

# CLERK OF THE COURT ELECTRONIC CASE MANAGEMENT & COURT DOCKET SYSTEM

RFP No. 1590-14357

# Overview

The Clerk of Circuit Court (Clerk's Office) had a goal to leverage the advanced technology available today in order to both enhance the efficiency of the court and increase the services offered by the court. The expectations of court users had continued to rise as its customers become increasingly familiar with and dependent on modern technology. The new case management system will completely eliminate the use of the old mainframe legacy system and allow the Clerk's Office to enhance operations while reducing the long term costs to the County.

# BENEFITS

- To enable customers to interact more efficiently with the Office of the Clerk through remote access and self-service
- To provide an innovative and advanced solution that would enhance business operational efficiencies
- To enhance the court system with a solution that has advanced functionality in place today and an approach that anticipates the Clerk's needs for tomorrow
- To minimize ongoing maintenance and support costs by replacing multiple legacy applications **(Saving the County over \$2M Dollars)**
- Assist with the implementation of the Illinois Supreme Court Mandatory Electronic Filing Mandate
- Assist with Cook County's Implementation for Electronic Record (eRecord) which will enable the "official" court record to become the electronic version of the record.

# BACKGROUND INFORMATION

Proposals were received on May 22, 2015, and the Office of the Chief Procurement Officer (OCPO) verified the completeness of each Proposal and the responsiveness to all RFP requirements; and the OCPO completed a "Responsiveness Checklist" for each submittal. The Procurement Office distributed the Responsiveness Checklist Results to the Executive Committee (EC).

## **Assessment of Technical and Pricing Proposal**

EC members independently reviewed each proposal and provided preliminary scores in the Scorecard. The EC submitted its preliminary scores to the Procurement Office prior to the collective review meeting.

# BACKGROUND INFORMATION

## ORAL PRESENTATIONS/DEMOS

The EC requested Demonstrations from four (4) short listed Proposers. The presentations gave the EC an opportunity to meet key members of the Proposer's proposed team and to clarify their proposal.

After review of clarifications regarding their proposals and Oral Presentations and Demos, the EC met to discuss a selection to be short-listed to **2nd Round of Oral Presentation and Demos (Proof of Concept)** based on the Proposer's ability to perform the contract successfully.
