PROPOSED ORDINANCE AMENDMENT

**AMENDING THE SOLID WASTE ARTICLE OF THE ENVIRONMENT CHAPTER OF THE
COUNTY'S CODE**

BE IT ORDAINED, by the Cook County Board of Commissioners, that Chapter 30, Environment, Article VII., Solid Waste, Division 1, Sec. 30-776 - 30-781; Division 2, Sec. 30-801 through Sec. 30-804; Division 3, Sec. 30-822 through Sec. 30-831; and Division 4, Sec. 30-857 through Sec. 30-877 of the Cook County Code are hereby amended as follows:

ARTICLE VII. - SOLID WASTE AND RECYCLING

DIVISION 1. IN GENERAL

Sec. 30-776. Short Title

The Divisions noted in Article VII., shall be known, and may be cited as, and authorized under the Cook County Solid Waste and Recycling Ordinance.

Sec. 30-777. Findings, purpose, intent and scope.

The purpose of this article and the divisions herein is addressed in Sec. 30-2 of this Chapter.

Sec. 30-778. Definitions.

The following words, terms and phrases, when used in this article shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Agency means the Illinois Environmental Protection Agency.

Clean construction or demolition debris or "CCDD" means non-putrescible construction and demolition materials and as otherwise defined in § 3.160(b) of the Illinois Environmental Protection

Act.

Clean construction or demolition debris fill operation or "CCDD fill operation" means a current or former quarry, mine, or other excavation where clean construction or demolition debris is used as fill material.

Composting means a controlled process which transforms organic waste and/or livestock waste into products useful as soil amendments. Composting shall include windrow composting, in-vessel aerobic composting and anaerobic digestion composting technologies.

Composting facility means any building, portion of a building or area in which organic waste and/or livestock waste is collected, stored, or processed which is permitted or required to be permitted by the Illinois Environmental Protection Agency.

Drop-off center means any recycling facility that accepts without charge or payment recyclable materials, including unattended stand-alone drop boxes, or single day residential recycling events.

Food scrap means garbage that is (i) capable of being decomposed into compost by composting, (ii) separated by the generator from other waste, including, but not limited to, garbage that is not capable of being decomposed into compost by composting; and (iii) managed separately from other waste, including, but not limited to, garbage that is not capable of being decomposed into compost by composting. Food scrap includes, but is not limited to, packaging, utensils, and food containers composed of readily biodegradable material in accordance with the ASTM D6400 standard required for use under Section 3.197 of the Illinois Environmental Protection Act, as amended.

Governmental entity means any unit of federal, state or local government.

Hazardous waste means a waste, or combination of wastes, which because of its quantity, concentration, or physical, chemical or infectious characteristics may cause, or significantly contribute to an increase in mortality or an increase in serious, irreversible, or incapacitating reversible illness, or pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported or disposed of or otherwise managed, or which has been identified by characteristics or listing as hazardous pursuant to Section 3001 of the Resource Conservation and Recovery Act of 1976, P. L. 94-580 as amended, or pursuant to regulations promulgated by the Illinois Pollution Control Board.

Illinois Environmental Protection Act or "Act" means the Environmental Protection Act, as amended, codified at 415 ILCS 5/1, et seq.

In-vessel means composting which is conducted entirely within a fully enclosed container, with no opening having a dimension greater than 1/4 inch in any direction.

Landfill means sanitary landfill.

Landscape waste means grass or shrubbery cuttings, leaves, tree limbs and other materials accumulated as a result of the care of lawns, shrubbery, vines and trees, and includes any discarded fruits, vegetables and other vegetative material or crop residue generated in the care of a garden. The term “landscape waste” does not include soil other than incidental soil (e.g., soil attached to sod or attached to other materials accumulated as a result of the care of lawns, shrubbery, vines, trees or a garden).

Livestock waste means livestock excreta, associated feed losses, and bedding.

