# Purpose

This report is intended to serve as an update on the County's COVID-19 funding.\*

This report covers activity for the period from March 1, 2020, through May 8 2026.

\*\* Amount reflected above is the amount of the current grant budget. During the February 25, 2021 Board meeting, the budget was increased by \$75m to account for anticipated vaccination and labor costs. During the September 23, 2021 Board meeting, the budget was increased by \$16.5m to account for additional labor and non-personnel costs. During the December 16, 2021, the budget was increased by \$49.9m to account for additional vaccination, labor and non-personnel costs. During the February 10, 2022 Board meeting, the budget was increased by \$15.7m to account for additional vaccine distribution and administrative costs. On March 1, 2022, FEMA public assistance was extended through July 1, 2022. During the June 16, 2022 Board meeting, the budget was increased by \$30m to account for additional vaccine distribution and administrative costs. During the July 28, 2022 Board meeting, the budget was increased by \$100m to account for additional vaccine distribution and administrative costs.

\*\*\* Cook County was allocated \$1,000,372,385.00 under SLFRF and has received 100% of the award allocation to-date, or \$1,000,372,385.00. The "Disbursed" amount reflects the total value disbursed via reimbursements and advancements in the County's EBS system. The "Fully Expensed" value reflects the total amount disbursed minus the value of funds advanced to partners remaining to be spent, using advance spenddown data from GovGrants. The corresponding bar charts outline the "Disbursed" and "Fully Expensed" amounts in relation to the total SLFRF award value of \$1,000,372,385.00.

§ Cook County was allocated \$100,000 in total under LATCF in two allocations of \$50,000 in FY22 and FY23 respectively. Cook County has received 100% of the award allocation to-date.

\*\*\* From Aug 2024, SLFRF Total Spend amounts exclude current year encumbrances (which were earlier included in the data) to reflect the actual amount of funds spent. This update has been made to ensure consistent tracking of funds being spent as projects under SLFRF progress forward.

\*\* IDHS provided \$15M to the County, with the single year agreement initiated on 6/30/22. As the County only received its first transfer in December, the County disbursed 97.2% in half the time.

FEMA Closeout Review:	\$100.8M
Closeout Complete:	\$212.9M
<b>Expense Overrun/(Underrun):</b>	<b>\$(0.5M)</b>

The FEMA PA closeout process involves collecting and reconciling 100% supporting documentation to validate project expenses once reimbursed.

During the closeout process, expense overruns or underruns may be discovered. Overruns or underruns occur when additional eligible, ineligible, or unsubstantiated costs are found within a project. For each project underrun, the County will make a repayment to align costs with reimbursements. For each overrun, the additional funds will be obligated and reimbursed.

Once documentation is collected and expenses are validated, a closeout package is submitted by the County to the State. After its review, the State then submits the package to FEMA for review.

The closeout process ensures federal compliance and protects Cook County from a claw back of funds at program closeout or during any subsequent Department of Homeland Security OIG audit.

Once all projects have been reviewed and closed out, a closeout payment transaction will be provided, and the FEMA PA program will be closed out. In the closeout payment, FEMA will reimburse the County for its Category Z administrative costs.
