SALARY SCHEDULES

The salary schedules, including a range of pay for each grade, are set forth in the Schedules attached hereto and included in Appendix A, Section 1.

In addition, there shall be a salary grade for salaries established by state statute, and salary grades which shall be used for flat or single rates, rather than salary ranges.

I. GENERAL INTENT

It is the intent of the Board of Commissioners of Cook County that all provisions of this resolution shall apply to all designated officers and/or employees, without regard to race, color, gender, age, religion, disability, national origin, ancestry, sexual orientation, gender identity, marital status, parental status, military discharge status, source of income or housing.

II. ENTRY RATE

A new employee entering the County service shall be paid the minimum salary provided in the salary grade in which the job has been placed. An employee who is separated from the County payroll for reasons other than disability, leave of absence or termination for cause shall be eligible to receive the salary received at the time of separation if the employee returns within 30 calendar days from the date of separation unless otherwise required in the relevant collective bargaining agreement.

III. APPLICABILITY OF STEP PROGRESSION AND STEP PLACEMENT

Employees compensated according to the salary schedules shall be required to work a minimum of one year at each step, except where elsewhere provided for in this section.

In general, the following rules shall apply unless otherwise required in the relevant collective bargaining agreement:

- A. Step advances shall be granted upon completion of one year of continuous service in each step until the maximum salary is reached except as provided for personnel employed at the first step of the following salary schedules and grades:
 - SCHEDULE II Grades FA through FF
 - SCHEDULE VIII Grades CA through CK
 - SCHEDULE IX Grades DA through DK
- B. Anniversary step advancement will be effective the first full pay period following the employee's anniversary date.
- C. Eligibility for longevity step advancement and longevity step placement must be in conformance with the regulations as established in the respective salary schedules.
- D. Eligibility for step placement for Trades Apprentices shall be in accordance with provisions as set forth in agreement between the County and respective trades.

IV. EXISTING RATES

An employee whose compensation is above the maximum salary of the salary grade in which the job classification has been placed shall not have the salary reduced during the incumbency in the job classification held as of the date of this resolution unless the reduction is authorized by the Cook County Board of Commissioners pursuant to the implementation of shutdown days, a furlough program, unpaid holidays or another program established to address a budget deficit.

No salary shall be raised if it exceeds the maximum salary of the salary grade in which the job has been placed.

An employee whose salary is within the limits of the salary grade in which the position is placed, but does not correspond to one of the established steps of the salary grade, shall be eligible for an increase to the first established step above the present salary at the time of the employee's next anniversary as required by the applicable collective bargaining agreement.

V. TRANSFERS OR CHANGES OF POSITIONS

An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary he or she has been receiving at the time of transfer, provided the budget of the department to which he or she has been transferred can accommodate the salary and, if not, the employee shall be eligible to have the salary received prior to the transfer restored at the earliest possible date. Such appointment shall not set a new anniversary date.

VI. PROMOTIONS

An employee who is promoted to a position in a higher salary grade shall be entitled to placement in the step of the new salary grade which will provide a salary increase at least two steps above the salary received at the time the promotion is made, provided that:

- A. The new salary does not exceed the maximum established for the grade to which the employee is promoted.
- B. The new salary is not below the first step established for the grade to which the employee is promoted.
- C. Years of service requirements are fulfilled concerning longevity step placement.
- D. A previous promotion has not been given within the same fiscal year.
- E. The budget of the department to which the employee is assigned can accommodate the salary.
- F. In all cases, an employee must spend at least 6 months in the job classification to which he or she is being promoted.

If an employee has been given a previous promotion within the same fiscal year, the employee shall be entitled to placement in the step of the new salary grade which will provide a salary increase at least one step above the salary received at the time the promotion is made. However, in all cases such salary will be in conformity with the provisions of (A), (B), (C), (E) and (F) above.

In all cases of promotion, the effective date will set a new anniversary date and a new probationary period unless otherwise required in the relevant collective bargaining agreement.