Motor vehicle repair shop means any building, structure, premises, enclosure or other place including automobile service stations, garages and motor vehicle service shops where the business of doing repair work on or for motor vehicles, replacing motor vehicle parts, or diagnosing malfunctions of a motor vehicle is conducted in any shop, drive-in station or garage which inspects motor vehicles for the purpose of appraising, evaluating or estimating the extent or value of motor vehicle damage or the necessity or cost of motor vehicle repairs.

Municipality means a city, village, or incorporated town.

Municipal solid waste or “MSW” means garbage, general household and commercial waste, industrial lunchroom or office waste, landscape waste, and construction or demolition debris.

Municipal solid waste transfer station means a transfer station that accepts garbage, general household and commercial waste, industrial lunchroom or office waste, landscape waste, and construction or demolition debris. For purposes of this chapter a municipal solid waste transfer station shall not include transfer stations that accept, exclusively, either construction or demolition debris or landscape waste.

Open Dumping means the consolidation of refuse from one or more sources at a disposal site that does not fulfill the requirements of the Act.

Organic waste means food scrap, landscape waste, uncontaminated wood waste, livestock waste, crop residue, paper waste, or other non-hazardous carbonaceous waste, such as paper, corrugated paper or cardboard, that is collected and processed separately from the rest of the municipal waste stream.

Owner or operator means any person who has legal title to any premises, who has charge, care or control of any premises, who is in possession of the premises or any part thereof, or who is entitled to control or direct the management of the premises.

Processing means manual, mechanical or automated separation of recyclable material from other materials; separation of recyclable materials from each other; cleaning, bundling, compacting, cutting or packing of recyclable material. Processing shall not include melting, rening, smelting, vulcanizing or purification by application of heat or chemical process.

Prohibited Materials means (1) any material of the type typically owned or maintained by a governmental entity or a utility company, including but not limited to: stop signs and other street signs.

utility hold covers, fire hydrants and fire hydrant parts, water meters and water meter parts, gas meters and gas meter parts, electric meters and electric meter parts, exterior telephone wire, transformers, street lamp posts, sign posts, and flag poles, and street lights; (2) cemetery urns and plaques; (3) historical markers; (4) metal sculpture and statuary; (5) tree and flower grates; (6) retail store shopping carts; (7) catalytic converters and auto radiators; (8) aboveground and underground storage tanks and parts thereof; (9) any materials further designated as prohibited by the Director.

Recyclable material means material categorized as Type A, Type B, Type C or Type D recyclable material and shall have the meaning ascribed to each such type, as follows:

“Type A recyclable material(s)” means any aluminum or ferrous or non-ferrous scrap metal; bi-metal or tin cans; glass products; paper products; rubber; textiles; plastic products, such as polyethylene terephthalate, high density polyethylene, low density polyethylene, polystyrene or polypropylene; electronics and computer parts and components including, but not limited to, computer monitors, televisions, printers, electronic keyboards, facsimile machines, videocassette recorders, portable digital music players, digital video players, video game consoles, electronic mice, scanners, digital converter boxes, cable receivers, satellite receivers, digital disc recorders, small-scale servers and tablets. Additional materials approved by the Director.

“Type B recyclable material(s)” means organic waste matter.

“Type C recyclable material(s)” means used motor vehicles or motor vehicle parts.

“Type D recyclable material(s)” means construction and demolition debris that does not contain lead, asbestos or any other hazardous material in such a way as to render recycling of such material illegal or impossible and that has been rendered reusable and is reused, or that would otherwise be disposed of or discarded but is collected or separated and returned to the economic mainstream in the form of raw materials or product.

Recycling facility means any building, portion of a building or area in which recyclable material is collected, stored, or processed for the purpose of marketing the material for use as raw material in the manufacturing process of new, reused or reconstituted products. A “recycling facility” shall not include any motor vehicle repair shop which stores all used motor vehicle parts, intended for use by the motor vehicle repair shop in vehicle repair, under roof nor shall it include drop-off centers or compost operations accumulating less than 25 cubic yards of compostable material at any given time or a farm based compost operation where compostable material is used exclusively on the site where the material is composted.

