PROPOSED ORDINANCE**LEVY OF TAXES FOR FISCAL YEAR 2022**

WHEREAS, the Board of Commissioners and the Committee on Finance of the Board of Commissioners of Cook County, Illinois, have considered the subject of the Annual Tax Levy for the Fiscal Year A.D., 2022, and the several sums necessary to be levied to meet the needs and requirements of the County of Cook for said fiscal year, and have recommended that this Ordinance for the Levy of Taxes be adopted; and

WHEREAS, the Board of Commissioners of Cook County, Illinois, approved, passed, and adopted the Annual Appropriation Bill of the County of Cook, for its Fiscal Year 2022, which said Appropriation Bill is hereinafter set forth and which contains a Revenue Estimate that includes an allocation of the 2022 Tax Levy by Fund together with additional columns captioned: "ANNUAL TAX LEVY", "APPROPRIATION ALLOWANCE FOR UNCOLLECTED TAXES" and "NET TAX LEVY FOR APPROPRIATION "; and

WHEREAS, Cook County and its taxpayers have benefited from Tax Increment Financing Districts

(TIFs) by having the increment generated during the life of the TIFs invest in the specific area generating the increment; and

WHEREAS, the Cook County Board passed a Resolution on November 15, 2011, outlining that it is the policy of Cook County to recapture any property taxes at the termination of a TIF; and

WHEREAS, within the County of Cook, certain real-estate parcels, or a portion of the assessed valuation of certain real-estate parcels, are from time to time identified on the County real-estate tax rolls as deriving from new property, insofar as they were developed or substantially improved or are the subject of tax incentives that expired since the most recent assessment of real-estate taxes, the value of which has not heretofore been recaptured; and

WHEREAS, the interests of County taxpayers and the County itself are better served if the taxes on the additional value of said new property is captured.

THEREFORE, BE IT ORDAINED AND ORDERED BY THE BOARD OF COMMISSIONERS OF COOK COUNTY, ILLINOIS, that pursuant to its home rule powers, \$ 720,483,542 as a base levy amount, plus a TIF value recapture sum of \$24,438,364, an expiring incentives sum of \$3,611,956, and a new-property value capture sum of \$43,297,745, which aggregate amount of these sums is to be collected from the Annual Tax Levy for the Fiscal Year A.D. 2022 of the County of Cook for the Public Safety Fund purposes of said County, and for the Health Enterprise Fund purposes of said County, and for the payment of principal and interest on general obligation bonds of said County as represented by the Bond and Interest fund purposes, and for Cook County Employees Annuity and Benefit Fund purposes, and for the Election Fund purposes, and for Capital Projects purposes, said aggregate amount being \$791,831,606, which is the total amount of appropriations heretofore legally made from the Annual Tax Levy for the year 2022 and contained in the Annual Appropriation Bill (hereinafter set forth in the Ordinance) for the Fiscal Year 2022 duly adopted by the Board of Commissioners of Cook County on November 18, 2021, is hereby levied on and upon all taxable property in the said County of Cook for the Fiscal Year 2022.

As provided in the Fiscal Year 2022 Annual Appropriation Bill, three percent of the property tax levy revenues separately allocated to the Public Safety Fund, Health Enterprise Fund, and Election Fund are to be made available to each Fund for purposes of covering the loss and cost of collecting taxes levied for said Funds; for the amounts of taxes for which the nonpayment will result in forfeiture of real estate; and for abatements in the amounts of such taxes as extended upon the collectors' books. To ensure the County meets its obligations for indebtedness as represented by the Bond and Interest Fund, and that the actual collections of property taxes received by the Annuity and Benefit Fund are commensurate with the amounts so levied, the County Clerk is authorized, in consultation with the County's Chief Financial Officer, to extend loss and collections for these funds in a manner that is sufficient for these purposes.

The specific amounts herein levied for the various purposes heretofore named are stated in this Ordinance and Tax Levy and itemized by Fund in the Revenue Estimate of the Annual Appropriation Bill, including a column captioned: "ANNUAL TAX LEVY". The tax hereby levied for said Fiscal Year 2022 for said

appropriations, to be collected from this Levy, being the aforesaid total, consists of the following specific amount levied for the various purposes hereinafter set forth:

Summary: The Restore, Reinvest, and Renew (R3) Program was created as a key equity element of the Cannabis Regulation and Tax Act (CRTA), signed by Governor Pritzker in 2019. The law requires that 25 percent of all cannabis revenue be used to support communities impacted by economic disinvestment, violence, and the severe and disproportionate damage caused by the war on drugs, largely and disproportionately impacted low income Illinoisans and communities of color. In 2021, The R3 program, funded through the Illinois Criminal Justice Information Authority, made a grant to the Cook County Justice Advisory Council to deliver coordinated services through community partners for the south suburban municipalities of Robbins, Ford Heights, and Harvey. ICJIA intends to extend and increase these funds so that services and supports delivered by the following organizations: Restoration Ministries, Adults Active in Youth Development, Lawlor Consulting Group, Youth Guidance, Roseland CeaseFire, and Cabrini Green Legal Aid will continue; the terms of the grant indicate a 100% pass-through of funds in the amount of \$100,000.00 each to these six (6) organizations.

