

**Elder Lord Cashus D Most High says,
'Good people, RESPEKT EACH OTHER and
yourselves!'**

No Mo' Harassment of ANY KIND at the party, whether it be uninvited and unwelcome sexual advances, worrying DJs and bands about requests, attempting to

bum-rush the mic from emcees, MCs and other performing artists and unwarranted trolling of promoters, baristas, bar backs and other bar staff, food service staff, security, production staff (including sound and video engineers) and other club/event staff.