Regulated materials means (1) metal fencing and gates; (2) metal downspouts and gutter; (3) metal siding and doors, including siding from homes and garages; (4) metal door hardware, including knobs, hinges and kick plates; (5) metal sinks; (6) aluminum wire; (7) copper wire; (8) copper pipes; (9) metal coils; (10) copper/aluminum radiators; (11) license plates; (12) barbeque grills; (13) metal patio furniture; (14) satellite dishes; (15) metal exterior light fixtures; (16) boilers, furnaces, water heaters, and any parts thereof; (17) mailboxes and mailbox covers; (18) central air conditioning units and air

conditioners and any parts thereof; (19) metal bleachers; (20) bicycles; (21) any materials further designated as regulated by the Director.

Sanitary landfill or landfill means a facility permitted or required to be permitted by the Illinois Environmental Protection Agency for the disposal of waste on land meeting the requirements of the Resource Conservation and Recovery Act, P.L. 94-580, and regulations thereunder, and without creating nuisances or hazards to public health or safety, by confining the refuse to the smallest practical volume and covering it with a layer of earth at the conclusion of each day's operation, or by such other methods and intervals as the Board may provide by regulation.

Sheriff means the Sheriff of Cook County or the Sheriff's agents.

Solid waste means waste.

Solid waste facility or solid waste facilities means sanitary landfills, municipal solid waste transfer stations, transfer stations accepting exclusively construction and demolition debris, and clean construction or demolition debris fill operations located within Cook County.

Special Waste means waste as defined in 415 ILCS section 5/3.475 of the Act.

Transfer station means a site or facility that accepts waste for sorting and/or consolidation, and for further transfer to a waste disposal, treatment, or handling facility.

Treatment means any method, technique or process designed to change the physical, chemical or biological character or composition of any waste so as to neutralize such waste, or to render such waste nonhazardous, safer for transport, amenable for recovery, or reduced in volume.

Uncontaminated wood waste means untreated, unpainted and unvarnished wood.

Vector means any living agent, other than human, capable of transmitting, directly or indirectly, an infectious disease.

Waste means any discarded or abandoned material in solid, semisolid, liquid or contained gaseous form, including but not limited to, industrial process waste, hazardous waste, municipal waste, special waste, garbage, sludge from a waste treatment plant, water supply treatment plant, or air pollution control facility, but excludes: (1) sewage collected and treated in a municipal or regional sewage system; or (2) recyclable materials managed in compliance with the provisions of this chapter.

Waste Hauler means any person who engages in the business of collecting or hauling garbage, municipal waste, recyclables or other refuse, from the original generator, on a continuous and regular basis within Cook County.

Sec. 30-779. Rule Making.

The Department may prescribe reasonable rules, definitions, and regulations necessary to carry

out the duties imposed upon it by this Ordinance and the Divisions herein, including, but not limited to, reasonable procedures relating to solid waste planning, operational requirements of facilities, reporting requirements, and the collection of waste fees imposed by this Ordinance. Any rules, definitions or regulations issued by the Department in accordance with this Ordinance shall be maintained by the Department and shall be readily made available to the public upon request and posted on the Department's web-site. The Department shall undertake good faith efforts to post rules and regulations at least 30 days prior to taking effect.

Sec. 30-780. Penalties.

(a) A person will be found to have engaged in a public nuisance that is injurious to public health and in violation of this Ordinance and the Divisions herein by:

- (1) Causing or allowing the open dumping of any waste;
- (2) Abandoning or disposing of any waste upon public property, except in a sanitary landfill approved by the Illinois Environmental Protection Agency; or
- (3) Disposing, treating, abandoning or transporting any waste, except at a site or facility which meets the requirements of the Illinois Environmental Protection Act.
- (4) Failure of any owner, occupant, agent, or person in possession or control of any residence or business or lot or unimproved parcel of real estate shall to timely remove or cause to be removed any waste located on any such residence or place of business or lot or real estate, or any portion thereof;
- (5) Failure to issue reports as prescribed by the Department.