REPORT

Department: Cook County Commission on Human Rights

Report Title: Needs of Afghan Refugees and Asylum Seekers in Cook County

Report Period: January 2022

Summary: On August 30, 2021, the United States (U.S.) military ended a nearly 20-year occupation of Afghanistan. The war ultimately ended in a collapse of the Afghan government and an overtaking of the government by the Taliban. Due to the catastrophic violence and bloodshed resulting from the U.S. withdrawal and bombings at the Kabul airport, Afghan refugees and asylum seekers have fled their country, home, and families and require resettlement in other countries. According to reports, the U.S. federal government is preparing to welcome 50,000 Afghan refugees into the U.S. in the next year, with at

least 1,500 expected to resettle in Cook County. Through resolution, the Cook County Board of Commissioners called a hearing to obtain recommendations as to how Cook County and the greater community can marshal its resources to support Afghan refugees. The Cook County Commission on Human Rights compiled this report summarizing the hearing.

PROPOSED NO CASH BID REQUEST

Requestor: Kelley Gandurski, Interim City Manager, City of Evanston

Request: Approval of No Cash Bid Request

Volume and Property Index Number:

053, 10-13-205-004-0000; 054, 10-13-413-013-0000.

Summary: The City of Evanston is interested in participating in the 2022 No Cash Bid Program to acquire tax delinquent vacant land that will be redeveloped as affordable housing and green space in west Evanston based on the West Evanston Master Plan (WEMP) that was generated following a robust community engagement process and approved by the Evanston City Council. This Request Package contains two (2) PINs that are listed in order by volume number and PIN below: The two PINs are in the West Evanston Master Plan (WEMP) geography and will be developed as affordable housing or green space based on that plan. Both parcels are vacant land. The first parcel is suitable for redevelopment as affordable housing; the second was part of the former Mayfair railroad right of way that is adjacent to a parcel that the City applied for in the 2017 No Cash Bid Program and may be developed as green space and/or affordable housing. Because the City has liens on these properties, they will likely be processed as “Over The Counter” rather than as No Cash Bid at the Scavenger Sale.

The City will file for tax exempt status on all of the parcels for as long as the City retains ownership. The City does not have an agreement with a third party to convey the parcels or for redevelopment at this time. The City will bear all legal costs and expenses to obtain the tax deed and clear title to the acquired parcels. PROPOSED NO CASH BID REQUEST

Requestor: Mary Werner, President, Village of Worth

Request: Approval of No Cash Bid Request

Location: Village of Worth

Volume and Property Index Number:

246, 24-19-100-021-0000

Summary: On behalf of the Village, please find enclosed the Village of Worth's no-cash bid request package for the 2021-2022 Round Two No-Cash Bid Program. This Request Package contains one (1) PIN, as follows: The Village has retained legal counsel to obtain a tax deed to the above-noted parcel and will bear all legal and other costs associated with the acquisition of the parcel. As detailed hereinbelow, the Village anticipates marketing the property for private redevelopment in the event it is able to obtain tax deed, but has not yet fielded any third-party requests or otherwise identified a specific investor or third party to whom the Village presently plans to deed the parcel. There have not been any third-party requests made to the Village to acquire the above-property.

The Village will submit to the Cook County Planning and Development Department no-cash bid reports on the status of this property until the later of five years or the completion of redevelopment.

PIN 24-19-100-021-0000 is commonly known as 7117 W. 111th Street, Worth, IL 60482 (the "Property"). The Property is improved with an unoccupied, single-story commercial structure that has remained continuously vacant for approximately twelve (12) years, since January 2010. The Village has recorded several liens against the Property relating to overgrown grass and weeds and various other property maintenance-related violations of the Village's ordinances and adopted technical codes. In addition, the City of Chicago has recorded multiple liens against the Property arising out of uncut weeds.

If a tax deed were to issue to the Village, it would apply for a property tax exemption to minimize its holding costs while marketing the property to private third-party prospective purchasers for commercial redevelopment of the Property, either through extensive renovation or via demolition and construction of a new commercial structure. Such redevelopment would benefit the Village by helping to prevent the spread of blight throughout the neighborhood, eliminating the hazards presented by the dangerous and unsafe building, providing employment opportunities for local residents and by potentially generating sales taxes

depending on the nature of any future redevelopment.
