

Secretary to the Board of Commissioners

FY2017 Budget Presentation

October 18, 2016

Secretary to the Board of Commissioners

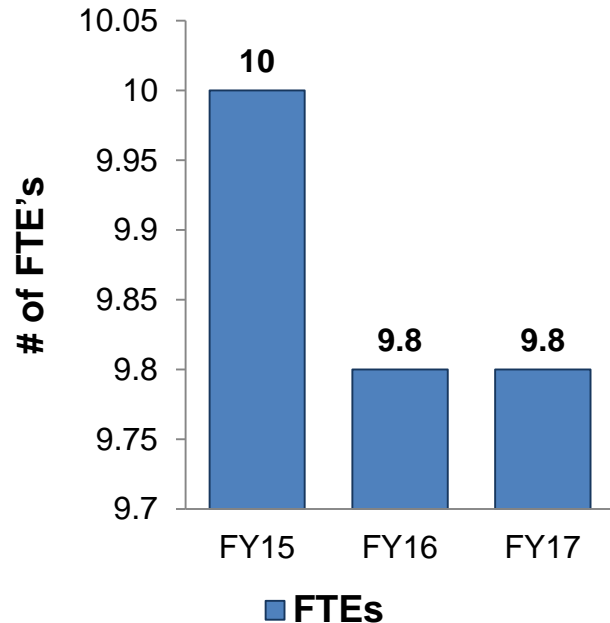

FY2017 Budget Presentation

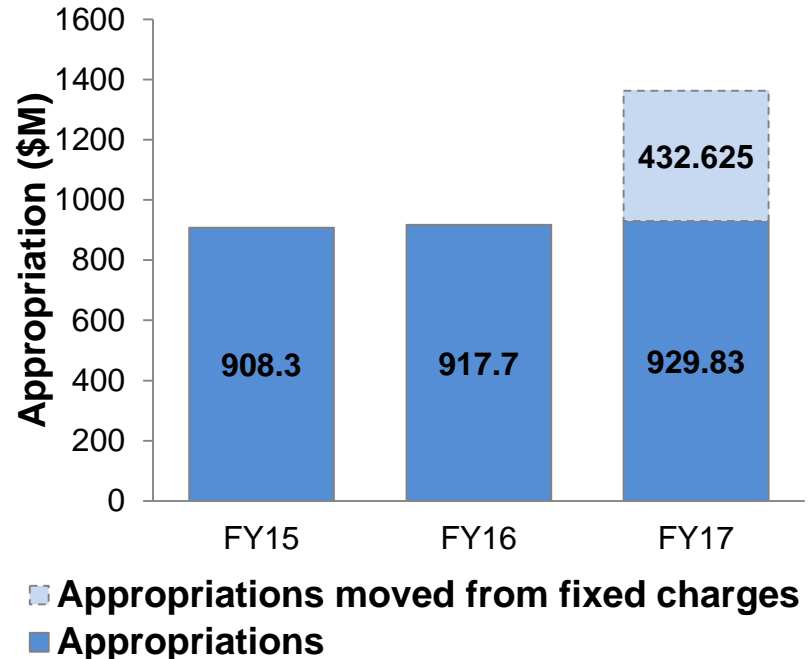

Mission

To provide legislative support and information for the Cook County Board of Commissioners, the President, county elected officials, agencies and departments and members of the public, so those entities can present items before the Board for consideration; to provide information and opportunity for public comment regarding the proceedings and policies of the Board and its committees So that the legislative process in the County of Cook will be efficient, effective and transparent.

Secretary to the Board of Commissioners

FY2017 Budget Presentation

- Actively participating in the effort to modernize and make accessible the County Board Room, Commissioners' Offices and President's Office
- Chairing and staffing the Cook County Historic Archives Advisory Council, per Board Resolution.
- Supported over 200 meetings of various County and Forest Preserve legislative bodies.
- Filling in legislative history of County continues. "Backfilling" older Board data into Legistar, our legislative documents database. In process of adding journals, agendas and committee documents back to 1994. Added audio and video for every County and Forest Preserve meeting held in County Board room to the Legistar Database.
- Live streaming of Board proceedings continues to be a success. Total page views of County Board meetings and committee meetings this fiscal year total 74,761 to date, with 17,537 unique visitors to our video pages. Since the beginning of live streaming video, there have been 545,970 page views by over 77,537 unique visitors.
