(CCH Police Sergeants)**

Except as modified below: 1) the collective bargaining agreement between the Employer and the Union (collectively the “Parties”) originally for the term December 1, 2020 through November 30, 2024 (the “CBA”), as extended by the Parties through November 30, 2025; and 2) all Memoranda of Agreement and/or Understanding and Side Letters agreed to by the Parties during the term of the CBA as extended will continue in full force and effect.

1. The term of the CBA, as extended by the Parties, shall be extended until November 30, 2027.
2. The salary grades and steps applicable to each of the Union’s bargaining units shall be increased as follows during the term of this extension agreement:

4. Bargaining units that have a “Me Too” provision in their CBA will maintain the same language currently in effect. The following language only applies to bargaining units that do not currently have any “Me Too” language in the respective CBA:

For Interest Arbitration-Eligible Bargaining Units: In the event the County agrees to or acquiesces in more favorable treatment to any interest arbitration eligible unit, with respect to the health benefit plan, employee contribution to health insurance or across the board increases, excluding one-time payments, scheduled to go into effect during the term of this Agreement, interest arbitration eligible Teamsters Local 700 members shall receive the more favorable treatment as well.

**ARTICLE V
GRIEVANCE PROCEDURE**

Section 5.1 Policy:

The provisions of this Article supplement and modify the provisions of the County's Grievance Procedure applicable to all employees.

Section 5.2 Definition of Grievance:

A grievance is a difference between an employee or the Union and the County with respect to the interpretation or application of, or compliance with, the agreed-upon provisions of this Agreement, the County's rules and regulations or disciplinary action. The Union will send copies of grievances appealed or submitted at steps three and four to the County's Chief of Human Resources or his/her designee.

Section 5.3 Grievance Procedure:

Recognizing that grievances should be raised and settled promptly, a grievance must be raised by the affected employee and or/the Union representative within thirty (30) calendar days after the occurrence of the event giving rise to the grievance, or within thirty (30) calendar days after the date when the employee or the Union Steward should have known of the event giving rise to the grievance, in accord with the following procedure:

The steps and time limits of the grievance procedure are as follows:

<u>Step</u>	<u>Time Limit for Step</u>	<u>To Whom Submitted</u>	<u>Meeting</u>	<u>Response</u>
1	30 calendar days	Immediate Lieutenant	10 days	10 days
2	10 calendar days	Dept. Director Designee	10 days	10 days
3	10 calendar days	County H.R. Dept. Designee	30 days	10 days
4	10 calendar days	Arbitration	30 days	10 days

The Union will send copies of grievances appealed or submitted at steps three and four to the County's Chief of Human Resources or his/her designee.

Section 5.4 Impartial Arbitration:

If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to arbitration by giving written notice to the Chief of Human Resources within ten (10) working days after receipt of the Chief of Human Resources answer in Step Three.

- A. If the parties are unable to agree upon an arbitrator within ten (10) working days after the Employer's representative receives the notice of referral, they shall jointly request the Federal Mediation and Conciliation Service to submit a panel of five (5) arbitrators, all of whom shall be members in good standing of the National Academy of Arbitrators, and all of whom shall maintain business offices in the States of Illinois, Indiana, Michigan, Wisconsin or Iowa. Upon receipt of the panel, the Union shall strike two names and the Employer shall then strike two names, and the person whose name remains shall be the arbitrator, provided that either party, before striking any names, shall have the right to reject one panel of arbitrators in its entirety and request that a new panel be submitted.
- B. The arbitrator shall be notified of his or her selection and shall be asked to time and a place for the hearing, subject to the availability of the Employer and Union representatives. Upon the request of either party, the arbitrator shall have the power to require the presence of a reasonable number of witnesses or documents.
- C. The arbitrator shall have no power, in his or her decision or award, to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation, or misapplication of the specific provisions of this Agreement. He or she shall consider and decide only the specific issue submitted to him or her as raised and presented in writing at Step One and shall have no authority to make his or her decision on any issue not so submitted. His or her decision shall be based solely upon an interpretation of the meaning or application of this Agreement to the facts of the grievance presented.
- D. More than one grievance may be submitted to the same arbitrator if both parties mutually agree in writing. The arbitrator shall submit in writing his or her decision within thirty (30) calendar days following close of the hearing or submission of briefs by the parties, whichever is later, unless the parties agree to an extension. In the event the arbitrator finds a violation of the Agreement, he or she shall determine an appropriate remedy. However, the arbitrator shall have no authority to make any decision or award which is in any way contrary to or inconsistent with the applicable laws or rules and regulations of administrative bodies that have the force and effect of law. Nor shall the arbitrator have any authority to limit or interfere with the powers, duties and responsibilities of the Employer or the Board under applicable statutory and case law. Any decision or award of the arbitrator rendered consistent with this Article shall be final and binding on the parties. The costs of the arbitration, including the fee and expenses of the arbitrator and the cost of the court reporter and a written transcript, if any, shall be divided equally between the Employer and the Union. Each party shall be responsible for compensating its own representatives and witnesses.

