**URGING THE ILLINOIS GENERAL ASSEMBLY TO SUPPORT HB2495, THE REPRODUCTIVE HEALTH ACT**

**WHEREAS,** every individual has a fundamental right to make autonomous decisions about one's own reproductive health; and

**WHEREAS,** every individual who becomes pregnant has a fundamental right to continue the pregnancy and give birth or to have an abortion; and

**WHEREAS,** no person who has terminated a pregnancy has made that deeply personal decision lightly; and

**WHEREAS**, accessing reproductive health care is not a criminal activity; and

**WHEREAS**, the Guttmacher Institute, a reproductive health non-profit, found that women around the world access abortion services at a statistically same rate whether they are legal and safe or illegal and unregulated; and

**WHEREAS**, deaths and injuries from unsafe abortions are preventable; and

**WHEREAS**, marginalized individuals are disproportionately affected by abortion restrictions as they are unable to seek safe and legal services in another country, state or county or access private care; and

**WHEREAS**, over the last 60 years, more than 30 countries have changed their laws to allow for greater access to abortion in recognition of its vital role in protecting women's lives and health; and

**WHEREAS**, in 1973 the Supreme Court ruled in *Roe v. Wade* to protect legal rights to safe abortions; and

**WHEREAS**, criminalization of abortion results in a chilling effect, in which medical professionals may apply more narrow restrictions than required by the law or in which women and girls may be deterred from seeking health care for life-threatening complications due to unsafe abortions or other pregnancy issues; and

**WHEREAS**, the United Nations Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW, or the Treaty for the Rights of Women), has consistently stated that restrictive abortion laws constitute discrimination against women; and

**WHEREAS**, under international human rights law, everyone has a right to life, health, and to be free from violence, discrimination, and torture or cruel, inhuman and degrading treatment, and that being forced into illegal, unsafe abortions constitutes a violation therein; and

**WHEREAS**, nearby states with restrictive laws are also served by Illinois' safeguards and as of 2017, about 5,500 out-of-state women had the procedure performed in Illinois; and

**WHEREAS**, in 2017, Illinois legislators passed a law that was signed into law by then Republican Gov. Bruce Rauner requiring state health insurance and Medicaid to cover abortions; and

**WHEREAS**, the Illinois Reproductive Health Act (IRHA) establishes and protects the fundamental right to safe and legal reproductive health care including contraceptives, maternal care and abortion care; and

**WHEREAS**, the IRHA protects all personal choices individuals may make about their reproductive health, including the right to choose or refuse birth control, the right to carry a pregnancy to term and give

birth, and the right to choose or refuse abortion; and

**WHEREAS**, the IRHA codifies current standards of medical best practices on who can perform abortions and prescribe non-surgical abortion-related medications; and

**WHEREAS**, the IRHA regulates clinics that perform abortions like all other medical clinics; and

**WHEREAS**, the IRHA finally repeals the decades-old Illinois Abortion Law of 1975 and the Partial-Birth Abortion Ban Act, which, though currently enjoined by courts, established criminal penalties for performing an abortion and providing certain types of contraceptives, and allowed a husband to prevent his wife from having an abortion; and

**WHEREAS**, the IRHA amends the Illinois Insurance Code to ensure that private insurance companies will also cover health care costs for services related to abortion, adding to already required coverage related to contraception, infertility treatments, and maternity care; and

**WHEREAS**, we must ensure fundamental health care protections for future generations of women and safeguard the reproductive rights of women in Illinois and beyond; and

**WHEREAS**, protections provided by Roe v. Wade is under increasing threat in states across the country including in Alabama, Georgia, Kentucky, Mississippi, Ohio, Georgia and Missouri; and

**WHEREAS**, these state laws may lead to a US Supreme Court challenge of Roe. V. Wade, that may overturn federal protections; and

**WHEREAS**, should Roe v. Wade be overturned, the provisions of Illinois' restrictive Abortion Law of 1975 and Partial-Birth Abortion Ban Act will go into effect; and

**WHEREAS**, the IRHA was filed with the Clerk as H.B. 2495 by Representative Kelly M. Cassidy, with Chief Co-Sponsors including Representative Sara Feigenholtz, Representative Emanuel Chris Welch, Representative Marcus C. Evans, Jr., Representative Jehan Gordon-Booth and 35 additional co-sponsors; and

**NOW, THEREFORE, BE IT RESOLVED**, that the President and members of the Cook County Board of Commissioners do hereby recognize the need to keep abortion and reproductive health care safe and accessible; and

**BE IT FURTHER RESOLVED**, that the Cook County Board of Commissioners urges the Illinois General Assembly to pass H.B. 2495 of the 101st General Assembly, also known as the Illinois Reproductive Health Act, and support it in any manner possible to ensure residents can continue to be able to practice their fundamental rights to choose their reproductive futures.