VII. DEMOTIONS

The following shall apply to demotions from one grade to another:

- A. An employee demoted to a position in a lower salary grade shall have the salary adjusted in the new position to the same step of the new salary grade as was received in the salary grade of the job from which demoted. The employee's anniversary date does not change.
- B. An employee promoted to a position in a higher salary grade and subsequently demoted to a position in a lower salary grade shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which he or she was promoted.

VIII. RECLASSIFICATION OF POSITIONS

An employee whose position is reclassified to a lower classification shall be placed in the first step of the lower grade which provides a salary at least one step below the salary received at the time of the reclassification. Such action shall not change the employee's anniversary date.

An employee whose position is reclassified to a higher classification shall be placed in the first step of the higher grade which provides a salary at least one step above the salary received at the time of the reclassification. Such action will change the employee's anniversary date.

In all cases of reclassification, the employee shall receive at least the first step of the grade to which the position is reclassified.

IX. UPGRADING OF POSITIONS

An employee whose position is upgraded shall be placed in the first step of the new grade which is at least the same as the salary the employee was receiving prior to being upgraded.

In all cases of upgrading, the employee shall receive at least the first step of the new grade, and shall retain the anniversary date held prior to the upgrading.

X. SALARY RATES BASED UPON FULL-TIME EMPLOYMENT

The salary rates prescribed in the Salary Schedules are fixed on the basis of full-time service for normal work weeks of 40 hours unless otherwise defined in the applicable collective bargaining agreement. Overtime will accrue as defined in the applicable collective bargaining agreement.

XI. PREVAILING RATE POSITIONS

A prevailing rate (X) position is hereby defined as one for which the rate is established under the acceptable evidence of the wage prevailing in industry. Such positions are usually craft, labor or trade positions, and are not paid under the provisions of the position classification and compensation plan schedules.

XII. SALARIES AND WAGES OF EXTRA EMPLOYEES

Titles and grades of employees on the Extra Account (Account 130) shall be the same as positions on the 110 Account unless authorized in advance by the Chief, Bureau of Human Resources. All such positions shall conform to the provisions of these resolutions.

XIV. CONTINUITY OF SERVICE

Absence from County service due to leave without pay for periods in excess of 30 calendar days, all suspensions, layoffs for more than 30 calendar days but less than one year, and all absences without leave shall be deducted in computing total continuous service and will effect a change in the anniversary date.

Seasonal employment of less than 120 calendar days in any calendar year shall not be credited toward continuity of service.

XV. GENERAL PROVISIONS

All changes in pay shall be implemented the first full pay period following the effective date.

Notwithstanding these provisions as set forth, the Board of Commissioners of Cook County may in its discretion limit the amount of salary increases for any or all employees or provide for salary rates in excess of those prescribed. In addition, certain procedures may be in use at the Cook County Health and Hospital System (CCHHS), that are unique to the nature of its operation and may deviate somewhat from these provisions as set forth.

Any change in the job classification title terminology not involving a change in the major duties of the job will not affect the status of the employee, including eligibility for increases within a specific salary grade.

The Board of Commissioners may in its discretion adopt certain procedures in compliance with state guidelines or recommendations related to the compensation of Circuit Court probation service officers.

All questions concerning the specific application of the provisions of this resolution shall be interpreted and resolved by the Chief, Bureau of Human Resources.

POSITION CLASSIFICATION AND NON-UNION PAY PLAN

SALARY SCHEDULE

I. ENTRY RATE

A new employee entering the County service in a non-union classification shall be paid at least the minimum salary provided in the salary step in which the job has been placed. Advanced step hiring above the entry rate for the grade requires a written letter of justification to the Chief, Bureau of Human Resources.

An employee who is separated from the County payroll for reasons other than disability, leave of absence, or termination for cause shall be eligible to receive the salary received at the time of separation if the employee returns within 30 calendar days from the date of separation.

II. APPLICABILITY OF STEP PROGRESSION AND STEP PLACEMENT

It is the intent of this resolution that employees compensated according to the salary schedules shall be required to work a minimum of twelve (12) consecutive months (twenty days of work is considered a month) at each step, except where elsewhere provided for in this resolution.

