**Statement of Interest in Serving on the Medical Examiner's Advisory Committee**

As the Commander of the 1<sup>st</sup> District and a 27 year veteran of the Chicago Police Department, it would be my privilege to serve as one of the eleven member committee in service to the residents of Cook County charged with providing recommendations to improve organizational policies and procedures.

Growth in any organization is obtained when interactive discussions occur within a group of diverse professionals to provide unique perspectives in problem solving. The relationship between the Medical Examiner's Office and the Police Department is vital to daily operations. It will be my goal to participate in this group to provide input for the Medical Examiner's Office while also gaining valuable information that will benefit policies and procedures within the Chicago Police Department.

Thank You for your consideration of my appointment to the Medical Examiner's Advisory Committee.

Sincerely,
