Summary: Transmitted herewith are the proposed funding sources and categories for the 2025 Program Year for the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), and HOME Investment Partnership (HOME) programs.

The CDBG program or Community Development Block Grant program is a federal grant program funded by the US Department of Housing and Urban Development (HUD). It provides annual grants to states, cities and counties to develop viable urban communities by offering decent housing, a suitable living environment and expanding economic opportunities, primarily for low and moderate-income residents and areas.

ESG funding may be utilized to support various shelter and service activities for the benefit of homeless persons or persons at-risk of homelessness.

HOME funding may be utilized to support affordable housing development activities for the benefit of low-income persons.

These funds are provided to Cook County via an annual formula through the U.S. Department of Housing and Urban Development (HUD). Cook County then distributes these funds to municipalities and nonprofit organizations to support infrastructure improvements, as well as social services and homeless prevention in income-eligible communities within suburban Cook County.

The Department of Planning and Development, as part of the Bureau of Economic Development, respectfully requests approval of the recommended proposed funding sources and uses for the 2025 CDBG, ESG, and HOME funds; and that the Bureau Chief of Economic Development or his/her designee be authorized to execute, on behalf of the County of Cook any and all documents necessary to further the approval herein, including but not limited to, subrecipient agreements, intergovernmental agreements, amendments, and modifications thereto, loan documents, lien assignments, releases of mortgages and liens, and mortgage assumptions.
