Subject: RE: DV project costs

Jim-

Based on today's discussion related to 750 ILCS 6/217, we do not know what any associated cost will be. However, the Clerk did tell Chief Judge Evans that if after the logistics are discussed and agreed upon between OCJ, Sheriff's Office, Clerk's Office, and any other stakeholders, the Clerk's Office would assume any costs that our office might incur to effectuate the agreed upon program. So, we are unable to provide you with the details as you requested because we do not know what those details will be.

Thanks
Tom

Subject: DV project costs

Judge Evans just indicated to me that the clerk has agreed to fund your parts of the DV project. We would like to build those costs into our comprehensive project amendment. If you can, please send me details straight awaythat would be helpful:

position titles
program #s
office #
grade
job code
total salary
associated Medicare costs
other account changes

It is my understanding that the amendment include only medicare, no other fringe benefits. I'm in the office today if you wish to talk, x4583.
