October 25, 2021

Dear Chairman Daley,

As a follow up to this morning's budget presentation, I am requesting that all Cook County Departments and Separately Elected County Departments please submit in writing, all new positions budgeted for FY 2022, their need for the position, and each job's function/duty.

In addition, please designate if each position is permanent or temporary, and the revenue source that will cover the cost of each position. If permanent positions will initially be funded by a temporary revenue source, please identify how these permanent positions will be funded once temporary funds have been expended.

I look forward to your response.

Sincerely,

A handwritten signature in blue ink that reads "Sean M. Morrison".