Section 5.5 Time Limits:

Time limits may be extended by mutual agreement in writing between the Union and the County.

Section 5.6 Stewards:

The Union will advise the County in writing of the names of the stewards or Union representatives for each shift agreed upon with the County and shall notify the County of any changes. Upon obtaining approval from their supervisor before leaving their work assignment or area, stewards or Union Representatives will be permitted to handle and process grievances in the appropriate steps of the grievance procedure during normal hours without loss of pay, provided that such activity shall not exceed a reasonable period of time.

Section 5.7 Union Representatives:

Duly authorized representatives of the Union will be permitted at reasonable times to enter the Hospital for purposes of handling grievances or discipline, or to observe conditions under which employees are working. These representatives will be identified to the Director of the Department/designee in a manner suitable to the Hospital, and on each occasion, will first secure the approval of the Director of the Department or designee to enter the Hospital and conduct their business so as not to interfere with the operation of the Hospital. The Union will not abuse this privilege, and such right of entry shall, at all times, be subject to general Hospital and medical office rules applicable to non-employees.

**ARTICLE VI
HOURS OF WORK, STAFFING AND OVERTIME**

Section 6.1 Purpose:

The provisions of this Article are intended to provide the basis for calculating overtime pay and shall not be construed as a guarantee of hour of work per day or days per week or pay in lieu thereof, or as a limitation upon the maximum hour per day or per week which may be required.

Section 6.2 Overtime:

An employee shall be paid at one and one-half (1 h) times their regular hourly rate of pay for hours worked beyond eight (8) hours in a work day or eighty (80) hours in any regular work period. For purposes of this Article, hours worked shall mean hours actually worked and all authorized paid leave with the exception of sick time.

The Parties agree to a "me too" with Local 238 (patrol officers at Stroger Hospital) as regards the insertion of contract language which concerns any limitation to the working of overtime hours.

Section 6.3 No Duplication of Overtime Pay:

There shall be no pyramiding or duplicating of overtime pay. Hours compensated for at overtime rates under one provision of this Agreement shall be excluded as hours working in computing overtime pay under any other provision. The number of hours for which an employee is paid, but which are not worked on a regular holiday, as defined in this Agreement, shall be considered as hours worked for the purpose of computing overtime.

When the occasion for overtime assignment arises as a result of replacement of a bargaining member, it should be distributed in the following manner: when the Department has sixteen (16) hours or less notice, it should be offered to the full-time bargaining unit members who are working at the same time since notice becomes available on the basis of seniority, with the most senior employee having right of first refusal and in descending order to the least senior employee. When the Department has over sixteen (16) hours' notice, the overtime should be offered to the bargaining members on the basis of departmental seniority rotation, provided further that any bargaining unit member who is suspended shall be ineligible for overtime assignment before (10) days.

Employees will be expected to perform any reasonable amounts of overtime work assigned to them but in no case, will an employee be required to work more than 12 consecutive hours, except in an emergency situation. The County shall maintain overtime records which, shall be made available for inspection by the Union.

Section 6.4 Court Time:

An employee who is required by the Employer to be in court while off duty, shall be compensated at one and one-half times his or her regular hourly rate of pay for hours spent on court time, with a minimum of three (3) hours compensated.

Section 6.5 Call-Back Pay:

If an employee covered by this Agreement is called back to work after completion of the regularly scheduled shift, the officer shall receive a minimum of three (3) hours compensation at one and one-half times the officer's straight time rate of pay. It shall not constitute a callback if the officer is required to remain on duty past the officer's regular tour of duty. Whenever an officer is required to report for duty prior to their regular tour of duty it shall be considered a callback only in the event that the hours of work are not continuous with the regular tour of duty.

Section 6.6 Shift Selection:

In the event that an opening occurs within the ranks of the represented unit, the parties acknowledge that the vacancy should be filled in consideration of the operational mission of the Department and the Hospital. However, the vacancy shall be posted on a Union designated bulletin board and the seniority of employees expressing an interest in filling the vacancy shall be given consideration in the final determination of who shall fill that vacancy. Interested employees must notify the Department in writing of their interest in filling the vacancy within seventy-two hours of the posting.