(b) Any person that violates this Ordinance or the divisions herein is subject to the fines set out in Section 30-213.

(c) In addition to any other penalties imposed under this section, the registered owner of record of any vehicle who knew or should have known that his or her vehicle was used in violation of this article shall be jointly and severally liable with any person operating or in control of the vehicle at the time of the violation.

(d) The Director shall have the authority to provide for the cessation and abatement of any violation of this section in accordance with the provisions of Section 30-215 of this Code to stop any person from proceeding with any activity regulated under this section when the director has reason to believe that such activity either is proceeding in violation of any provision of this section or is otherwise in contravention of the public interest.

Sec. 30-781. Contest of Permit Denial, Refusal of Renewal or Permit Revocation

(a) The Director may refuse to issue a solid waste facility permit or recycling facility permit to:

- (1) Any person whose permit issued under this article has been denied or revoked for cause within the past three years;
- (2) Any corporation, general partnership, limited partnership or limited liability company, if any partner, if a general partnership; any general partner, if a limited partnership; any principal officer, if a corporation; any managing member, if a limited liability company; any owner of 25% or more of the applicant; or any other individual required to be identified in the permit application that would not be eligible to receive a permit under subsection (a)(1); or
- (3) Any corporation, general partnership, limited partnership or limited liability company, if any partner, if a general partnership; any general partner, if a limited partnership; any principal officer, if a corporation; any managing member, if a limited liability company; any owner of 25% or more of the applicant; or any other individual required to be identified in the permit application was a principal officer, partner, general partner, managing member or owner of 25% or more of any entity that would not be eligible to receive a permit under subsection (a)(1).

(b) Renewal of a permit may be withheld if the Director finds that evidence exists that renewal of the permit will present health or safety concerns for the public.

(c) The Director may refuse to renew a permit if the owner or operator of a permitted facility fails to carry out any duties, requirements or conditions listed in this article or any condition of a permit.

(d) If the Director denies or fails to renew a solid waste facility permit or recycling facility permit, the Director shall so notify the applicant or the owner or operator of the facility, as the case may be, in writing, including a statement of the basis for the denial.

(e) If the owner or operator of a permitted solid waste facility or recycling facility fails to carry out any duties, requirements or conditions required by this article or any permit condition prior to the expiration of the permit, the Director may revoke the permit after notifying the owner or operator of the recycling facility of the violation in writing within thirty (30) days of the decision.

(f) The party contesting the Director's determination may make a written request for an administrative hearing to contest the Director's refusal to renew a permit or decision to revoke a permit. The party contesting the Director's determination shall be given the opportunity to contest the Director's decision in a hearing as set forth in Article IX, Administrative Hearings, Section 2-901 et seq. of the Code of Ordinances, and shall be given written notice at least seven (7) days before the hearing is scheduled. The Department of Administrative Hearings shall make a final decision on granting the permit. Nothing in this section shall prevent an owner or operator from providing information to the Department that reaffirms that they remain in compliance with the requirements of this division to resolve a dispute in lieu of an administrative hearing.

DIVISION 2. SOLID WASTE MANAGEMENT PLAN IMPLEMENTATION

Sec. 30-801. - Purpose for Solid Waste Management Plan

(a) The purpose of this division is to implement a solid waste plan for the management of municipal waste within the County, except for the corporate limits of the City of Chicago, in order to satisfy the requirements of the Solid Waste Planning and Recycling Act (415 ILCS 15/1 et seq.).

(b) Municipal governments have the primary role and responsibility in providing or arranging for waste management services within their jurisdictional areas, whereas the County will implement the coordination, planning, and monitoring of the solid waste management plan throughout incorporated and unincorporated Cook County and establish delegation agreements with sub-county waste management agencies and the Illinois Environmental Protection Agency.

