NOTICE AND AGENDA

There will be a meeting of the Committee or Subcommittee of the Board of Commissioners of Cook County at the date, time and location listed above to consider the following:

PUBLIC TESTIMONY

Authorization as a public speaker shall only be granted to those individuals who have registered to speak, with the Secretary, 24 hours in advance of the meeting. To register as a public speaker, go to the meeting details page for this meeting at <https://cook-county.legistar.com/Calendar.aspx> to find a registration link. Duly authorized public speakers may speak live from the County Board Room at 118 N. Clark Street, 5th Floor, Chicago, IL or be sent a link to virtually attend the meeting and will be called upon to deliver testimony at a time specified in the meeting agenda. Authorized public speakers who are not present during the specified time for public testimony will forfeit their allotted time to speak at the meeting. Public testimony must not exceed three minutes; the Secretary will keep track of the time and advise when the time for public testimony has expired. After each virtual speaker has completed their statement, they will be removed from the meeting. Once removed, you will still be able to follow the proceedings for that day at:

<https://www.cookcountyil.gov/service/watch-live-board-proceedings> or in a viewing area at 69 W. Washington Street, 22nd Floor Conference Room C, Chicago, IL. Persons authorized to provide public testimony shall not use vulgar, abusive, or otherwise inappropriate language when addressing the Board; failure to act appropriately; failure to speak to an item that is germane to the meeting, or failure to adhere to the time requirements may result in expulsion from the meeting and/or disqualify the person from providing future testimony. Written comments will not be read aloud at the meeting, but will be posted on the meeting page and made a part of the meeting record.

Summary: The Department of Transportation and Highways respectfully requests approval of the proposed Amendment No. 1 between Cook County and R.W. Dunteman Company, Addison, Illinois.

This Contract was approved by the board on June 24, 2021, for County Line Road improvements located within the Cook County Board District 17 in accordance with the plans and specifications. This amendment provides for the changes associated with the estimated and actual quantities performed on site. This project is being performed adjacent to the Illinois Tollway's I-294 widening project. The coordination of the two projects has resulted in a differing field conditions than originally anticipated including revised drainage work, realignment and adjustment to the water main. In addition, IDOT has requested changes to signal system to address traffic flow and signal communication issues found within the projects.

This amendment also provides for additional work including subsurface exploration for utilities conflicts, informational signage for work zones, temporary street lighting reconfiguration, pothole patching, tree removal, traffic safety devices, access entrances and upsizing several storm sewer structures to properly accommodate the proposed pipe runs.

This contract was awarded pursuant to a publicly advertised Invitation for Bids (IFB) in accordance with the Cook County Procurement Code. R.W. Dunteman Company was the lowest, responsive, and responsible bidder..

Summary: The Department of Transportation and Highways respectfully requests approval of the proposed Contract Amendment No. 1 between Cook County and Arrow Road Construction LLC, Hillside, Illinois.

This Contract was approved by the board on September 22, 2022, for the Pavement Preservation and Rehabilitation Program - North 2021 located within the Cook County Board Districts 14, 15, 17 in accordance with the plans and specifications. The amendment accounts for changes required to complete the project. The project has differing field conditions than originally anticipated when the project was designed. The resulting field conditions have created significant changes to the proposed plan. The amendment accounts for discovering wire mesh above plan depth during partial median removal that required further measures for full median removal in lieu of proposed milling; Village requests to replace brick crosswalk removal and replacement with asphalt items; sidewalk removal and replacement to install pedestrian push button foundation and button; Village requests for additional pavement marking edge line; additional pavement patching; additional hot-mix asphalt items; and adjustments to other items as needed. Finally, the amendment accounts for work that was not included in the project but required to meet the goals of the project including traffic signal work at an additional seven intersections on Schaumburg Road; new storm sewer diameters discovered and cleaned.

This contract was awarded pursuant to a publicly advertised Invitation for Bids (IFB) in accordance with the Cook County Procurement Code. Arrow Road Construction LLC was the lowest, responsive, and responsible bidder.
