Virtual Meeting

NOTICE AND AGENDA

There will be a meeting of the Committee or Subcommittee of the Board of Commissioners of Cook County at the date, time and location listed above to consider the following:

PUBLIC TESTIMONY

Authorization as a virtual public speaker shall only be granted to those individuals who have submitted in writing, their name, email address, phone number, subject matter, and organization (if any) to the Secretary 24 hours in advance of the meeting. Duly authorized virtual public speakers shall be sent a link to virtually attend the meeting and will be called upon to deliver testimony at a time specified in the meeting agenda. Authorized public speakers who are not present during the specified time for public testimony will forfeit their allotted time to speak at the meeting. Public testimony must not exceed three minutes; the Secretary will keep track of the time and advise when the time for public testimony has expired. After each speaker has completed their statement, they will be removed from the meeting. Once removed, you will still be able to follow the proceedings for that day at:

<https://www.cookcountyil.gov/service/watch-live-board-proceedings> Persons authorized to provide public testimony shall not use vulgar, abusive, or otherwise inappropriate language when addressing the Board; failure to act appropriately; failure to speak to an item that is germane to the meeting, or failure to adhere to the time requirements may result in expulsion from the meeting and/or disqualify the person from providing future testimony. Written comments will not be read aloud at the meeting, but will be posted on the meeting page and made a part of the meeting record.

Summary: The Department of Transportation and Highways respectfully requests approval of the proposed Change in Plans and Extra work on West Lake Avenue to be referred to Committee. The proposed improvement consisted of grinding and overlying of existing hot-mix asphalt pavement, patching, drainage improvements, curb and gutter replacement, traffic control and protection, pavement markings and collateral and auxiliary work as needed to complete the project.

The quantities as shown on the contract documents were estimated for bidding purposes only. This change represents the difference between the estimated quantities and actual field quantities of work

performed with additional quantities required for welded wire reinforcement, combination curb and gutter items, PCC sidewalk items, pavement patching items, storm sewers items, and underground conduits.

New items were added for traffic signal posts, frames and grates, push button extension, sign panel type 2, base preparation/cleaning cracks and joints for mixture material, Pedestrian Refuge Island, HMA/brick driveway replacement, bituminous material tack coat, filling removed raised reflective markers with epoxy, and structure repair.