(c) Solid waste management in the County shall encourage municipal recycling and source reduction, promote composting of yard waste, and place substantial emphasis on alternatives to landfills.

Sec. 30-802. County Solid Waste Management Coordinating Committee.

(a) *Established.* There is hereby established the Cook County Solid Waste Management Coordinating Committee (CCSWMCC). This Committee shall be comprised of at least seven members. Three shall represent the suburban solid waste agencies as follows: one representative from the Solid Waste Agency of Northern Cook County (SWANCC), one representative of the South Suburban Mayors and Managers Association (SSMMA), and one representative of the West Cook County Solid Waste Agency (WCCSWA). Each of the above Solid Waste Agencies shall be represented by its Chairperson or the Chairperson's designee. The remaining four members of this Committee shall be appointed by the President of the County Board as follows: one representative of the Northwest Suburbs and one representative from the Southwest Suburbs that do not belong to any of the above listed Agencies, and two County representatives at large. In addition, the President of the County Board may appoint the President of the Northeastern Illinois Planning Commission (NIPC), as an ex-officio member without voting rights.

(b) *Duties.* It shall be the duty of the committee to oversee the implementation of the County's Solid Waste Management Plan and to aid and assist each of its members in dealing with solid waste issues.

Sec. 30-803. Solid Waste Coordinator.

The Director of the Department of Environmental Control shall designate a Solid Waste Coordinator (Coordinator), who shall be responsible for the implementation, coordination, and monitoring of the County Solid Waste and Recycling Plans. The Coordinator shall also be actively involved in the County's solid waste and recycling policy development, especially as it concerns public education and recycling activities. The Coordinator shall report directly to the Director.

Sec. 30-804. Municipal solid waste and recycling Reporting requirements and exemptions.

~~The solid waste agencies and municipal governments that do not belong to any of the solid waste~~

~~agencies shall report to the Solid Waste Coordinator of the County on a quarterly basis their solid waste activities in order to evaluate their compliance with the County's Solid Waste Plan.~~

(a) Reporting. For the purpose of tracking the implementation progress of the Solid Waste Management Plan, any waste hauler operating within the boundaries of Cook County, except within the corporate limits of the City of Chicago, shall submit quarterly reports to the Solid Waste Coordinator of the Cook County Department of Environmental Control, on a form provided by the Department, documenting the volume and/or tonnage of municipal waste and recyclables collected from all residential, commercial, industrial and institutional customers in suburban Cook County. The first Quarterly Reporting period under this Division shall cover the period of January 1, 2014 through March 31, 2014 with the first Quarterly Report due on April 30, 2014. Quarterly reports thereafter are due April 30 for the period of January 1 to March 31, July 31 for the period of April 1 to June 30, October 31 for the period of July 1 to September 30, and January 31 for the period of October 1 to December 31. All Quarterly Reports must be submitted on report forms provided by the Department, and include

- (1) The total volume and/or tonnage of municipal solid waste and recyclable materials collected from residential properties within the borders of Cook County, reported by municipality or unincorporated area; and
- (2) The total volume and/or tonnage of municipal solid waste and recyclable materials collected from non-residential properties within the borders of Cook County, reported by geographic area as prescribed by the Department; and
- (3) The initial facility name and location at which waste and/or recyclables, reported according to sub-sections (a)(1) and (a)(2), are transferred; and
- (4) Any additional information prescribed in rules pertaining to this section.

(b) Exemptions. The following are exempt from the reporting provisions of this section:

- (1) Local government entities collecting and hauling debris from storm cleanup operations;
- (2) Businesses to whom the hauling of waste is incident to their normal provision of service and does not result in revenues directly related to waste collection and hauling activities; and
- (3) Persons hauling municipal waste, municipal solid waste or other refuse from their own residence or property for disposal, recycling or processing.