Section 6.7 Overtime Distribution:

In the event that overtime is necessary to fill a sergeant's slot, then, in that event, all eligible sergeants shall be offered that overtime assignment in order of seniority. In the event that a watch commander slot is vacant and overtime is necessary, that slot shall be filled by watch commanders first and if no watch commander is available then said slot shall be offered to sergeants. In each of the above circumstances overtime shall be assigned on a seniority basis. If no sergeant voluntarily accepts the overtime assignment the Chief shall have the discretion to order either a sergeant or a lieutenant to fill that particular slot.

The employer shall be allowed to disregard seniority if they, in writing post the special skills necessary for a particular overtime assignment. In the event no sergeant voluntarily accepts the overtime assignment then the least senior sergeant eligible and available shall be ordered to fill such assignment.

Section 6.8 Cook County Overtime Ordinance:

As of December 1, 2018, in an effort to protect the employees, patients, detainees, and citizens of Cook County:

No Cook County employee shall be allowed to work more than 20 hours in overtime in any seven-day period with the exception of emergency situations where the Bureau Chief or Elected Official will be required to provide written authorization; and

No Cook County employee shall be allowed to work more than 624 hours (30% of 2080 full-time hours) in overtime with the exception of emergency situations where the Bureau Chief or Elected Official will be required to provide written authorization.

**ARTICLE VII
VACATION**

Section 7.1 Eligibility:

Vacation credit shall be earned each month during which the employee is in an active pay status for at least eighty (80) straight-time hours. The amount of paid vacation will be according to the following schedule:

<u>Years of Service Completed</u>	<u>Accrued Vacation</u>
1	3 weeks
5	4 weeks
10	5 weeks

Employees employed for six (6) months shall be entitled to one (1) week vacation with pay, which shall be deducted from the three (3) weeks' vacation with pay to which they are entitled after one (1) year.

Section 7.2 Eligibility Year:

An employee's vacation eligibility year shall be the twelve (12) month period immediately preceding the anniversary of his most recent date of hire. An employee must take the vacation to which he is entitled as of his most recent anniversary date during the next twenty-four (24) month period following the anniversary date. Vacations may not be carried over beyond such period, and an employee will not be compensated for vacation time not taken. Employees with more than twelve (12) months of service will be permitted to take vacation time off as it is earned.

Section 7.3 Vacation Accrual:

During the employee's first four (4) years of service, vacation credit will accrue at the rate of 1 ¼ days per month (1.16 days per accounting period); during the next five years at the rate of 1 2/3 days per month (1.54 days per accounting period); and thereafter at the rate of 2 ½ days per month (1.93 days per accounting period). In computing years of service for vacation leave, employees shall be credited with regular working time plus the time of duty disability.

Section 7.4 Vacation Pay:

Vacation pay shall include shift differential pay for employees who have been regularly assigned to evening or night shifts for a period of at least one (1) month prior to the time the vacation is taken.

Section 7.5 Vacation Preference and Scheduling:

Insofar as practicable, vacations will be granted to meet the requests of employees, and seniority will control in conflicts between employees covered by this Agreement at the time of scheduling vacation periods, except that an employee may not exercise seniority preference for vacation choice more than once in a calendar year unless other employees involved have also previously used such preference.

On February 1 and August 1 of each year, the employer will post a schedule showing the number of employees who will be permitted to be on vacation at any one time during the six months beginning respectively on April 1 and October 1. By March 1 and September 1 respectively, employees will indicate their first, second and third choices for vacation. The department will schedule vacations based on seniority preference and notify covered employees in writing of their approved vacation time no later than ten (10) calendar days prior to April 1 and October 1 respectively. When two (2) weeks' notice is given, vacation periods may be exchanged by employees when time is available on the posted schedule.

Emergency requests will be granted whenever possible. Other written requests will be approved or denied in writing on a first come basis consistent with numbers of employees who will be permitted to be on vacation at one time; approval or denial will be submitted within fifteen (15) days after the request is made.

Section 7.6 Accrued Benefits at Separation:

Upon termination of employment, the employee shall be paid all vacation, holiday and overtime pay accrued through the last day worked.