In general, the following rules shall apply:

- A. Step advances shall be granted upon completion of twelve consecutive months of continuous service in each step until the maximum salary is reached.
- B. Step advancement will be effective the first full pay period of the Calendar Year following the employee's anniversary date.
- C. Eligibility for longevity bonus will be given when an employee reaches the maximum step for the occupation classification of the position. The Longevity pay will be given on the anniversary day of the employee and is determined by the number of years of service at Cook County. The bonus is based on the salary group in which an employee's rate resides and the years of service. (See table)

Except K12, 024, and any other Executive Level Position

- D. Advanced Step progression is limited to 5 steps within the grade. Any movement above 5 steps requires a written letter of justification to the Chief, Bureau of Human Resources.

III. EXISTING RATES

An employee whose compensation is above the maximum salary of the salary grade in which the job classification has been placed shall not have the salary reduced during the incumbency in the job classification held as of the date of this resolution unless the reduction is authorized by the Cook County Board of Commissioners pursuant to the implementation of shutdown days, a furlough program, unpaid holidays or another program established to address a budget deficit.

No salary shall be raised without written approval from the Chief, Bureau of Human Resources.

IV. TRANSFERS OR CHANGES OF POSITIONS

An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary he or she has been receiving at the time of transfer, provided the budget of the department to which he or she has been transferred can accommodate the salary. Such appointment shall not set a new anniversary date.

V. PROMOTIONS

An employee who is promoted to a position in a higher salary grade shall be entitled to placement in the step of the new salary grade which will provide a salary increase at least 10 steps above the salary received at the time the promotion is made, provided that:

- A. The new salary does not exceed the maximum established for the grade to which the employee is promoted.
- B. The new salary is not below the first step established for the grade to which the employee is promoted.
- C. A previous promotion has not been given within the same fiscal year.
- D. The budget of the department to which the employee is assigned can accommodate the salary.
- E. In all cases, an employee must spend at least 6 months in the job classification to which he or she is being promoted.

If an employee has been given a previous promotion within the same fiscal year or has less than 6 months in the job classification from which he or she is being promoted, a written letter of justification is required for final approval by the Chief, Bureau of Human Resources.

In all promotion cases, the effective date will set a new anniversary date and a new probationary period.

VI. DEMOTIONS

The following shall apply to demotions from one grade to another:

- A. An employee demoted to a position in a lower salary grade shall have the salary adjusted in the new position to the rate that is equal to 10 steps per grade lower than the current step but not lower than the lowest rate of the grade for the new job. The employee's anniversary date does not change.
- B. An employee promoted to a position in a higher salary grade and subsequently demoted to a position in a lower salary grade shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which he or she was promoted.

VII. RECLASSIFICATION OF POSITIONS

An employee whose position is reclassified to a lower classification shall continue to receive compensation at the same rate received immediately prior to reclassification. Such action shall not change the employee's anniversary date. If the salary rate received immediately prior to reclassification is less than the last step of the lower classification, the employee shall be entitled to further step advancement.

An employee whose position is reclassified to a higher classification shall be entitled to placement in the step of the new salary grade which will provide a salary increase of at least 10 steps above the salary received at the time of the reclassification, so long as the new salary is not below the first step or does not exceed the maximum established for the grade. Such action will change the employee's anniversary date.

VIII. INTERIM ASSIGNMENT

An employee may be temporarily assigned to perform and be held accountable for all of the duties that distinguish a specific higher graded position. All such assignments must be pre-approved in writing by the Chief, Bureau of Human Resources and the Budget Director. An interim assignment shall be no shorter than one(1) month and no longer than six (6) months without good cause and the approval of the Chief, Bureau of Human Resources and the Budget Director but should not exceed nine (9) months.

Interim pay or differential pay shall be afforded in an amount to account for an increase in current salary by 10% unless a greater increase is needed to bring the employee's current salary up to the first step of the higher graded position. The employee's adjusted salary cannot exceed the maximum amount allowable for the higher graded position.

The employee shall continue to receive the interim pay or differential pay for the duration of the interim assignment.

An interim assignment will not change an employee's anniversary date.

