It's been said Covid-19 (Coronavirus) pandemic has adversely affected people of color, many of these live on Chicago's south side, and the south suburbs. As a result of the pandemic, businesses in these areas have closed, jobs lost, and there are disadvantages in health care delivery, health care access and health education. I urge the board to consider giving more funding for increasing nursing staff for the Cook County Public Health Department (CCDPH) and Cook County Health (CCH) to deliver healthcare in area of disparities like ACHN Cottage grove, Robbins and Blue Island.