Section 7.7 Prior Service Credit:

Any covered employee who has rendered continuous service to the City of Chicago, the Chicago Park District, the Forest Preserve District, the Metropolitan Water Reclamation District of Greater Chicago and/or the Chicago Board of Education, or other County Agency, shall have the right to have the period of such service credited and counted for the purpose of computing the number of years of service as employees of the County for vacation credit only. All discharges and

resignations not followed by reinstatement within one (1) year shall interrupt continuous service and shall result in the loss of all prior service credit.

Credit for such prior service shall be established by filing, in the Office of the Comptroller of Cook County, a certificate of such prior service from such former place or places of employment.

ARTICLE VIII HOLIDAYS

Section 8.1 Regular Holidays:

The following are regular holidays:

New Year's Day	Lincoln's Birthday
Presidents' Day	Martin Luther King's Birthday
Memorial Day	Juneteenth
Labor Day	Fourth of July
Columbus Day	Veterans Day
Thanksgiving Day	Christmas Day

It is the intent of the Board of Commissioners of Cook County that all salaried Cook County employees be granted thirteen (13) holidays, or paid days off per year. Holidays will be celebrated on the day on which it actually occurs.

In addition to the holidays listed, an employee shall be credited with one floating holiday on December 1 of each year, which must be used by the employee between December 1 and November 30. The floating holiday may not be carried over into the next fiscal year by the employee. The floating holiday will be scheduled through written request by the employee to the Department at least two weeks in advance of the anticipated date. In the event of conflicting days requested and in deference to the Department's mission, seniority will control which employee will prevail in any particular situation.

The Department will not unreasonably withhold approval of such requests. Use of the floating holiday is restricted to a full day increment. Should the Employer require an employee to work a pre-approved, scheduled floating holiday, the employee shall be compensated as provided in Section 8.3.

Section 8.2 Eligibility:

To be eligible for holiday pay, an employee must satisfy each of the following requirements:

- a. The employee must have worked the regularly scheduled number of hours on the last scheduled day before and the first scheduled day after the holiday, unless the employee has a reasonable explanation for failing to report.
- b. The employee must have worked at least forty (40) hours during the pay period in which the holiday occurs unless the employee was on vacation or paid sick leave during such period.

Section 8.3 Working Holidays:

Because the Employer operates John H. Stroger, Jr. Hospital every day of the year and it is not possible for all employees to be off duty the same day, the Employer has the right at its sole discretion to require any employee to work on any of the holidays listed in Section 8.1. Any employee who works on a holiday shall receive one and one-half times the employee's regular hourly rate for the hours actually worked plus holiday pay at eight (8) hours pay, including shift premium, if applicable, at the same hourly rate.

It is understood that eight (8) hours of holiday time earned may be taken as holiday time off by mutual agreement between the department and the employee. Requests for the use of accrued holiday time off shall not be unreasonably denied. In the case of conflicting requests for the use of holiday time off, seniority shall control. Such time should be used within 90 days of being earned.

Section 8.4 Holidays and Vacations:

If a holiday falls within an employee's scheduled vacation, such employee, if otherwise eligible, shall be granted an additional eight (8) hours of either compensable time off or wages representing that eight (8) hours. The employee may make an affirmative election for compensatory time or wages in lieu thereof. However, said compensatory time, if so elected, shall be used within six (6) months of accrual. In addition, if the employee does not make an affirmative election, wages in lieu of compensatory time will be paid.

Section 8.5 Failure to Report:

An employee scheduled to work on a holiday but who fails to report shall not be eligible for a paid holiday, unless the employee has a reasonable explanation for failing to report.

Section 8.6 Holiday Pay:

Eligible employees who are not scheduled to work a holiday, shall be awarded eight (8) hours of comparable time off in lieu of any actual pay, or may elect to receive actual pay.

Any compensable time off to be taken by the employee at the mutual agreement of the parties, within six (6) months of accrual. In the event of conflicting request for compensable time off, seniority shall control. In the event, the employee does not affirmatively elect either comparable time or wages, within the pay period during which the holiday pay accrues he/she shall be paid wages in lieu of comparable time.

**ARTICLE IX
SICK LEAVE**

Section 9.1 Sick Pay:

Benefits amount to seventy-five percent (75%) of the employee's salary at the time of injury and begin the day after the date his/her salary stops; such benefits to be reduced by any Workers' Compensation paid by the County. Ordinary disability occurs when a person becomes disabled due to any cause, other than injury on the job. An eligible employee who has applied for such disability compensation will be entitled to receive, on the thirty-first (31st) day following disability, fifty percent (50%) of salary, provided they are in no-pay status at that date.
