

Exhibit 1D

Updated Schedule Related to Exhibit 1C, Letter dated April 26, 2011

Revenue Initiatives	Description	Projected Annual Revenue	Status
E-Plea Revenue Sharing. Vendor agrees to share the convenience fee collected from defendants with the Clerk's Office.	Acceptance of Electronic plea of guilty for traffic court diversion tickets through the Clerk's website.	\$275,000 ¹	No longer applicable; it was built in-house.
E-Filing Revenue Sharing. Vendor agrees to share the convenience fee collected from e-filers with the Clerk's Office.	Filing of court documents via an automated processing service. Ultimately reduce costs related to the amount of paper, ink & data entry.	\$1.35 million ²	Prohibited by AOIC rules.
Expand Smart Forms to several areas, charging a reasonable fee for the opportunity to complete forms that are designed to assist litigants.	User-friendly system that enables citizens of Cook County to go on-line to prepare and print the documents necessary to file their cases.	\$1.5 million	Still applicable; need further research.
Domestic Violence Smart Forms. Share portals with other counties for a subscription fee.	Smart Form Portals developed by the Clerk's Office and vendor.	\$1.2 million	Not applicable; not the Clerk of the Circuit Court's technology.

¹ With 100% adoption rate. 220,000 court diversion tickets per annum @ 1.25.

² Average of 412,265 new cases filed in civil areas of law. The service provider has agreed to share revenue, with the Clerk's Office receiving 2/3 of the convenience fee at \$4.95 per e-filing.
