The tax is a farce. If you were so concerned about health you would tax cake mixes, frostings, candybars and ice cream. I will drive outside Cook Co. to purchase soda and you will lose all my shopping revenue. It is also UNFAIR that Snap recipients do not pay the tax. So you are saying let the poor people drink the unhealthy zero nutrition beverage??

The Cook County Sugar Tax is an unfair tax which only benefits Cook County to help balance the budget. To say this Tax was to assist with health issues related to sugar medial issues and such, is just garbage. There are many unhealthy sugar items being sold in Cook County and have the same effect. Cook County is just hurting itself as other Counties will receive business from Cook County residences due to the additional tax. In addition to this Sugar Tax, most businesses and restraurants do not have the appropriate capability to charge customers correctly for this Sugar tax. Some restruarants charge as a line item then tax this Sugar tax. Subway charges for a 40 oz drink when the cup size is in fact 30oz. KC and MCDonalds charges as a surcharge line item (tax) then takes the tax since its listed as a subtotal. This tax will never be charged correctly. Also most business that sell beverages that have refill capability do not charge tax on the refill. This negates the Sugar Tax and is not represented accurately. Poor excuse for a Sugar Tax to benefit health as this is the leveraging someones salary or taking place a the tobacco tax that used to be in effect years ago. Get your stuff together Cook Country or me and my family will move to another County that respects its residents.

I oppose the beverage tax.

1. Cook County should decrease expenses rather than increase taxes.
2. Cook County is hypocritical in professing health benefits for the beverage tax. You exempt people on welfare from the tax. That is a population know for poor nutrition decisions. Why are you discriminating against the poor?
3. I am a Cook County resident. I have not paid one cent of beverage tax. I anticipate beverage purchases and make them when I am in DuPage County. Many other purchases are then made in DuPage County along with beverages - instead of Cook County.

John

United Business Association is firmly opposed to the beverage tax! We are an organization committed to the economic prosperity of the Midway Airport Area. This tax is devastating to the economic goals of the area. It is not only reducing sales of sweetened beverages and at the same time driving our consumers out of Cook County and the Midway Airport community. Common sense dictates the repeal of this tax!!

This tax is overburdensome and causes a financial hardship compounded to the other taxes, etc. county, city, and state property taxes. At the rate the taxes will exceed the income. The answer is not another tax on the taxpayers. The answer is for the government to reduce it's spending. Your consideration would be greatly appreciated. Thank you. Shernice Jones, taxpayer

This tax is nothing more than a money grab. The county just keeps spending & spending and always depends on all the various tax monies to keep flowing. You can change the name of the tax but they are all the same and most likely unconstitutional. The county "should" work with less people and have those who remain on the job just work a little harder just like any other company would have to do. But don't threaten us with less healthcare, less help to seniors, & likely delay the property taxes being sent to home owners. That's a lot of crap! If the later happens don't DARE charge us with late fees. CLEAN UP YOUR OWN HOUSE!!

No other comments until the next time, except I never I thought I would say this but KUDOS to Daley for changing his mind most likely because of his base voicing their anger & opinions. More commissioners should consider going against the board.

This soda tax is nonsense, why don't you find another solution to balance the budget, like move government retirement plans over to a 401k that the government employees pay into (like corporate America), instead of giving another tax to pay.

I am voicing my displeasure and disapproval of the sugar tax that Cook Count commissioners have passed under the dictatorship of Toni Preckwinkle. Stop this socialist tax and theft from hard working citizens. Put the money back on the pockets of hard working Americans. Stop punishing the makers and rewarding the takers. I run my household with what's called a budget and if I can't afford something then I make sacrifices and cut or reduce spending. It's actually a common sense approach to basic economics unless of course you have the luxury of spending someone else's money to feed your excessive budget. To any logical person this continuous tax upon the workers of this county is insane and needs to be STOPPED now. I assure you of a vote against all commissioners who voted for this sugar tax when election time comes around.

Repeal the soda tax. I drive to another county and will continue to do until this tax is repealed. The reasoning behind this tax is rather confusing. No one cared if kids drank pop or any other number of drinks prior to this tax and kids had nothing to do with the County Commissioner 'threatening' employees with loss of there jobs.

I am a senior citizen and living on a fixed income. I drink diet coke ... no sugar involved. Since the pop tax was imposed, I have been driving to DuPage Cty to buy pop. While I am there, I also do all of my grocery shopping which includes paper products, cleaning products & toiletries. So Cook Cty is losing all of that sales tax. Also, to say that the pop tax is to prevent obesity is disingenuous ... as Ms. Preckwinkle, whom I support, has been on TV numerous times saying the tax is to balance the county budget (no mention of health issues). Vote no to continue this unhealthy tax.

You must overturn the sweetened beverage tax. We are sick and tired of being taxed to death. Businesses and citizens of Cook County are suffering. We have budgets too. If an unforeseen emergency happens, we have to leave a bill unpaid or try to find another way. Our employers or government doesn't say, "We are sorry about, xyz, here is some extra money to help you get through this difficult time." It is time for our elected officials to cut pensions and find other ways to meet their bills. We everyday citizens have to plan for our futures through company sponsored 401K plans or some other form of investments. You can't keep balancing the budget off the backs of taxpayers. If you don't wake up businesses and people will continue to leave Illinois. We have already seen this in 2015 & 2016. Do you really want to become another Detroit? And stop the Michael Bloomberg ads already. He needs to mind his own business in New York.

Please vote to repeal, in the government's self-interest if that of the people you serve isn't motivation enough. I shop in Du Page County to save on the beverage and all accompanying taxes (sales, fuel) during those grocery runs. Run your own numbers on how many other people you can generalize this same behavior and revenue loss from.

I want to register in favor of repealing the beverage tax. Tax payers are not stupid. This tax is a money grab, not a solution for a health concern.

Learn the Facts About The Citizens Of Cook County

Fact: We(the people), are TIRED/FED UP with the “behind closed doors” CONVENIENCE TAXES that are thought up and then THRUST upon our backs.

Fact: We(the people), RESENT you coming into our homes and DICTATING to us that you are the “PARENT” and that you are only looking out for the welfare of your children(we, the people of COOK COUNTY).

Fact: We(the people), DISAGREE and would like to know what FACTORS were used in the study done by the Harvard T. H. Chan School of Public Health to determine with its CRYSTAL BALL, the savings stated.

Fact: We(the people), REALIZE that we are being TARGETED. While we wish to see no one impacted by JOB LOSS, we do not like being threatened. Threatened, with county programs/services being cut as well as lay offs.

REPEAL, REPEAL, REPEAL, this ridiculous JOKE of what is called a Sweetened/Sugar Tax.

Wish to support the beverage tax repeal. It is a unfair tax.

This tax is unfair. People like me and my son cannot afford it. I resent being told what we cannot drink. I am an adult and can make my own decisions. I don't own a car right now. Since the beverage tax, I go with family and friends outside Cook County and we all do all of our grocery shopping.

The sweetened beverage tax is a healthy source of revenue for Cook County. In addition to funding vital County services, the health benefits are clear: sugary drinks are the number one source of added sugar in the American diet and are linked to an increased risk of heart disease, Type 2 diabetes and obesity. We know that this important public health policy will help to decrease these chronic diseases and lead to healthier families and communities.

I believe that the sweetened beverage tax will allow the county to move forward and start to build a stronger tomorrow for it's residents. I also believe it will make us think twice about healthy choices.
