   Summary: The JAC has retained providers for the No Place To Stay (NPTS) program, pursuant to RFQ No. 1205-RS241 Housing Services and Wraparound Supports, to make housing placements available to the supervising authorities of Cook County's electronic monitoring programs to address acute housing needs of individuals ordered to pretrial electronic monitoring. Contracted organizations provide housing placements and some level of wraparound services. Providers also offer set periods of extended stay and aftercare for NPTS participants to help ensure continued access to support and services as individuals navigate the pretrial space, work to address underlying causes, such as housing, that may contribute to their engagement with the criminal legal system and ease reentry following periods of pretrial detention or homelessness. All payments under these contracts are reimbursements for placements that we actually utilize, i.e. no payments are made for vacancies. A Safe Haven will provide 100 placements at a rate of $136.00 per night. ~~This item renews the contract for FY26 and increases the amount by $1,097,248 for a total of $4,964,000.~~
