: Launch a new product by 2028.</p>

Equity is foundational to every pillar and the lens through which every objective is pursued and decision is made

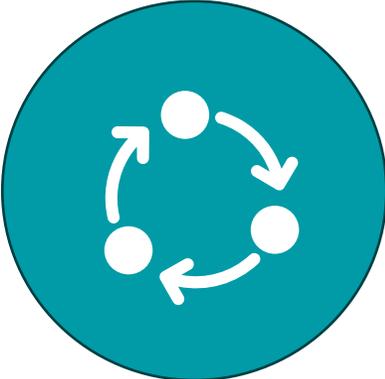

2026 Quality Strategy

Provider pay for performance and value-based contracting
Medical home-based care management
Increase supplemental data capture
Increased access and quality care

National Committee for Quality Assurance Accreditations

Health Plan Reaccreditation

- **Every three years**
- **Look back period:**
6/1/2024-5/31/2026
- **Submission date:**
June 2026

Health Equity Accreditation

- **First survey**
- **Look back period:**
12/16/2025-6/16/2026
- **Submission date:**
June 2026

Long Term Services and Supports Distinction

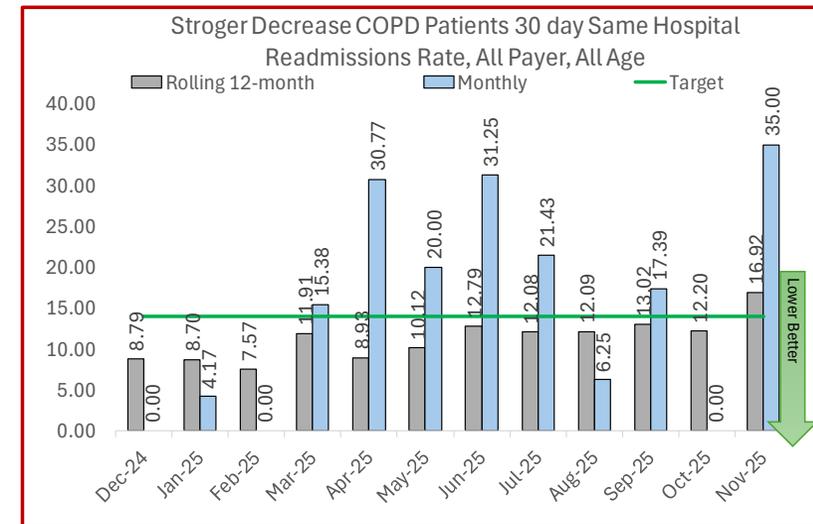

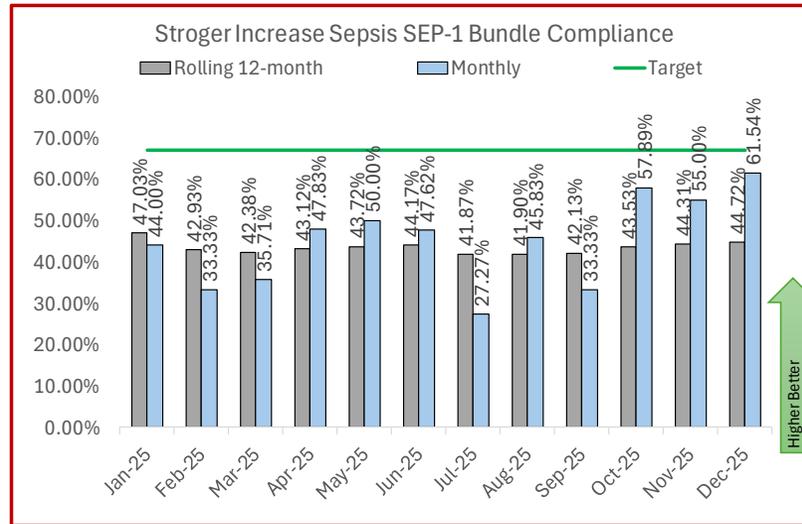

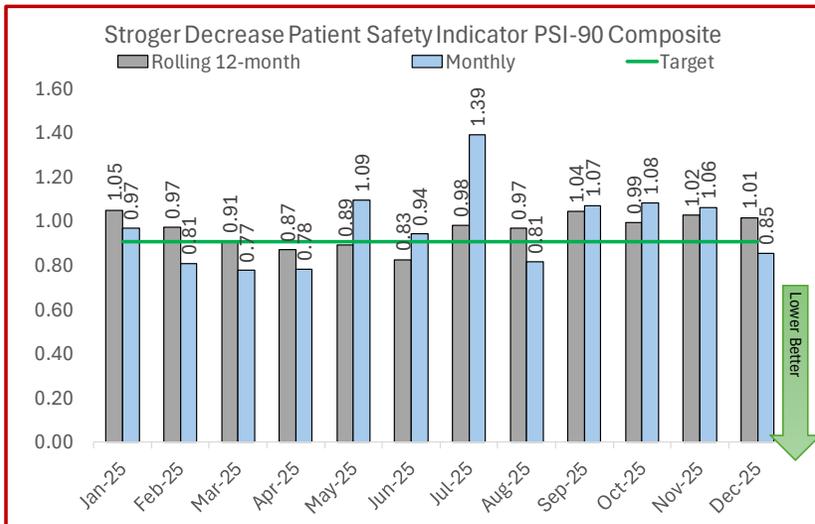

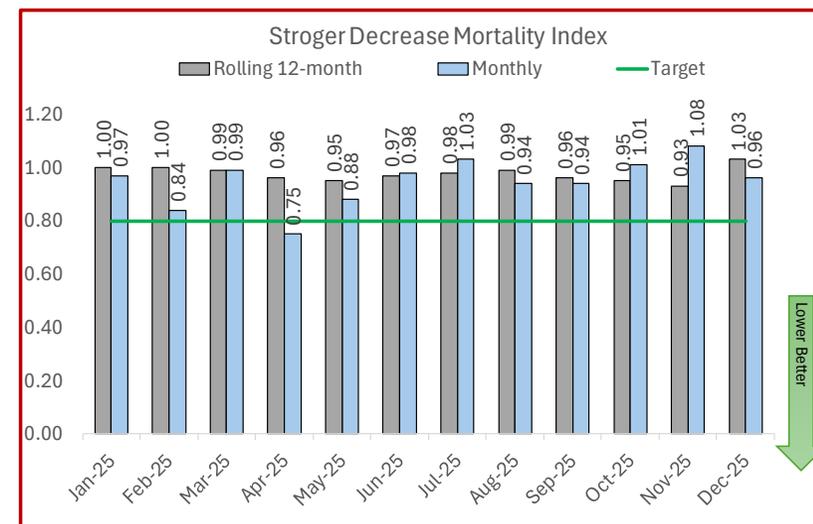

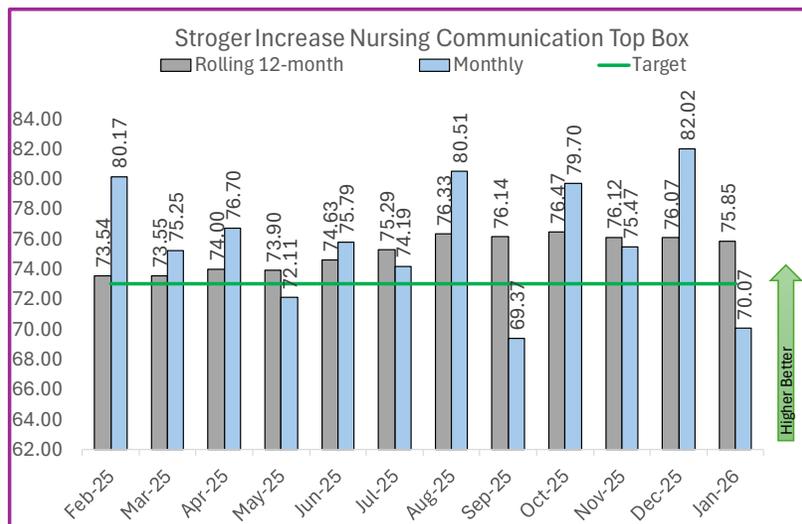

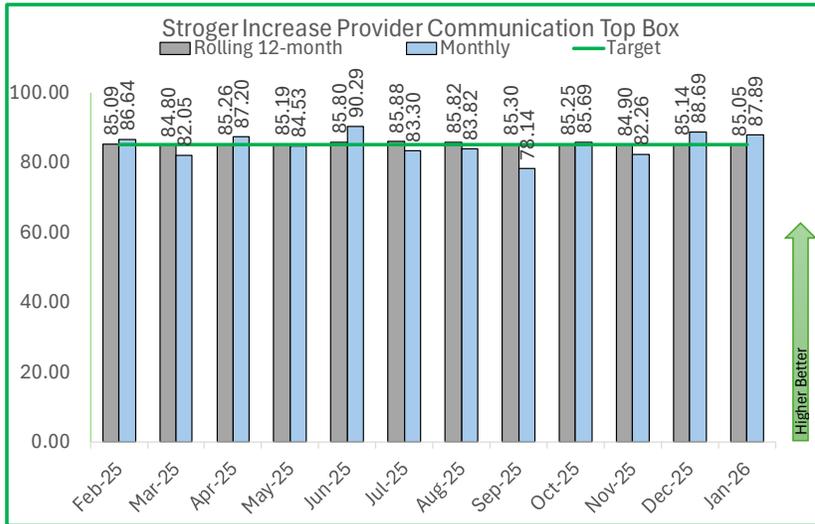

- **First survey**
- **Look back period:**
12/30/2025-6/30/2026
- **Submission date:**
June 2026
