PROPOSED TRANSFER OF FUNDS

Department: Justice Advisory Council

Request: Approve proposed transfer of funds

Reason: The JAC and Department of Budget and Management Services determined that the incorrect account was used during initial FY 2026 budgeting for a subset of capacity building funds.

From Account(s): Grant Disbursements - 11100.1205.33918.580170, \$3,000,000.00

To Account(s): Professional Services - 11100.1205.33918.520830, \$3,000,000.00

Total Amount of Transfer: \$3,000,000.00

On what date did it become apparent that the receiving account would require an infusion of funds in order to meet current obligations? What was the balance in the account on that date, and what was the balance 30 days prior to that date?

January 5, 2026. The balance in the account at that date was \$3,739,596 and 30 days prior to that date it was \$3,739,596.

How was the account used for the source of transferred funds identified? List any other accounts that were also considered (but not used) as the source of the transferred funds.

The FY 2026 allocation for professional services was included in the direct grants disbursement account but should have been placed in the professional services account. No other funds were considered or implicated as a potential source of transferred funds.

Identify any projects, purchases, programs, contracts, or other obligations that will be deferred, delayed, or canceled as a result of the reduction in available spending authority that will result in the account that funds are transferred from.

None

If the answer to the above question is “none” then please explain why this account was originally budgeted in a manner that caused an unobligated surplus to develop at this point in the fiscal year.

This transfer is shifting costs to the correct account. The original budgeted amount was correctly

budgeted.

PROPOSED INTERGOVERNMENTAL AGREEMENT

Department: Bureau of Economic Development

Other Part(ies): Illinois Housing Development Authority

Request: Authorization to enter into and execute an Intergovernmental Agreement for Court Based Rental Assistance for Cook County residents between Cook County and the Illinois Housing Development Authority, a body politic and corporate entity established pursuant to the Illinois Housing Development Act, 20 ILCS 3805/1 et seq., as supplemented and amended.

Summary: IHDA administers the statewide Court Based Rental Assistance (CBRA) Program which provides emergency rental assistance to tenants and landlords who have pending cases in eviction court. The CBRA Program is a critical resource for CCLAHD eviction clients. The \$42.5M in state CBRA funding is expected to run out two to three months prior to the end of the state fiscal year (6/30/2026).

The City of Chicago periodically releases Tax Increment Financing (TIF) dollars to itself and affected taxing bodies, and did so for its FY26 budget as approved by the City Council on 12/20/2025. Cook County receives a portion of its funds. In its own Fiscal Year 2026 budget passed on 11/20/2025, Cook County allocated these TIF funds toward critical social services. For funds allocated to Bureau of Economic Development programs, the priority was on keeping residents stable through additional funding for food and housing support as areas particularly affected by major federal policy and funding shifts. The CBRA Program in partnership with IHDA is intended to ensure continued availability of emergency rental assistance in Cook County.

Through the statewide CBRA Program IHDA has the capacity and infrastructure to accept and review applications for court-based rental assistance and process the payments to landlords and tenants. The Intergovernmental Agreement (“Agreement”) grants IHDA up to \$5,800,000.00 to provide financial assistance to eligible applicants within Cook County through the CBRA Program. Up to 15% of the funds

may be used to administer the CBRA Program within Cook County.
