**AN ORDINANCE CREATING THE COMMITTEE ON DEPARTMENT  
ADMINISTRATIVE RULES**

---

**BE IT ORDAINED**, by the Cook County Board of Commissioners, that Chapter 2 - Administration, Article III - County Board, Division 1 - Generally, Section 2-84 - Review of Administrative Rules is hereby enacted as follows:

**Sec. 2-84. - Review of Department Administrative Rules**

(a) *Establishment and Purpose:* The Committee on Department Administrative Rules (for purposes of this Section, “the Committee”) is hereby established. The purpose of the Committee shall be the creation and promotion of adequate and proper rules by Cook County Departments.

(b) *Applicability.* All Rules drafted, published and/or implemented by any Department shall be reviewed in accordance with this Section. For purposes of this Section, the term *Rule* is defined as a Department’s statement of general applicability that implements, applies, interprets, or prescribes law or policy, but does not include:

- (i) statements concerning only the internal management of an agency and not affecting private rights or procedures available to persons or entities outside the Department,
- (ii) informal advisory rulings;
- (iii) intra-agency memoranda; or
- (iv) the prescription of standardized forms.

(c) *Powers:* The Committee may:

- 1. Examine any proposed rule, amendment to a rule, and repeal of a rule to determine whether the proposed rule, amendment to a rule, or repeal of a rule is within the statutory authority upon which it is based; whether the rule, amendment to a rule, or repeal of a rule is in proper form; and whether the notice was given before its adoption, amendment, or repeal and was sufficient to give adequate notice of the purpose and effect of the rule, amendment, or repeal.
- 2. Consider whether the Department has considered alternatives to the rule that are consistent with the stated objectives of both the applicable statutes and regulations and whether the rule is designed to minimize economic impact on small businesses.
- 3. Conduct hearings on proposed and/or existing Rules;
- 4. Receive and review oral or written testimony from Department employees or public witnesses pertaining to Proposed or Existing Rules;

5. Undertake studies and investigations concerning rulemaking and Department Rules;
6. Monitor and investigate Department's compliance with the provisions of this Act;
7. Make periodic investigations of the rulemaking activities of all Departments;
8. Evaluate and report on all rules in terms of their propriety, legal adequacy, relation to statutory authorization, economic and budgetary effects, and public policy;
9. Request from any Department an analysis of the effect of a new rule, amendment or repealer, including and direct economic effect on the persons regulated by the rule; any anticipated effect on the proposing Department's budget and the budgets or other Departments; the Department's justification and rationale for the intended rule, amendment or repealer; and/or any anticipated effects on County Revenues;
10. Review the statutory authority on which any administrative rule is based;
11. Suggest rulemaking by a Department if the Department's rules are incomplete, inconsistent or otherwise deficient.

(d) *Notice and Publication:* Upon issuing a Rule, a Department shall submit the proposed Rule to the Board of Commissioners, who shall send the Rule to the Committee. The Committee shall schedule a public hearing on the Rule before the next regularly scheduled meeting of the Board of Commissioners. The Secretary shall publish Notice of both meetings distribute the proposed Rule per established procedures.

Each agency shall make available for public inspection all final orders, decisions, and opinions, except those deemed confidential by State or federal statute and any trade secrets.

(e) *Comments:* The Committee will encourage members of the public to submit comments on proposed rules directly to the proposing Department. This policy will not limit the Committee from considering comments or problems not submitted to the Department first.

(f) *Committee Action:* After conducting a public hearing on a proposed Rule, the Committee may accept the proposed Rule as written, reject the Rule entirely, or object and modify the proposed Rule.

1. Acceptance - If the Committee accepts the Rule, the Rule shall go into effect 30 days after acceptance.
2. Rejection/Objection - If the Committee rejects or objects to a proposed rule, amendment to a rule, or repeal of a rule, it shall certify the fact to the issuing Department and include with the

certification a statement of its specific objections.

The Department may:

- i. Modify the proposed rule, amendment or repealer to meet the Committee's objections;
  - ii. Withdraw the proposed rule, amendment or repealer in its entirety; or
  - iii. Refuse to modify or withdraw the proposed rule, amendment, or repealer
1. Modification - If a Department elects to modify a proposed rule, amendment or repealer to meet the Committee's objections, it shall make those modifications that are necessary to meet the objections and then resubmit the rule, amendment or repealer to the Committee within 30 days of the public hearing. Failure of a Department to respond to the Committee's objections to a proposed rule, amendment, or repealer within 30 days shall constitute withdrawal of the proposed rule, amendment, or repealer in its entirety.

If the Committee determines that the modifications do not remedy the Committee's objections, it shall notify the Department in writing and shall recommend legislative action to remedy the objection.

2. Failure to Object - Failure of the Committee to object to any proposed rule, amendment, or repealer or any existing rule shall not be construed as implying direct or indirect approval of the rule or proposed rule, amendment, or repealer.

**BE IT FURTHER ORDAINED**, by the Cook County Board of Commissioners, that Chapter 2 - Administration, Article III - County Board, Division 1 - Generally, Section 2-84 - Review of Administrative Rules is hereby amended as follows:
