---

<sup>1</sup> Speakers must submit a Notice of Public Statement in advance of making a presentation to the Commission. All statements are limited to five minutes unless the Commission extends a speaker's time. The Commission may shorten the time allotted for a speaker's statement if the statement does not comport with Commission Rule 490.200 (e.g., statements should not relate to cases currently pending with the Commission and should not include personal attacks against members of the Commission or support staff). Any recording of the open portions of this meeting must comply with Commission Rule 490.220.