DIVISION 3. SOLID WASTE FACILITIES

Sec. 30-822. Compliance with rules and regulations.

Every solid waste facility located within Cook County shall operate in compliance with the Federal Resource Conservation and Recovery Act of 1976, as amended; the Illinois Environmental Protection Act, as amended and all other applicable federal, state and local laws and regulations including the

provisions of any permits issued by federal, state and local agencies.

Sec. 30-823. County inspections.

The inspection of operations at solid waste facilities in Cook County, except within the corporate limits of the City of Chicago, shall be under the jurisdiction of the Director.

Sec. 30-824. Operational requirements.

(a) Solid Waste Facilities. Every solid waste facility located within Cook County except within the corporate limits of the City of Chicago must adhere to the following operational requirements where applicable:

- (1) Vehicles and Equipment. Each solid waste facility shall have sufficient vehicles and equipment available at all times to process all incoming waste materials.
- (2) Litter. Each solid waste facility shall be operated to prevent wind-blown litter outside the facility. At a minimum, all wind-blown litter shall be picked up on a daily basis. All vehicles entering and exiting the site shall have devices capable of preventing windblown material. Any vehicle entering the site without sufficient devices to prevent windblown material shall be notified by the solid waste facility operator and upon subsequent violations shall be rejected.
- (3) Utilities. All necessary utilities shall be available with sufficient capacity to serve the facility and its operations. A written contingency plan shall exist to provide back-up capacity or to provide procedures for safe operation in the event of a disruption of any utility service.
- (4) Equipment Maintenance. Equipment and vehicles used in solid waste facility operations shall undergo routine maintenance. The owner and operator shall prevent the usage of any vehicle or equipment that is in need of repair.
- (5) Waste Screening. Each solid waste facility shall accept only those materials permitted by the Illinois Environmental Protection Agency and listed in the facility's current, written permit issued by the Agency. All waste loads must be screened to prevent the acceptance of any materials other than those permitted by the Illinois Environmental Protection Agency and listed in the facility's current written permit issued by the Agency. The operator shall monitor for unauthorized waste. Any unauthorized wastes shall be immediately segregated and removed from the facility. The operator shall maintain a log of any acceptance of unauthorized wastes, documenting the proper removal and disposal of the unauthorized waste.
- (6) Fire Prevention and Accident Safety Plan. Each solid waste facility shall have a written fire prevention and accident safety plan, shall operate in compliance with generally accepted performance standards for fire and explosive hazards, and shall install and maintain fire

suppression equipment as specified in the applicable zoning ordinance, building regulations, and applicable fire prevention regulations.

- (7) Site Security. The owner or operator shall prevent unauthorized access to the site.
- (8) Traffic. Each solid waste facility shall not cause the back up of vehicles onto public roads or rights-of-way at any time. No vehicles used in the operations of a facility shall be parked or wait along public streets or rights-of-way.
- (9) Facility Cleaning. Any building, floors, loadout pit, equipment, containers and all facility areas, including, but not limited to, the area on which waste is handled or processed, shall be cleaned as necessary. All floors shall be cleaned utilizing a mechanical street sweeper with vacuum and water spray systems (or other equipment that provides similar results). No unauthorized debris or washdown waters shall be discharged directly into the sewer system. Similarly, all areas used for truck traffic shall be cleaned on an as needed basis to minimize dust and remove mud, both on and off-site. Spot cleaning of the facility including pushwalls, processing and handling equipment, and anything else that may contact the waste shall be performed on an as-needed basis. The Department of Environmental Control reserves the right to require additional cleaning as deemed necessary. A written schedule shall be maintained on-site of all regularly scheduled cleaning operations and shall be made available for review by the Department. If any unauthorized or hazardous waste is detected on the solid waste facility's tipping floor, the material shall be containerized and removed from the site, the area surrounding the location of the material shall be cleared, and the floor shall be spot cleaned immediately after removal of the material. All cleaning materials contacting the unauthorized or hazardous waste shall also be containerized and removed from the site.
- (10) Rodents/Vectors. Each solid waste facility shall employ effective vector control and prevention measures to prevent infestations by rodents and vectors. A record of the most current inspection and eleven previous inspections shall be maintained at the facility.
- (11) Grading and Site Pavement. All driveways, access roads, parking areas and other areas used for truck traffic shall be properly graded and paved to prevent or minimize any dust emissions and the tracking of mud off-site. Further, site grading and pavement shall be properly maintained and repaired as often as necessary to maintain integrity and effectiveness for mud and dust control.
- (12) Mud Tracking. Each solid waste facility shall be operated so as to prevent the tracking of mud onto public roadways.
- (13) Odor Control. Solid waste facilities shall not cause the emission of noxious, odorous, or toxic matter in accordance with Section 30-421 of this Chapter.
- (14) Dust Control. Each solid waste facility shall operate in a manner preventing or
-

