

How to read the report on Cook County Municipalities Full or In-Part by District

The following report lists the municipalities, full or in-part by district. Unincorporated areas are not listed by district.

- The Municipality column displays the municipality.
- The District column provides the district number.
- Total Pop is the population of the municipality in the district
- Non-Hisp White, Non-Hisp Black, Non-Hisp Asian, and Hispanic is the municipal population of each group within the district
- Municipality Pop is the total population of the municipality
- % of District is the percentage of people in the district residing in the municipality (i.e., the population weight that the municipality has in the district)
- % of Municipality is the percentage of the municipality that is contained within the district

Cook County Municipalities Full or In-Part by District
