As a constituent of Larry Suffredin, I implore Cook County to pass: 23-1949 to have a land acknowledgement read at monthly board meetings. It is imperative that local governments acknowledge our history and commit to an equitable future. By including a land acknowledgement during each meeting, our words can slowly become our actions, and our actions can become our lived values.

I am a constituent of Bridget Gainer. I am writing in favor of 23-1949 for the Cook Cty Board to pass a Land Acknowledgement requirement. The state legislature is in the process of passing HB1633 requiring Native History be taught in our schools. A land acknowledgement is the least the Cook Cty Board can do to honor our Native community

Continuing to deny that the land on which is all live was inhabited by thousands of people who have since been the target of systemic genocide through policy violence, is the first step in honoring those for whom so much was taken in order for all of us to have what we have. We, Chicago. We, residents of Illinois. We really should have been leading this effort. Instead, we lag behind fellow counties and municipalities. Change comes from within and I believe we all possess the ability and want to live in truth. To live in justice...for all. Vote yes and acknowledge this sacred land.

As a constituent of June A. Brown, I implore Cook County to pass: 23-1949 to have a land acknowledgement read at monthly board meetings. Even though Land Acknowledgements can sometimes be/feel performative and empty, when done well/with commitment to further action, they can be a step in the right direction toward education, healing, and greater equity and justice.

We must stop ignoring and recognize Indigenous Peoples in Cook County. This is their land, we live on top of their bones, while their spirits surround us. Don't push Indigenous Peoples aside anymore. They are survivors and will be the last on this land.

As a Cook County constituent, I must implore that the commissioners do the right thing on legislation 23-1949. Even though doing the right thing does not give the land back to its rightful owners, or bring back the millions who were murdered during the white men's conquest and colonization of our city, it will send a signal that in Cook County we honor those who were here first. Let's start the long healing process by passing this important legislation.

It is a good first step in moving towards education, healing, and equity when it comes to remembering the history of our country and the indigenous Americans who were here first and who are here today.

It is vitally important to begin meetings with an acknowledgment of the space we occupy, the land that supports us, and the human beings who occupied and lived in harmony with this land for thousands of years. The long perspective is an essential prelude to a political discussion. Please read the land acknowledgement before board meetings, and HOLD and REMEMBER the living beings and ecosystems we have harmed and continue to harm through our political system. How can we change to reduce harm?

I am a constituent of Kevin Morrison, and I am in favor of reading a land acknowledgement to be read at your monthly Cook Count Board Meetings. It seems a respectful step towards appreciating the Indigenous People who are still a very important part of our community, our state, and our country. This land acknowledgement simply recognizes our gratitude for this land we share and its importance to tribal history. How we chose to act upon this land, and how our actions impact generations going forward, is impacted by the decisions of our present-day Cook County Commissioners. Commissioner Josina Morita: This land acknowledgement simply recognizes our gratitude for this land we share and its importance to tribal history. I've lived in Cook County all my life (50 years now) and as a constituent of Commissioner Jennifer Duggen, I implore that that we pass 23-1949 to have a land acknowledgement read at monthly board meetings. This is a critical step in the right direction towards education, healing, and greater equity and justice. Net-net, it is the right thing to do and will go a long way to ensure this traditionally-proud Cook County resident continues to support.

My representative is Josina Morita and I would like for her to vote in favor of 23-1949 requiring a Land Acknowledgment to be Read Aloud at Monthly CC Board Meetings. It is the least we can do as a civilized community to make this acknowledgement.

If we want to live in a more equitable society, it is crucial to recognize the Native Peoples who are the original stewards of the land on which we now live. Past Native communities and the current 65,000 Native residents of Cook County deserve to be respected, supported, and honored. Reading a land acknowledgment at the beginning of board meetings is a step in the right direction toward education, healing, and justice.

As a constituent of Luis Arroyo Jr., I am encouraging Cook County to pass: 23-1949 to have a land acknowledgement read at monthly board meetings. I know Land Acknowledgements can sometimes feel performative and empty, but when done well and with a commitment to further action, they can be a step in the right direction toward education, healing, and greater equity and justice. Please thoughtfully consider my request!
