Re: Recommendation Letter for Marc Hamilton, Esq.

Dear President Preckwinkle:

It is my privilege to write this letter of recommendation for Attorney Marc Hamilton. I have known Marc Hamilton for over 18 years in both a professional and personal nature. Marc and I are both members of Kappa Alpha Psi Fraternity, Incorporated and met each other through this esteemed organization that promotes community service and the mentoring of young men.

Additionally, Marc Hamilton also serves as my family's Attorney. Marc demonstrates a strong commitment to professionalism, the legal profession and compassion for others. I know Marc Hamilton to be a good family man, husband and father. He will be a tremendous asset to Cook County.

Should you need any additional information, please feel free to contact me at (312) 933-3363 my mobile telephone number or at mikeharris55@gmail.com. Thank you.

Sincerely,

Michael D. Harris