IX. SALARY RATES BASED UPON FULL-TIME EMPLOYMENT

The salary rates prescribed in the Salary Schedule are fixed on the basis of full-time service for normal work weeks of 40 hours. For positions which are exempt from the Fair Labor Standards Act, the normal work week of 40 hours generally applies, but the compensation is intended to be appropriate for the class regardless of variations in the time that may be required to satisfactorily fulfill the responsibilities of the positions. For positions covered by the Fair Labor Standards Act, compensatory time will accrue at a rate of 1½ hours for every hour worked over forty (40) hours in a week.

X. SALARIES AND WAGES OF EXTRA EMPLOYEES

Titles and grades of employees on the Extra Account (Account 130) shall be the same as positions on the 110 Account unless authorized in advance by the Chief, Bureau of Human Resources. All such positions shall conform to the provisions of these resolutions.

XI. CONTINUITY OF SERVICE

Absence from County service due to leave without pay for periods in excess of 30 calendar days, all suspensions, layoffs for more than 30 calendar days but less than one year, and all absences without leave shall be deducted in computing total continuous service and will effect a change in the anniversary date. Seasonal employment of less than 120 calendar days in any calendar year shall not be credited toward continuity of service.

XII. GENERAL PROVISIONS

All changes in pay shall be implemented the first full pay period following the effective date.

Notwithstanding these provisions as set forth, the Board of Commissioners of Cook County may in its discretion, limit the amount of salary increases for any or all employees or provide for salary rates in excess of those prescribed. In addition, certain procedures may be in use at the Health Facilities, which are unique to the nature of their operation and may deviate somewhat from these provisions as set forth.

Any change in the job classification title terminology not involving a change in the major duties of the job will not affect the status of the employee, including eligibility for increases within a specific salary grade.

All questions concerning the specific application of the provisions of this resolution shall be interpreted and resolved by the Chief, Bureau of Human Resources.

B. SICK LEAVE

1. Sick leave may be used for illness, disability incidental to pregnancy or non-job related injury to the employee; appointments with physicians, dentists, or other recognized practitioners; or for serious illness, disability, or injury in the immediate family of the employee.
2. Cook County grants sick leave because an employee is unable to perform his/her assigned duties, or because the employee's presence at work would jeopardize the health of his/her coworkers. Accordingly, sick leave shall not be used for any purpose other than to cover an absence related illness and shall not be used as additional vacation leave.
3. All eligible salaried employees, other than seasonal employees, shall be granted sick leave with pay at the rate of one working day for each month of service. Sick leave accruals will be carried out in accordance with the biweekly payroll system. Employees must be in a pay status for a minimum of five (5) days in a pay period to accrue sick time in that period.
4. All individuals employed on a part-time work schedule of twenty (20) hours per week or more shall be granted sick leave with pay proportionate to the time worked per pay period.
5. Sick leave may be accumulated to equal, but at no time to exceed, one hundred seventy-five (175) working days, except Cook County Health and Hospital System employees who cannot exceed one hundred fifty (150) days. The department shall notify the Chief, Bureau of Human Resources if an employee has fourteen consecutive non-FMLA sick days.
7. The employee has the burden of establishing that an illness related absence was legitimate. Failure to provide such reasonable evidence of proof of illness may result in the denial of sick leave benefits, or revocation of benefits granted. The determination as to appropriateness of the sick leave will be

made by the employee's supervisor. In addition to denial of sick leave benefits, where the circumstances indicate that the employee is abusing sick leave, disciplinary measures may be taken.

8. If, in the opinion of the executive head of the office, department or institution, the health of an employee warrants prolonged absence from duty, the employee will be permitted to combine his/her vacation, sick leave and personal days with approval from the Chief, Bureau of Human Resources.
9. The employee may apply for disability under the rules and regulations established by the retirement board.

All discharges and resignations not followed by reinstatement within one (1) year shall interrupt continuous service, and shall result in the loss of all prior service credit. Credit for such prior service shall be established by filing, with the Chief of the Bureau of Human Resources, a certificate of such prior service from such former place or places of employment.
6. In the event an employee has not taken vacation leave as provided by reason of separation from service, the employee, or in the event of death, the employee's spouse or estate, shall be entitled to receive the employee's prevailing salary for such unused vacation periods.
