Summary: The amendment exercises an optional 2-year renewal which includes annual software technical support, Oracle Cloud Infrastructure (OCI) Services and an upgrade to Hyperion, the County's budget planning tool. The County will also be enrolled in the Oracle Support Rewards program which gives the County credit for money spent with Oracle, effectively discounting the cost of annual technical support.

This contract was awarded through Request for Proposals (RFP) procedures in accordance with Cook County Procurement Code. Oracle was selected based on established evaluation criteria.
