*Based on calendar days.							
Explanation Legend		Talent Market Impacts	Onboarding Process Impacts				R&H Capacity
Additional Details	Applicant Interest/Multiple Offers - Talent market challenges resulted in postings receiving no applicants, no qualified applicants, multiple offers extended, or applicants that declined Cook County offer(s)	Planned Start Delay - Start date was set for a future date or delayed by the new hire due to notice to current employer or relocation	Scheduling - Department or BHR scheduling for critical meetings related to R&H process				
	Extended Acceptance Determination - Salary negotiations	Pre-employment Screening - Receipt or review of pre-employment screening information caused delay	Workload - Number of jobs in queue was heavy and caused a delay				
	Applicant interest/Revisions and Repost - Talent market challenges resulted in repostings and changes to job descriptions	Document Return Delay - Delay in submission of onboarding documents by new hire					
		Accommodation Request - New hire request for an accommodation caused a delay in onboarding					
		Future Hires - Positions where industry standards dictate recruiting in advance of the established start date
