**Third Set**

[21-6251](#)

**Sponsored by:** KEVIN B. MORRISON, Cook County Board of Commissioners

**PROPOSED RESOLUTION**

**A RESOLUTION HONORING TRANSGENDER AWARENESS WEEK**

**WHEREAS**, Transgender Awareness Week is recognized every year from November 13th to November 19th; and

**WHEREAS**, Transgender Awareness Week is intended to help raise the visibility of transgender people and address issues facing members of the community; and

**WHEREAS**, along with Transgender Awareness Week, November 20th is recognized internationally as Transgender Day of Remembrance (TDOR); and

**WHEREAS**, TDOR honors the memory of the transgender people who lost their lives in acts of anti-transgender violence; and

**WHEREAS**, the first Sunday of November is TransParent Day which celebrates life and the love between transgender parents and their children and transgender children and their parents; and

**WHEREAS**, these celebrations and acknowledgements are important affirmations of the lives of transgender people in our communities; and

**WHEREAS**, transgender, non-binary, and gender-nonconforming people face extreme institutional discrimination and violence; and

**WHEREAS**, 2021 has brought extreme legislative proposals across the country with the express aim of discriminating against transgender people and in particular transgender youth; and

**WHEREAS**, these proposals target access to healthcare and participation in sports for young transgender children who already face immense barriers; and

**WHEREAS**, there are ongoing practices, including conversion therapy, that have been harmful to the whole LGBTQ community including transgender, non-binary, and gender-nonconforming individuals; and

**WHEREAS**, conversion therapy leads to critical health risks including anxiety, depression, decreased self-esteem, substance abuse, homelessness, and suicide; and

**WHEREAS**, conversion therapy and other restrictions of gender-affirming healthcare have been rejected by every major medical and mental health organization, including the American Psychological Association,

American Psychiatric Association, American Medical Association, American Academy of Pediatrics, American Academy of Child and Adolescent Psychiatry, American Counseling Association, American Psychoanalytic Association, American School Counselor Association, American School Health Association, National Association of Social Workers, and the Pan American Health Organization; and

**WHEREAS**, Transgender Awareness Week aims to raise awareness about critical issues facing the community and to celebrate the richness and diversity that exists within the transgender community; and

**WHEREAS**, we celebrate the great work of trans-led organizations and individuals who have advanced visibility and the well-being of the transgender community including the Senate confirmation of Dr. Rachel Levine as the assistant secretary of Health and Human Services, making her the highest-ranking openly transgender U.S. official in history; and

**WHEREAS**, we commit to listening to transgender, non-binary, and gender-nonconforming people as we continue to work toward enacting equitable policies to uplift marginalized citizens and eliminating violence toward them; and

**NOW THEREFORE, BE IT RESOLVED**, by the Board of Commissioners of Cook County that the Board does hereby celebrate Transgender Awareness Week 2021; and

**BE IT FURTHER RESOLVED**, that suitable copies be given to local organizations serving the transgender community.