minimizing dust emissions occurring both on and off-site.

- (15) Noise. Each solid waste facility shall be operated in accordance with Article V of this Chapter as it pertains to noise emissions from the solid waste facility.
- (16) Recordkeeping. Each solid waste facility shall maintain an on-site operating record which shall include, at a minimum, information regarding: the date, time and description of emergencies; utility contingency plan, date and time of vector control activities and inspections; and date and time of receipt of unauthorized waste and action taken. Records and plans required by this section shall be made available by the facility for inspection by the Department of Environmental Control.
- (17) Vehicle Recordkeeping. A record of all vehicles utilizing the facility shall be maintained and made available for inspection by the Department of Environmental Control. This record shall include the date, gross vehicle weight and the hauling company name.
- (18) Correspondence. Each solid waste facility owner or operator shall provide the Department with copies of all correspondence to or from the IEPA, the USEPA and the Army Corp of Engineers including, but not limited to: notices of violation, letters, permit applications, reports, groundwater monitoring reports, and annual reports.
- (19) Cessation of Waste Acceptance. The owner or operator of any solid waste facility receiving waste or clean construction or demolition debris after January 1, 2014, must notify the Department in writing no less than ninety (90) days prior to the cessation of waste or clean construction or demolition debris acceptance.

(b) Municipal Solid Waste Transfer Stations. In addition to the requirements set forth in the subsection (a) of this section, municipal solid waste transfer stations located within Cook County, must also adhere to the following operational requirements:

- (1) Waste Removal. All waste must be removed from the facility within 24 hours of receipt. No waste shall remain at the facility when the facility is not scheduled to be open the following day.

- (2) Waste Volumes. No owner or operator

PROPOSED RESOLUTION

Urging the IL General Assembly to Amend Ethics Act

WHEREAS, the Illinois General Assembly recently passed P.A. 098-0457 which amends the State Officials and

Employees Ethics Act; and

WHEREAS, the amendment adds members of a governmental entity appointed by a president or chairperson of a county board; and

WHEREAS, the amendment left out the appointment of members to a governmental entity by members of a county board effectively excluding some members appointed by board members only; and

WHEREAS, this omission of members appointed exclusively by board members was not the intention of the sponsor; and

WHEREAS, after speaking to the sponsor of the amendment it was agreed that additional language was necessary to close this loophole; and

NOW, THEREFORE, BE IT RESOLVED, that the Cook County Board of Commissioners does hereby urge the General Assembly to amend 5 ILCS 430/70-20 with the following language to rectify this omission:

Sec. 70-20. Members appointed by a county. In addition to any other applicable requirement of law, any member of a governmental entity appointed by the president or chairperson of a county board, with or without the advice and consent of the county board, or appointed exclusively by county board members, shall abide by the ethics laws applicable to, and the ethics policies of, that county and, if applicable, shall be subject to the jurisdiction of that county's ethics officer or inspector general.

BE IT FURTHER RESOLVED, that a suitable copy of this Resolution be tendered to the General Assembly as a record of our request.
